5. Log out.	222

1. Login.

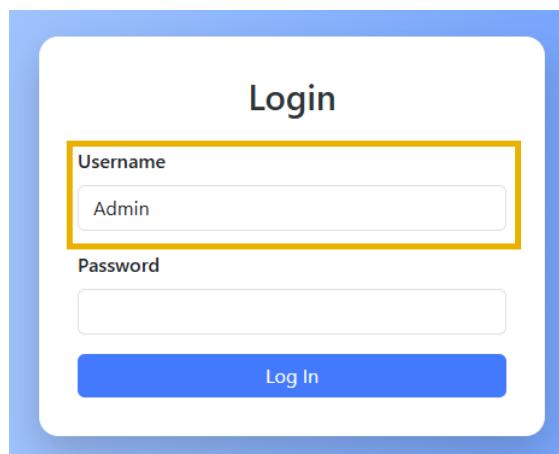

First, you should enter the following URL in your web browser:

<https://eurotechdirect.infinityfree.me/Eurotech/>

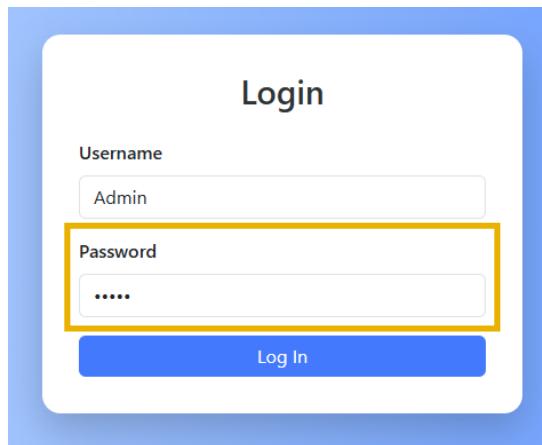

Once you are on the website and you have not logged in yet, the page will show the “Login” page, where you must enter a valid username and password.

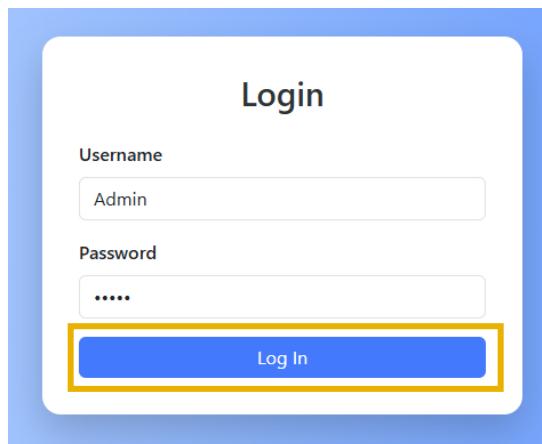

In the “Username” field, you must enter a valid username.

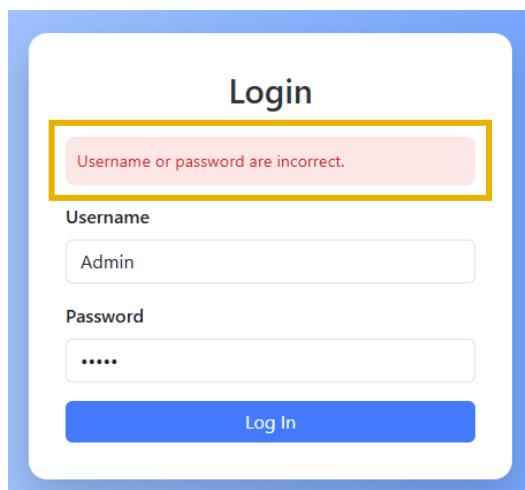

In the “Password” field, you must enter the password of the username.

Once you write the username and password, you must click the “Log In” button.

If you didn't write the username or password correctly, it will show you an error message that says that the username or password are incorrect.

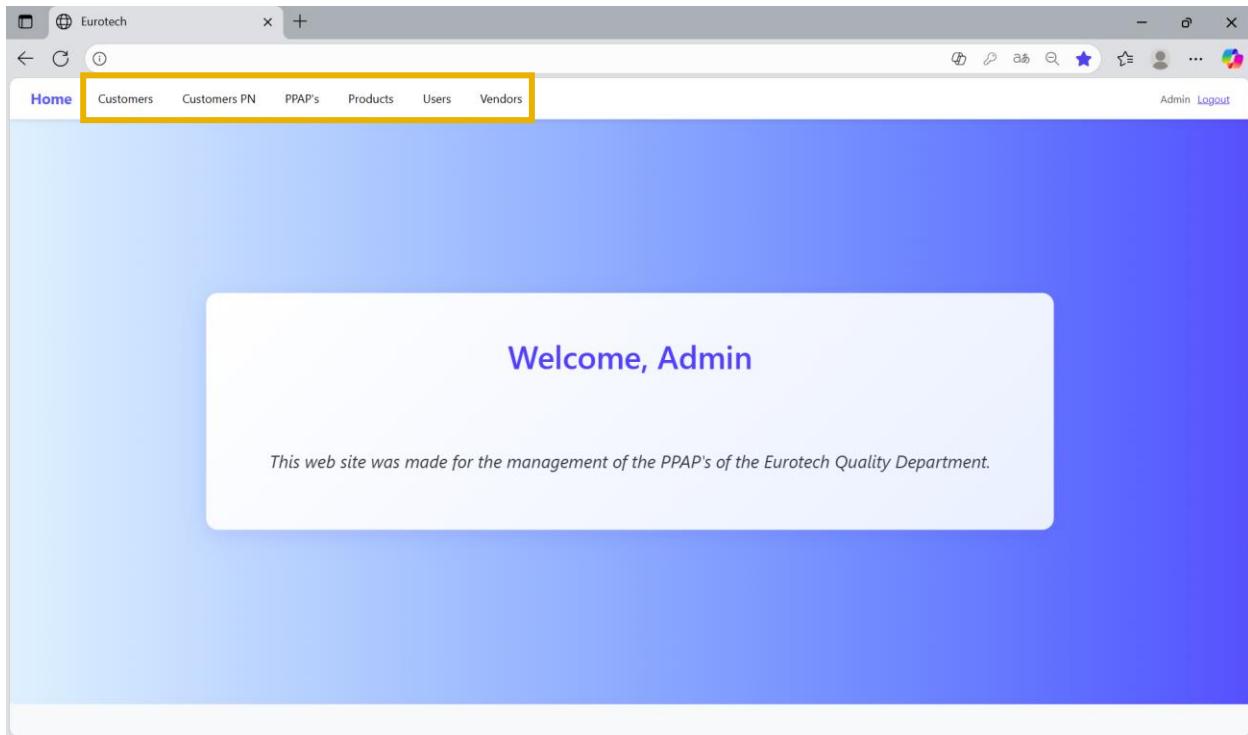

If you wrote the username or password correctly, you will be sent to the “Home” view with the user you logged in.

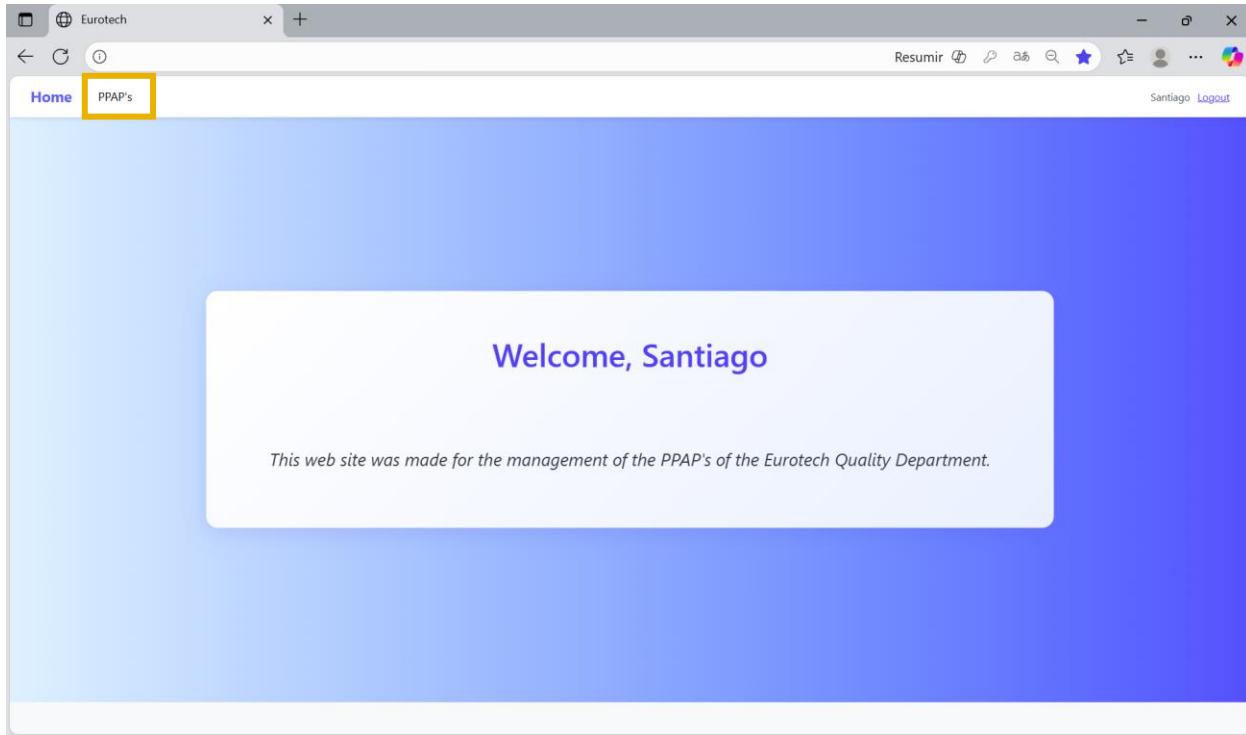

2. Home.

The “Home” view shows you a welcome message and the purpose of the web site. Depending on your user’s role, it will show different options in the navigation bar that is at the top of the page.

If you log in with a user that have the role “Administrator”, you will have permissions to navigate into the “Customers”, “Customers PN”, “PPAP’s”, “BluSeal”, “Cables”, “Tapes”, “Tubes”, “Products”, “Users” and “Vendors” views with the tabs that are at the top of the page.

If you log in with a user that have the role “User”, you will only have permissions to navigate into the “PPAP’s”, “BluSeal”, “Cables”, “Tapes” and “Tubes” views with the tabs that are at the top of the page.

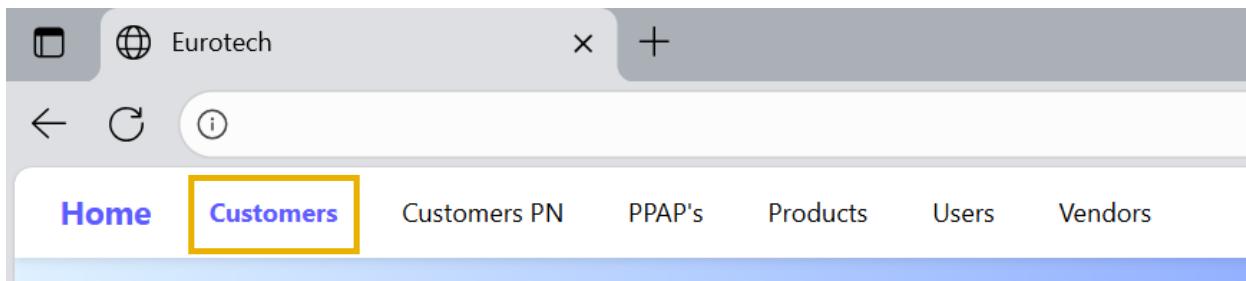

3. Users with the role “Administrator”.

3.1 Customers Tab.

3.1.1 How to Navigate to “Customers” View.

On the navigation bar, you can access to the “Customers” view.

Here you can manage the registers of all the customers.

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
Edit	Delete	CUS002	PKC (Motherson)	Mexico	PP00053		Cables
Edit	Delete	CUS003	MSSL	Mexico	PP00047		Cables, Tubes
Edit	Delete	CUS004	Amphenol FCI/TCS	Mexico	PP00076	48001	Tapes
Edit	Delete	CUS005	Amphenol ICA (Integrated Cable Assembly)				Tapes
Edit	Delete	CUS006	AutoKabel of North America	Mexico	PP00045	645	Tapes, Tubes

Edit	Delete	CUS013	SEWS (Sumitomo Electric Wiring Systems)	Mexico	PP00026	56697	Tapes, Tubes

3.1.2 How to Search a Customer.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

Once you click it, the “Search Form” will be display.

The search form allows you to perform searches by “Customer ID”, “Customer”, “Country”, “Customer PPAP Number”, “Customer IMDS ID No.” and “Products”.

You can search by “Customer ID”, using the “Customer ID” field and clicking the “Search” button.

Search Form

Customer ID: CUS010	Customer:	Country:
Customer PPAP Number:	Customer IMDS ID No.:	Products: <input checked="" type="checkbox"/> BluSeal <input checked="" type="checkbox"/> Cables <input checked="" type="checkbox"/> Tapes <input checked="" type="checkbox"/> Tubes
<button>Search</button> <button>Clear All</button>		

New Customer

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
<button>Edit</button>	<button>Delete</button>	CUS010	GG Cables & Wires	Mexico	PP00086	17916	Tapes

You can search by “Customer”, using the “Customer” field and clicking the “Search” button.

Search Form

Customer ID:	Customer: Amphenol FCI/TCS	Country:
Customer PPAP Number:	Customer IMDS ID No.:	Products: <input checked="" type="checkbox"/> BluSeal <input checked="" type="checkbox"/> Cables <input checked="" type="checkbox"/> Tapes <input checked="" type="checkbox"/> Tubes
<button>Search</button> <button>Clear All</button>		

New Customer

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
<button>Edit</button>	<button>Delete</button>	CUS004	Amphenol FCI/TCS	Mexico	PP00076	48001	Tapes

You can search by “Country”, using the “Country” field and clicking the “Search” button.

The screenshot shows a search interface with several input fields and a results table. At the top, there are fields for Customer ID, Customer, and Country. The 'Country' field is highlighted with a yellow border and contains the value 'Mexico'. Below these are fields for Customer PPAP Number and Customer IMDS ID No., both of which are currently empty. To the right of these fields is a 'Products' section containing four checked checkboxes: BluSeal, Cables, Tapes, and Tubes. At the bottom of the search area are two buttons: a purple 'Search' button and a teal 'Clear All' button. A yellow box highlights the 'Search' button. Below the search area is a table titled 'New Customer' with a single row of data. The table has columns for Edit, Delete, Customer ID, Customer, Country, Customer PPAP Number, Customer IMDS ID No., and Products. The data row shows: Edit, Delete, CUS002, PKC (Motherson), Mexico, PP00053, (empty), Cables. The 'Customer' column contains the full company name in parentheses.

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
Edit	Delete	CUS002	PKC (Motherson)	Mexico	PP00053		Cables

You can search by “Customer PPAP Number”, using the “Customer PPAP Number” field and clicking the “Search” button.

This screenshot is similar to the previous one but focuses on searching by Customer PPAP Number. The 'Customer PPAP Number' field is highlighted with a yellow border and contains the value 'PP00012'. The other search fields (Customer ID, Customer, Country) are empty. The 'Products' section and search buttons are identical to the first screenshot. Below the search area is a table titled 'New Customer' with a single row of data. The table has columns for Edit, Delete, Customer ID, Customer, Country, Customer PPAP Number, Customer IMDS ID No., and Products. The data row shows: Edit, Delete, CUS017, CEMM, Mexico, PP00012, (empty), Tubes. The 'Customer' column contains the full company name in parentheses.

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
Edit	Delete	CUS017	CEMM	Mexico	PP00012		Tubes

You can search by “Customer IMDS ID No.”, using the “Customer IMDS ID No.” field and clicking the “Search” button.

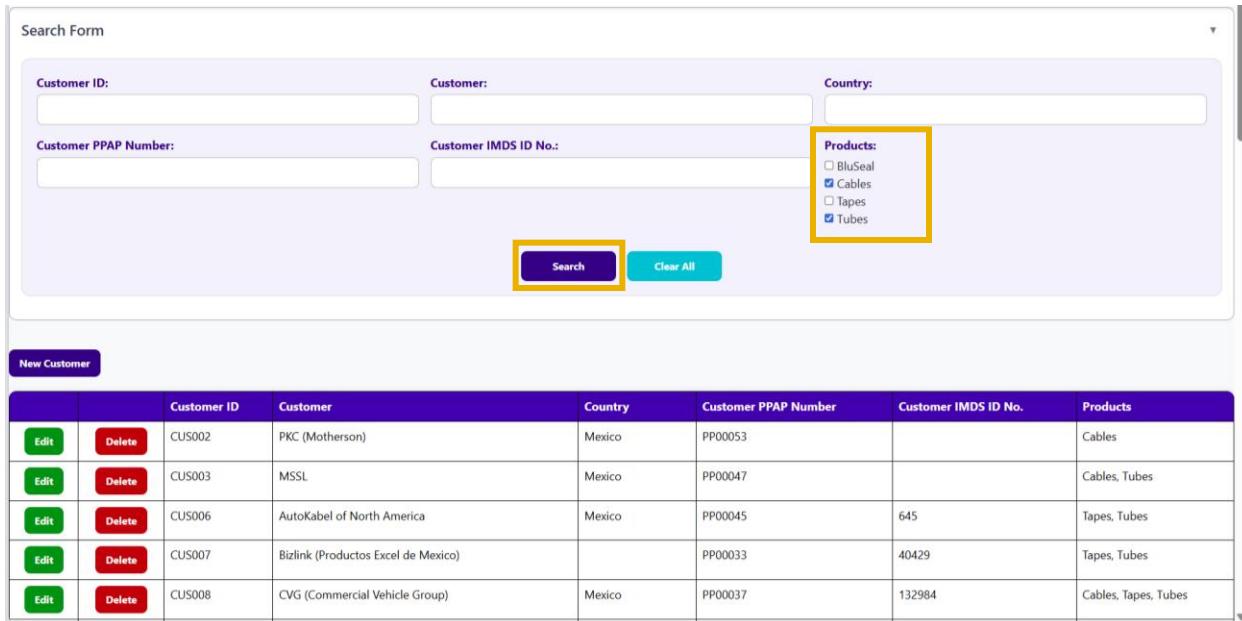

Search Form

Customer ID:	Customer:	Country:
Customer PPAP Number:	Customer IMDS ID No.:	Products:
	20724	<input type="checkbox"/> BluSeal <input checked="" type="checkbox"/> Cables <input type="checkbox"/> Tapes <input checked="" type="checkbox"/> Tubes
<input type="button" value="Search"/> <input type="button" value="Clear All"/>		

New Customer

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	CUS014	St. Clair Technologies	Europe	PP00102	20724	Tapes

You can search by “Products” (this means the products of the PPAPs that will be realize for the customers), using the “Products” field and clicking the “Search” button.

Search Form

Customer ID:	Customer:	Country:
Customer PPAP Number:	Customer IMDS ID No.:	Products:
		<input type="checkbox"/> BluSeal <input checked="" type="checkbox"/> Cables <input type="checkbox"/> Tapes <input checked="" type="checkbox"/> Tubes
<input type="button" value="Search"/> <input type="button" value="Clear All"/>		

New Customer

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	CUS002	PKC (Motherson)	Mexico	PP00053		Cables
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	CUS003	MSSL	Mexico	PP00047		Cables, Tubes
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	CUS006	AutoKabel of North America	Mexico	PP00045	645	Tapes, Tubes
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	CUS007	Bizlink (Productos Excel de Mexico)		PP00033	40429	Tapes, Tubes
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	CUS008	CVG (Commercial Vehicle Group)	Mexico	PP00037	132984	Cables, Tapes, Tubes

And with the “Clear All” button, you can clean the querying and see all the registers of the customers.

The screenshot shows a "Search Form" with fields for Customer ID (CUS004), Customer (Amphenol FCI/TCS), Country (Mexico), Customer PPAP Number (PP00076), Customer IMDS ID No. (48001), and Products (Tapes). Below the form is a table titled "New Customer" with one row of data: CUS004, Amphenol FCI/TCS, Mexico, PP00076, 48001, and Tapes. The "Clear All" button in the search form is highlighted with a yellow box.

New Customer							
		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
Edit	Delete	CUS004	Amphenol FCI/TCS	Mexico	PP00076	48001	Tapes

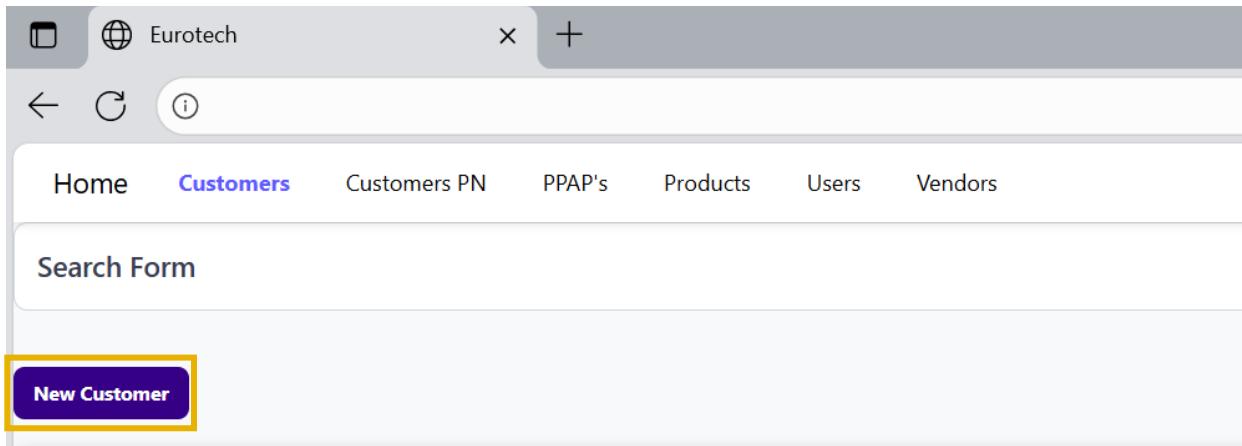

Once you click the “Clear All” button, the fields of the “Search Form” will be empty, and in the table will be shown all the customers.

The screenshot shows the same search form and table as the previous one, but now the search fields are empty. The table now contains six rows of customer data: PKC (Motherson), MSSL, Amphenol FCI/TCS, Amphenol ICA (Integrated Cable Assembly), and AutoKabel of North America. The "Clear All" button in the search form is highlighted with a yellow box.

New Customer							
		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
Edit	Delete	CUS002	PKC (Motherson)	Mexico	PP00053		Cables
Edit	Delete	CUS003	MSSL	Mexico	PP00047		Cables, Tubes
Edit	Delete	CUS004	Amphenol FCI/TCS	Mexico	PP00076	48001	Tapes
Edit	Delete	CUS005	Amphenol ICA (Integrated Cable Assembly)				Tapes
Edit	Delete	CUS006	AutoKabel of North America	Mexico	PP00045	645	Tapes, Tubes

3.1.3 How to Add a New Customer.

If you want to add a new customer, you must click the “New Customer” button that is below the “Search Form”.

Once you click the “New Customer” button, it will display a data entry to create a new customer.

The screenshot shows a modal dialog titled 'Register New Customer'. It contains several input fields: 'Customer ID' (mandatory, indicated by a red asterisk), 'Customer' (mandatory), 'Country' (non-mandatory), 'Customer PPAP Number' (non-mandatory), 'Customer IMDS ID No.' (non-mandatory), and 'Products' (mandatory, indicated by a red asterisk). The 'Products' section includes checkboxes for 'BluSeal', 'Cables', 'Tapes', and 'Tubes'. A large orange box on the left labeled 'Non-mandatory fields' has arrows pointing to the 'Country', 'Customer PPAP Number', 'Customer IMDS ID No.', and 'Products' sections. A large orange box on the right labeled 'Mandatory fields' has arrows pointing to the 'Customer ID', 'Customer', and 'Products' sections.

If you want to save the register of a new customer, you must click the “Save” button.

The dialog box has a title "Register New Customer". It contains the following fields:

- * Customer ID: CUS001
- * Customer: Customer1
- Country: North America
- Customer PPAP Number: PP00999
- Customer IMDS ID No.: 29990
- * Products:
 - BluSeal
 - Cables
 - Tapes
 - Tubes

A large yellow box highlights the "Save" button at the bottom of the dialog.

If no errors are found, the register will be added successfully.

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
		CUS001	Customer1	North America	PP00999	29990	Cables, Tapes

If an error is found, review section 3.11.1.1 *Data Entry Errors*.

3.1.4 How to Edit Information of a Customer.

In each register from the table, it will be an “Edit” button. You must click the “Edit” button of the register you want to update.

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
		CUS001	Customer1	North America	PP00999	29990	Cables, Tapes

Once you click the “Edit” button, it will display an update form to edit the information of the selected customer.

The screenshot shows a modal dialog titled "Update Customer". It contains the following fields:

- * Customer ID:** CUS001
- * Customer:** Customer1
- Country:** North America
- Customer PPAP Number:** PP00999
- Customer IMDS ID No.:** 29990
- * Products:**
 - BluSeal
 - Cables
 - Tapes
 - Tubes

A large blue "Save" button is located at the bottom right of the dialog.

To save the changes, you must click the “Save” button.

The screenshot shows the same "Update Customer" dialog as above, but with the "BluSeal" checkbox checked. The "Save" button at the bottom is highlighted with a thick yellow border.

If no errors are found, the register will be updated successfully.

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
	Edit	Delete	CUS991	Customer991	PP00991	29991	BluSeal, Cables, Tapes

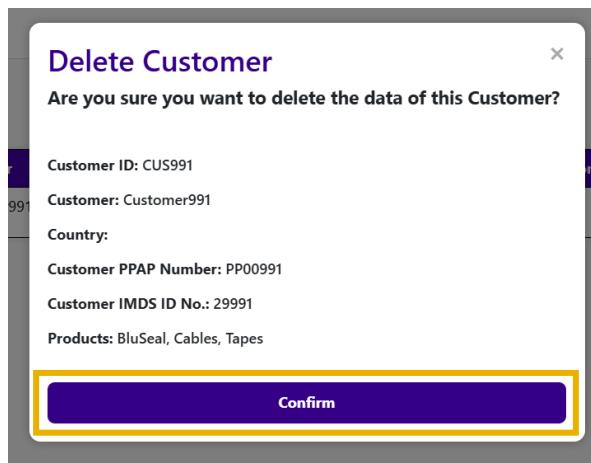

If an error is found, review section *3.11.1.2 Update Errors*.

3.1.5 How to Delete a Customer.

In each register from the table, it will be a “Delete” button. You must click the “Delete” button of the register you want to delete.

		Customer ID	Customer	Country	Customer PPAP Number	Customer IMDS ID No.	Products
	Edit	Delete	CUS991	Customer991	PP00991	29991	BluSeal, Cables, Tapes

Once you click the “Delete” button, it will display the information of the selected customer with a message to confirm the delete action. To confirm the delete of the customer, you must click the “Confirm” button. It only deletes customers that don’t have registers in “Customers PN” and “PPAP’s” pages.

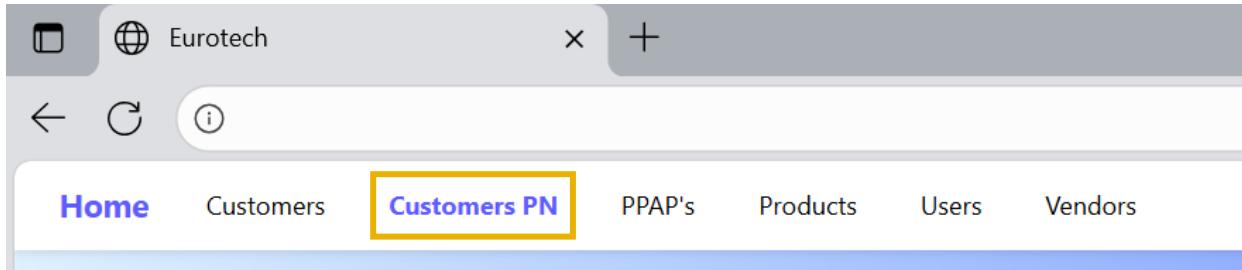

If an error is found, review section *3.11.1.3 Delete Error*.

3.2 Customers PN Tab.

3.2.1 How to Navigate to “Customers PN” View.

On the navigation bar, you can access to the “Customers PN” view.

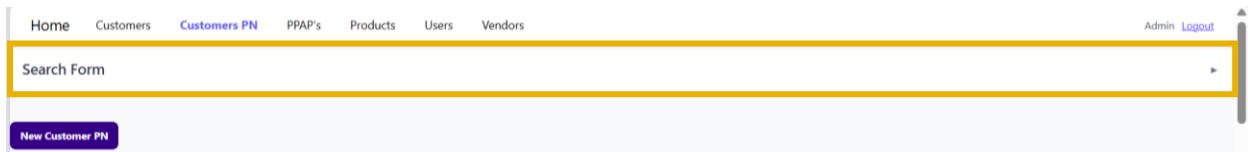

Here you can manage the registers of all the Customer PN.

		Customer PN	Customer	Country	Eurotech PN
Edit	Delete	10035139	Voltaira	Europe	8310SE-19-25-BLK
Edit	Delete	10164237-001	Amphenol FCI/TCS	Mexico	839-19-25-BLK

3.2.2 How to Search a Customer PN.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

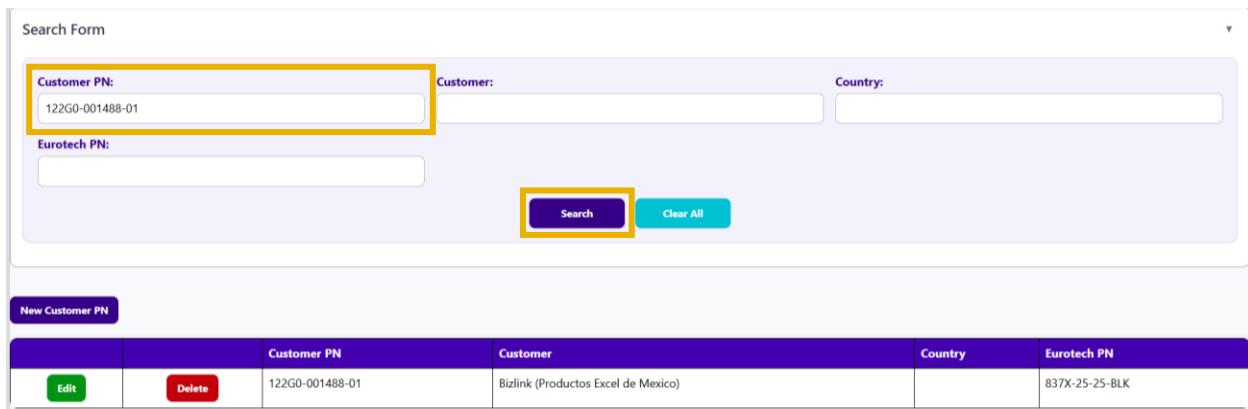

Once you click it, the “Search Form” will be display.

The search form allows you to perform searches by “Customer PN”, “Customer”, “Country” and “Eurotech PN”.

You can search by “Customer PN”, using the “Customer PN” field and clicking the “Search” button.

You can search by “Customer”, using the “Customer” field and clicking the “Search” button.

Search Form

Customer PN:	Customer:	Country:
	Bizlink (Productos Excel de Mexico)	
Eurotech PN:		
	Search	Clear All

New Customer PN

		Customer PN	Customer	Country	Eurotech PN
Edit	Delete	122G0-001488-01	Bizlink (Productos Excel de Mexico)		837X-25-25-BLK
Edit	Delete	122G0-001639-01	Bizlink (Productos Excel de Mexico)		8575X-19-5-BLK
Edit	Delete	122G0-004059-01	Bizlink (Productos Excel de Mexico)		317-9-33-WHT
Edit	Delete	122GO-002704-01	Bizlink (Productos Excel de Mexico)		834MPX-19-5-BLK

You can search by “Country”, using the “Country” field and clicking the “Search” button.

Search Form

Customer PN:	Customer:	Country:
		Europe
Eurotech PN:		
	Search	Clear All

New Customer PN

		Customer PN	Customer	Country	Eurotech PN
Edit	Delete	10035139	Voltaira	Europe	8310SE-19-25-BLK
Edit	Delete	110010645A	Cooper Standard	Europe	837X-38-25-BLK
Edit	Delete	2195	Kalas Manufacturing	Europe	837X-19-25-GRY
Edit	Delete	2196	Kalas Manufacturing	Europe	838X-19-66-GRY
Edit	Delete	8375X-ORANGE	Empire Electronics	Europe	8375X-19-25-ORG
Edit	Delete	CHT8551BK-354	Textape	Europe	8551-9-25-BLK
Edit	Delete	F2624100	Lear FII	Europe	P000042

You can search by “Eurotech PN”, using the “Eurotech PN” field and clicking the “Search” button.

The screenshot shows a search interface with a "Search Form" at the top. It includes fields for "Customer PN", "Customer", and "Country". Below the form is a table titled "New Customer PN" with columns: Customer PN, Customer, Country, and Eurotech PN. The table contains three rows of data. The "Eurotech PN" field in the search form and the "Search" button are highlighted with yellow boxes.

New Customer PN					
		Customer PN	Customer	Country	Eurotech PN
Edit	Delete	138950	CVG (Commercial Vehicle Group)	Mexico	832MPX-19-15-BLK
Edit	Delete	162844	GG Cables & Wires	Mexico	832MPX-19-15-BLK
Edit	Delete	40021860	SEWS (Sumitomo Electric Wiring Systems)	Mexico	832MPX-19-15-BLK

And with the “Clear All” button, you can clean the querying and see all the registers of the Customer PN.

The screenshot shows the same search interface after clearing the search criteria. The "Customer PN" field now contains "138950", the "Customer" field contains "CVG (Commercial Vehicle Group)", and the "Country" field contains "Mexico". The "Clear All" button is highlighted with a yellow box. Below the form is the same "New Customer PN" table, which now only shows the single row for Customer PN 138950.

New Customer PN					
		Customer PN	Customer	Country	Eurotech PN
Edit	Delete	138950	CVG (Commercial Vehicle Group)	Mexico	832MPX-19-15-BLK

Once you click the “Clear All” button, the fields of the “Search Form” will be empty, and in the table will be shown all the Customers PN.

The screenshot shows a software application window. At the top left is a "Search Form" section with three input fields: "Customer PN:", "Customer:", and "Country:". Below this is a "Eurotech PN:" input field. At the bottom of the search form are two buttons: "Search" (dark blue) and "Clear All" (light blue). Below the search form is a table titled "New Customer PN". The table has columns: Customer PN, Customer, Country, and Eurotech PN. Each row contains a green "Edit" button and a red "Delete" button. The data in the table is as follows:

	Customer PN	Customer	Country	Eurotech PN
Edit	Delete	10035139	Voltaira	8310SE-19-25-BLK
Edit	Delete	10164237-001	Amphenol FCI/TCS	839-19-25-BLK
Edit	Delete	10173694-001	Amphenol FCI/TCS	837X-19-25-ORG
Edit	Delete	10173843-001	Amphenol FCI/TCS	837X-19-25-BLK
Edit	Delete	108250	GG Cables & Wires	880-19-15-BLK
Edit	Delete	110010645A	Cooper Standard	837X-38-25-BLK
Edit	Delete	122G0-001488-01	Rizlink (Productos Fyval de Mexico)	837X-25-25-BLK

3.2.3 How to Add a New Customer PN.

If you want to add a new Customer PN, you must click the “New Customer PN” button that is below the “Search Form”.

The screenshot shows a software application window with a navigation bar at the top. The "Customers PN" item in the navigation bar is highlighted in blue. Below the navigation bar is a "Search Form" section. At the bottom of the search form is a blue button with white text that says "New Customer PN". This button is highlighted with a yellow rectangular border.

Once you click the “New Customer PN” button, it will display a data entry to create a new Customer PN.

The screenshot shows a modal dialog titled "Register New Customer PN". Inside the dialog, there are four input fields:

- * Customer PN: (Mandatory)
- * Customer: (Mandatory)
- Country: (Non-mandatory)
- * Eurotech PN: (Mandatory)

A blue arrow points from a callout labeled "Non-mandatory field" to the "Country" field. Another blue arrow points from a callout labeled "Mandatory fields" to the other three fields.

If you want to save the register of a new Customer PN, you must click the “Save” button.

The screenshot shows the same modal dialog as before, but now all four fields have been filled:

- * Customer PN: 10021707
- * Customer: Voltaira
- Country: Europe
- * Eurotech PN: 837X-25-25-BLK

The "Save" button at the bottom is highlighted with a yellow border.

If no errors are found, the register will be added successfully.

		Customer PN	Customer	Country	Eurotech PN
<button>Edit</button>	<button>Delete</button>	10021707	Voltaira	Europe	837X-25-25-BLK

If an error is found, review section 3.11.2.1 *Data Entry Errors*.

3.2.4 How to Edit Information of a Customer PN.

In each register from the table, it will be an “Edit” button. You must click the “Edit” button of the register you want to update.

	Edit		Customer PN	Customer	Country	Eurotech PN
		Delete	10021707	Voltaira	Europe	837X-25-25-BLK

Once you click the “Edit” button, it will display an update form to edit the information of the selected Customer PN.

Update Customer PN

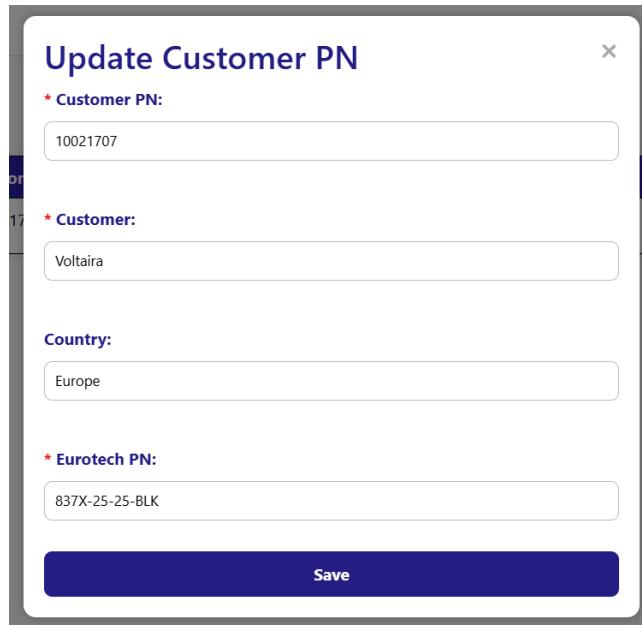

* Customer PN:
10021707

* Customer:
Voltaira

Country:
Europe

* Eurotech PN:
837X-25-25-BLK

Save

To save the changes, you must click the “Save” button.

Update Customer PN

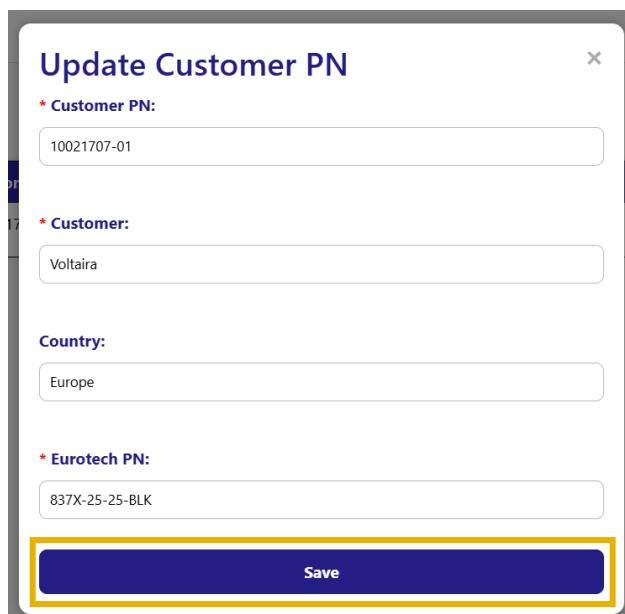

* Customer PN:
10021707-01

* Customer:
Voltaira

Country:
Europe

* Eurotech PN:
837X-25-25-BLK

Save

If no errors are found, the register will be updated successfully.

		Customer PN	Customer	Country	Eurotech PN
<button>Edit</button>	<button>Delete</button>	10021707-01	Voltaira	Europe	837X-25-25-BLK

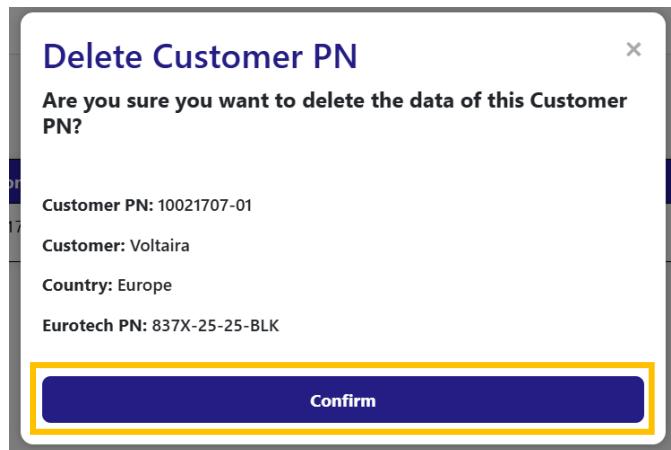

If an error is found, review section *3.11.2.2 Update Errors*.

3.2.5 How to Delete a Customer PN.

In each register from the table, it will be a “Delete” button. You must click the “Delete” button of the register you want to delete.

		Customer PN	Customer	Country	Eurotech PN
<button>Edit</button>	<button>Delete</button>	10021707-01	Voltaira	Europe	837X-25-25-BLK

Once you click the “Delete” button, it will display the information of the selected Customer PN with a message to confirm the delete action. To confirm the delete of the Customer PN, you must click the “Confirm” button. It only deletes Customers PN that don't have registers in “PPAP's” page.

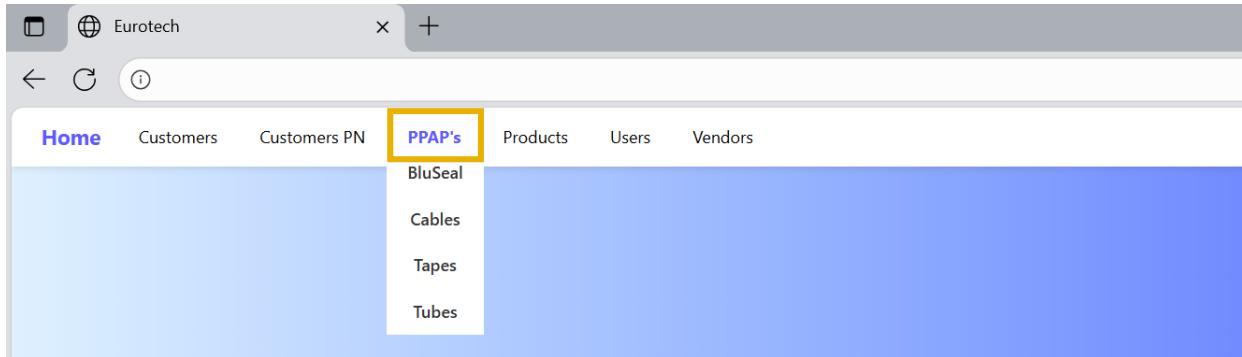

If an error is found, review section *3.11.2.3 Delete Error*.

3.3 PPAP's Tab.

3.3.1 How to Navigate to “PPAP’s” View.

On the navigation bar, you can access to the “PPAP’s” view.

Here you can manage the registers of all the PPAPs of all the products.

A screenshot of the PPAPs management interface. At the top, there are buttons for "New PPAP", "Export table to Excel", and "Report". The main area is a table with the following columns: Days to Submit, PPAP Number, PPAP Req'd by Customer, PPAP Requested to Vendor, Current Status, Vendor, Supplier PN, OEM, Customer, Country, Customer PN, ET Model, ET Dwg, Rev, ET PN, and Description. Each row contains three action buttons: "Edit" (green), "Delete" (red), and "Copy" (yellow).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description

			-28	PP00064-0003	24/Oct/2025	25/Aug/2025		Coroplast Tape Corporation	156030	GM	Voltaira	Mexico	10035139				8310SE-19-25-BLK	Coroplast 8310 SE PE Cloth Wov

3.3.2 How to Search a PPAP.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

The screenshot shows a navigation bar at the top with links: Home, Customers, Customers PN, **PPAP's**, Products, Users, Vendors. On the right, it says Admin Logout. Below the navigation bar is a section titled "Search Form" with three buttons: New PPAP (blue), Export table to Excel (green), and Report (yellow).

Once you click it, the “Search Form” will be display.

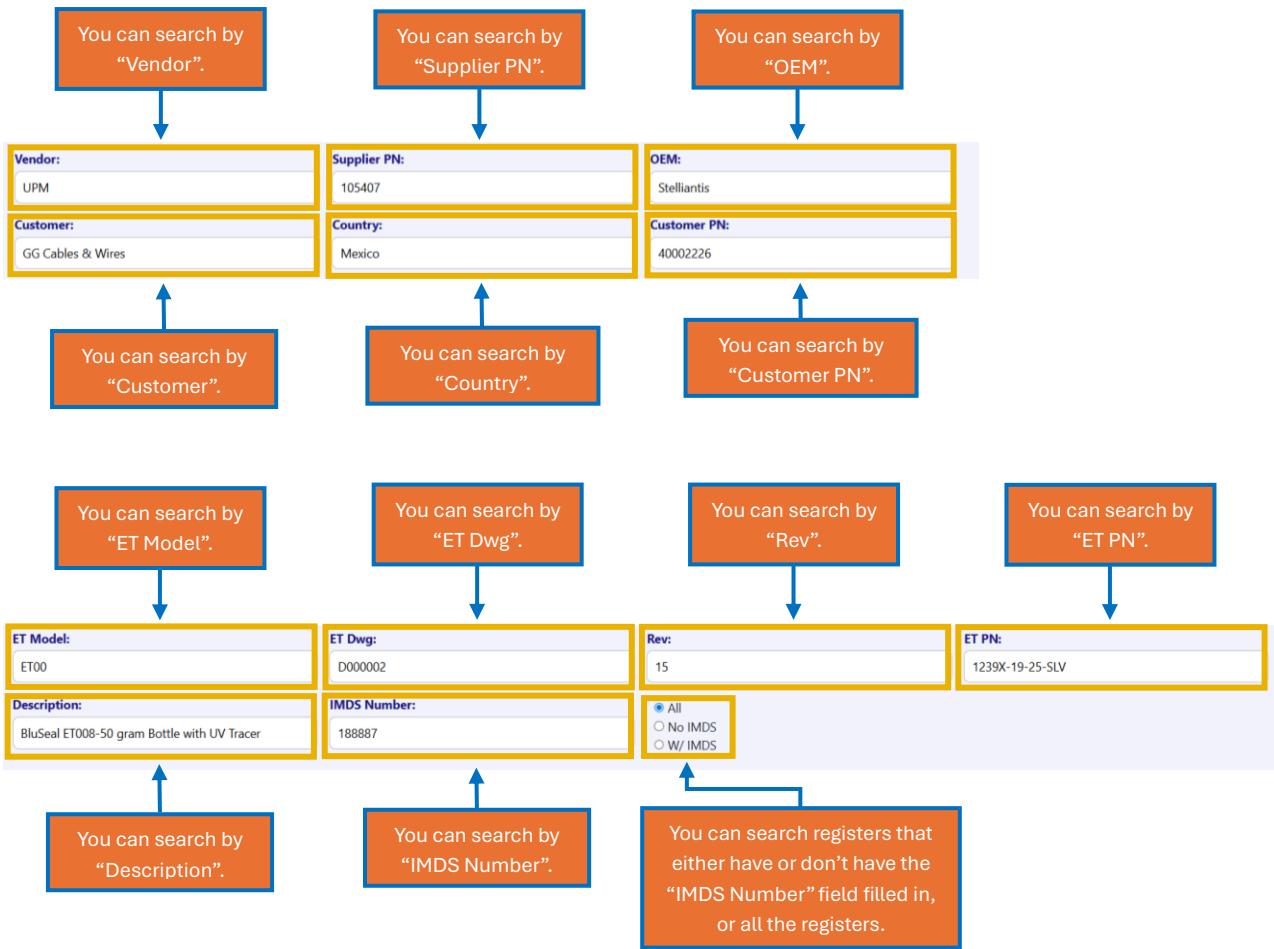

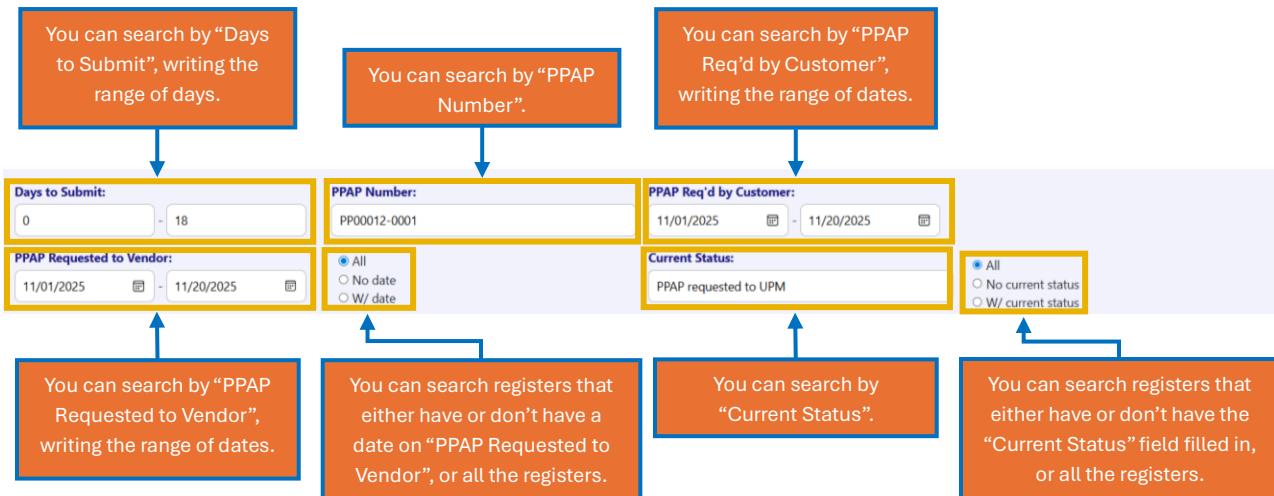

The "Search Form" dialog box contains the following fields:

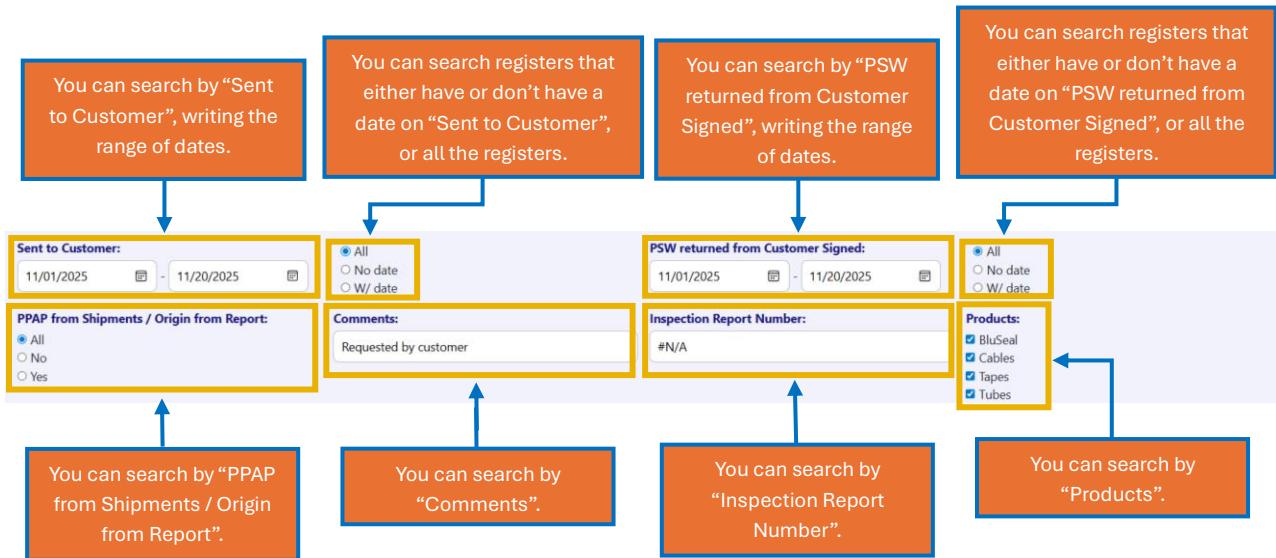

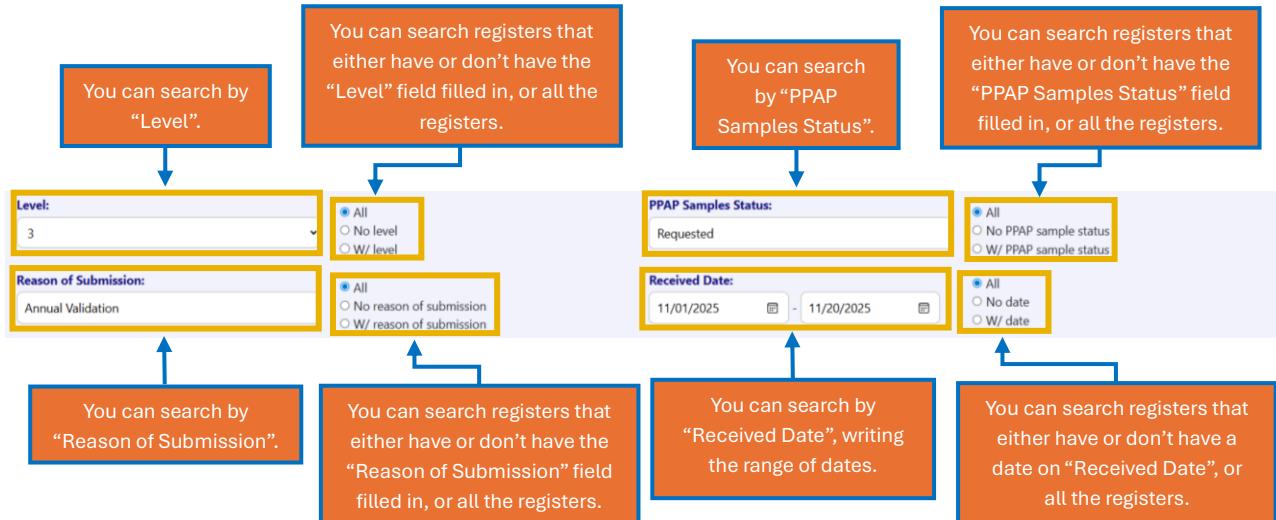

- Days to Submit:** Two date input fields.
- PPAP Number:** Text input field.
- PPAP Req'd by Customer:** Date range input fields.
- Current Status:** Radio buttons: All, No current status, C/W current status.
- Vendor:** Text input field.
- Supplier PN:** Text input field.
- OEM:** Text input field.
- Customer:** Text input field.
- Country:** Text input field.
- Customer PN:** Text input field.
- ET Model:** Text input field.
- ET Dwg:** Text input field.
- Rev:** Text input field.
- ET PN:** Text input field.
- Description:** Text input field.
- IMDS Number:** Text input field.
- Level:** Radio buttons: All, No level, W/ level.
- PPAP Samples Status:** Radio buttons: All, No PPAP sample status, C/W PPAP sample status.
- Reason of Submission:** Radio buttons: All, No reason of submission, W/ reason of submission.
- Sent to Customer:** Date range input fields.
- PPAP Samples Status:** Radio buttons: All, No PPAP sample status, C/W PPAP sample status.
- Received Date:** Date range input fields.
- PSW returned from Customer Signed:** Date range input fields.
- Comments:** Text input field.
- Inspection Report Number:** Text input field.
- Products:** Checkboxes: Blue Seal, Cables, Tapes, Tubes.

At the bottom are two buttons: **Search** (dark blue) and **Clear All** (light blue).

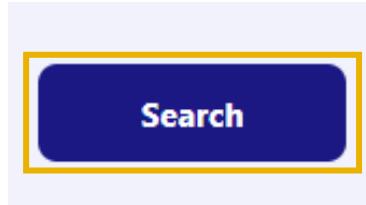

The search form allows you to perform searches by:

- Days to Submit
- PPAP Number
- PPAP Req'd by Customer
- PPAP Requested to Vendor
- Current Status
- Vendor
- Supplier PN
- OEM
- Customer
- Country
- Customer PN
- ET Model
- ET Dwg
- Rev
- Eurotech PN
- Description
- IMDS Number
- Level
- PPAP Samples Status
- Reason of Submission
- Received Date
- Sent to Customer
- PSW returned from Customer Signed
- PPAP from Shipments / Origin from Report
- Comments
- Inspection Report Number
- Products

You must click the "Search" button after you fill any of the fields of the "Search Form" to make the search.

This is an example of how the table would look like after a search (to know the meaning of the colors of the registers you can check in the Index the instruction *3.3.3 Meaning of the Colors of the Registers*).

And with the “Clear All” button, you can clean the querying and see all the registers of the PPAPs.

Days to Submit:	PPAP Number:	PPAP Req'd by Customer:

3.3.4 How to Add a New PPAP.

If you want to add a new PPAP, you must click the “New PPAP” button that is below the “Search Form”.

The screenshot shows a navigation bar with links: Home, Customers, Customers PN, PPAP's (highlighted in blue), Products, Users, and Vendors. Below this is a search form titled "Search Form". At the bottom of the search form are three buttons: "New PPAP" (highlighted with a yellow border), "Export table to Excel", and "Report".

Once you click the “New PPAP” button, it will display a data entry to create a new PPAP.

The screenshot shows a data entry form titled "Register New PPAP". The form contains the following fields:

- * Customer: (Mandatory)
- Country: (Non-mandatory)
- * Customer PN: (Mandatory)
- * ET PN: (Mandatory)
- * Description: (Mandatory)
- * PPAP Req'd by Customer: (Mandatory)
- PPAP Number: (Non-mandatory)
- Current Status: (Non-mandatory)
- PPAP Requested to Vendor: (Mandatory)
- Vendor: (Non-mandatory)
- Supplier PN: (Non-mandatory)
- OEM: (Non-mandatory)

Annotations on the left side of the form identify fields as either "Mandatory fields" or "Non-mandatory field".

Field Type	Fields
Mandatory fields	* Customer, * Customer PN, * ET PN, * Description, * PPAP Req'd by Customer, PPAP Requested to Vendor
Non-mandatory field	Country, Description, PPAP Number, Current Status, Vendor, Supplier PN, OEM

Non-mandatory field

Rev:

IMDS Number:

Level:

PPAP Samples Status:

Reason of Submission:

Received Date: mm/dd/yyyy

Sent to Customer: mm/dd/yyyy

PSW returned from Customer Signed: mm/dd/yyyy

PPAP from Shipments / Origin from Report:

No

Yes

Comments:

Inspection Report Number:

Save

The diagram illustrates a user interface for a form. A box labeled "Non-mandatory field" is highlighted in orange. Blue arrows point from this box to several input fields: Rev:, IMDS Number:, Level:, PPAP Samples Status:, Reason of Submission:, Received Date:, Sent to Customer:, PSW returned from Customer Signed:, and Inspection Report Number:. The "Non-mandatory field" is positioned on the left side of the page, while the form fields are on the right.

If you want to save the register of a new PPAP, you must click the “Save” button.

Register New PPAP

* Customer: SEWS (Sumitomo Electric Wiring Systems)

Country: Mexico

* Customer PN: 40193540

* ET PN: 505-19-25 BLK

* Description: Coroplast 505 Modified PP film tape BLACK 19MM x 25M

* PPAP Req'd by Customer: 11/20/2025

PPAP Number: PP00026 0001

You can do the modifications you need to the information and use the “Save” button to save the new register.

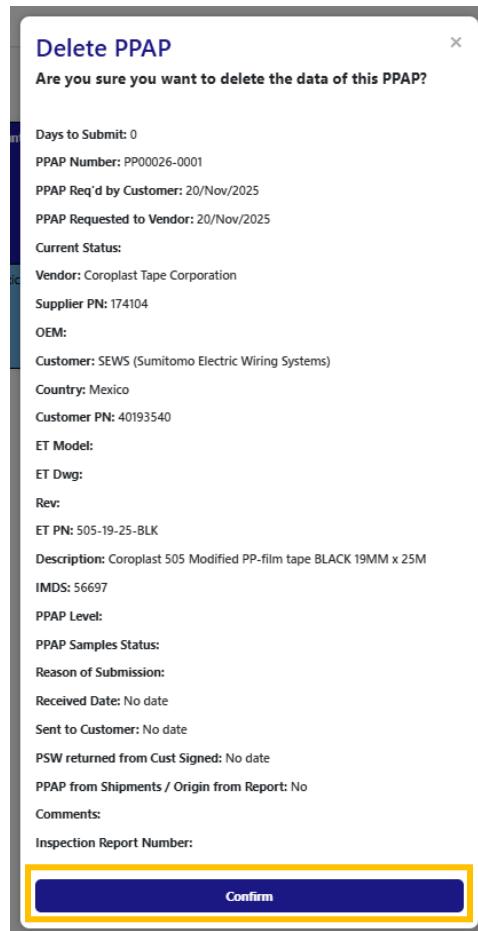

3.3.7 How to Delete a PPAP.

In each register from the table, it will be a “Delete” button. You must click the “Delete” button of the register you want to delete.

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET
			0	PP00026-0001	20/Nov/2025	20/Nov/2025		Coroplast Tape Corporation (Coroplast)	174104	SEWS (Sumitomo Electric Wiring Systems)	Mexico	40193540					505-19-25-BLK	Coroplast 505 Modified PP-film tape BLACK 19MM x 25M	505	19	25	BLK	56697					

Once you click the “Delete” button, it will display the information of the selected PPAP with a message to confirm the delete action. To confirm the delete of the PPAP, you must click the “Confirm” button.

3.3.8 How to Automatically Create the Renewal for a PPAP.

When a PPAP is registered or updated, and the "Sent to Customer" field is filled in, it also creates the register for the following year's renewal, putting the date of "Sent to Customer" in the "PPAP Req'd by Customer" field, adding 10 more months.

Update PPAP

* Customer:
SEWS (Sumitomo Electric Wiring Systems)

Country:
Mexico

* Customer PN:
40193540

* ET PN:
505-19-25-BLK

* Description:
Copoplast 505 Modified PP-film tape BLACK 19MM x 25M

* PPAP Req'd by Customer:

3.3.9 Duplicating Register Alert.

If you were trying to register a new PPAP and it shows you a message with the title “Duplicating Register”, is not an error. The page is trying to prevent duplicate registers by verifying if there is another register in which the fields “Customer”, “Country”, “Customer PN” and “ET PN” match with the data of the new PPAP and its dates are between 10 months before the “PPAP Req'd by Customer” date of the new PPAP and that same date, or if there is a future renewal register that already exists, it will show its renewal date, and it will ask you if you are sure to register the PPAP.

This is an example of the “Duplicating Register” alert:

Once you are sure to register the PPAP, you must click the “Confirm” button.

3.3.10 How to Check the “PPAP ET” & “IMDS ET” of a BluSeal PPAP.

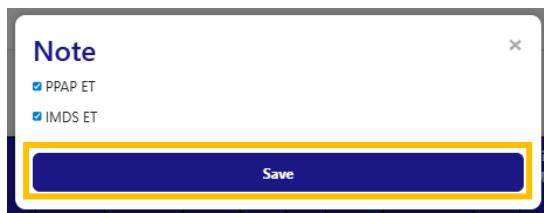

To check the “PPAP ET” and “IMDS ET” of a BluSeal PPAP, you must click the “Note” button that is in the “PPAP ET & IMDS ET / PSW ET & IMDS ET” field (the button only appears on registers that have a date in the “Received Date” field).

		Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET	Sent to Customer	PPAP from Shipment / Origin from Report
Edit	Delete	Copy	?																										
			PP0037-0001		18/Nov/2025			Toozosei (TGA)	CE6039		CientePrueba		12345				ET008-50	BluSeal ET008-50 gram Bottle with UV Tracer					2			21/Nov/2025	Note		

Once you click the “Note” button, it will display a note to check/uncheck the “PPAP ET” and “IMDS ET”.

Once you finish to check the fields you need, you must click the “Save” button to save the changes.

3.3.11 How to Check the “PSW ET” & “IMDS ET” of a Cable PPAP.

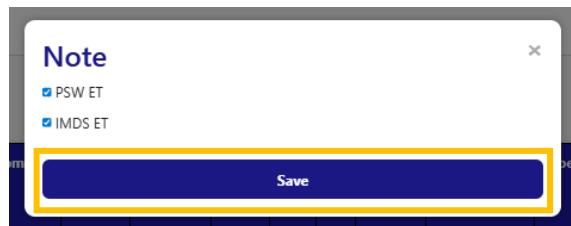

To check the “PSW ET” and “IMDS ET” of a Cable PPAP, you must click the “Note” button that is in the “PPAP ET & IMDS ET / PSW ET & IMDS ET” field (the button only appears on registers that have a date in the “Received Date” field).

		Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET	Sent to Customer	PPAP from Shipment / Origin from Report

			PP0037-0001		18/Nov/2025			Confex (Confex)	171953	CVG (Commercial Vehicle Group)	Mexico	163497				P500000	Corrflex 0-2452/H2G 500mm²/0.21-0KG				132984				19/Nov/2025	Note			

Once you click the “Note” button, it will display a note to check/uncheck the “PSW ET” and “IMDS ET”.

Once you finish to check the fields you need, you must click the “Save” button to save the changes.

3.3.12 How to Export the Information of the Matrix to an Excel Document.

To export the table to an Excel document, you must click the “Export table to Excel” button.

A screenshot of a web application interface. At the top is a horizontal navigation bar with links: Home, Customers, Customers PN, PPAP's (highlighted in blue), Products, Users, and Vendors. Below this is a section titled "Search Form". At the bottom of this section are three buttons: "New PPAP" (dark blue), "Export table to Excel" (green, with a yellow border around it), and "Report" (yellow).

Once you click the “Export table to Excel” button, it will start to download the Excel document with the name “PPAPs_Matrix.xls”.

3.4.2 How to Search a PPAP.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

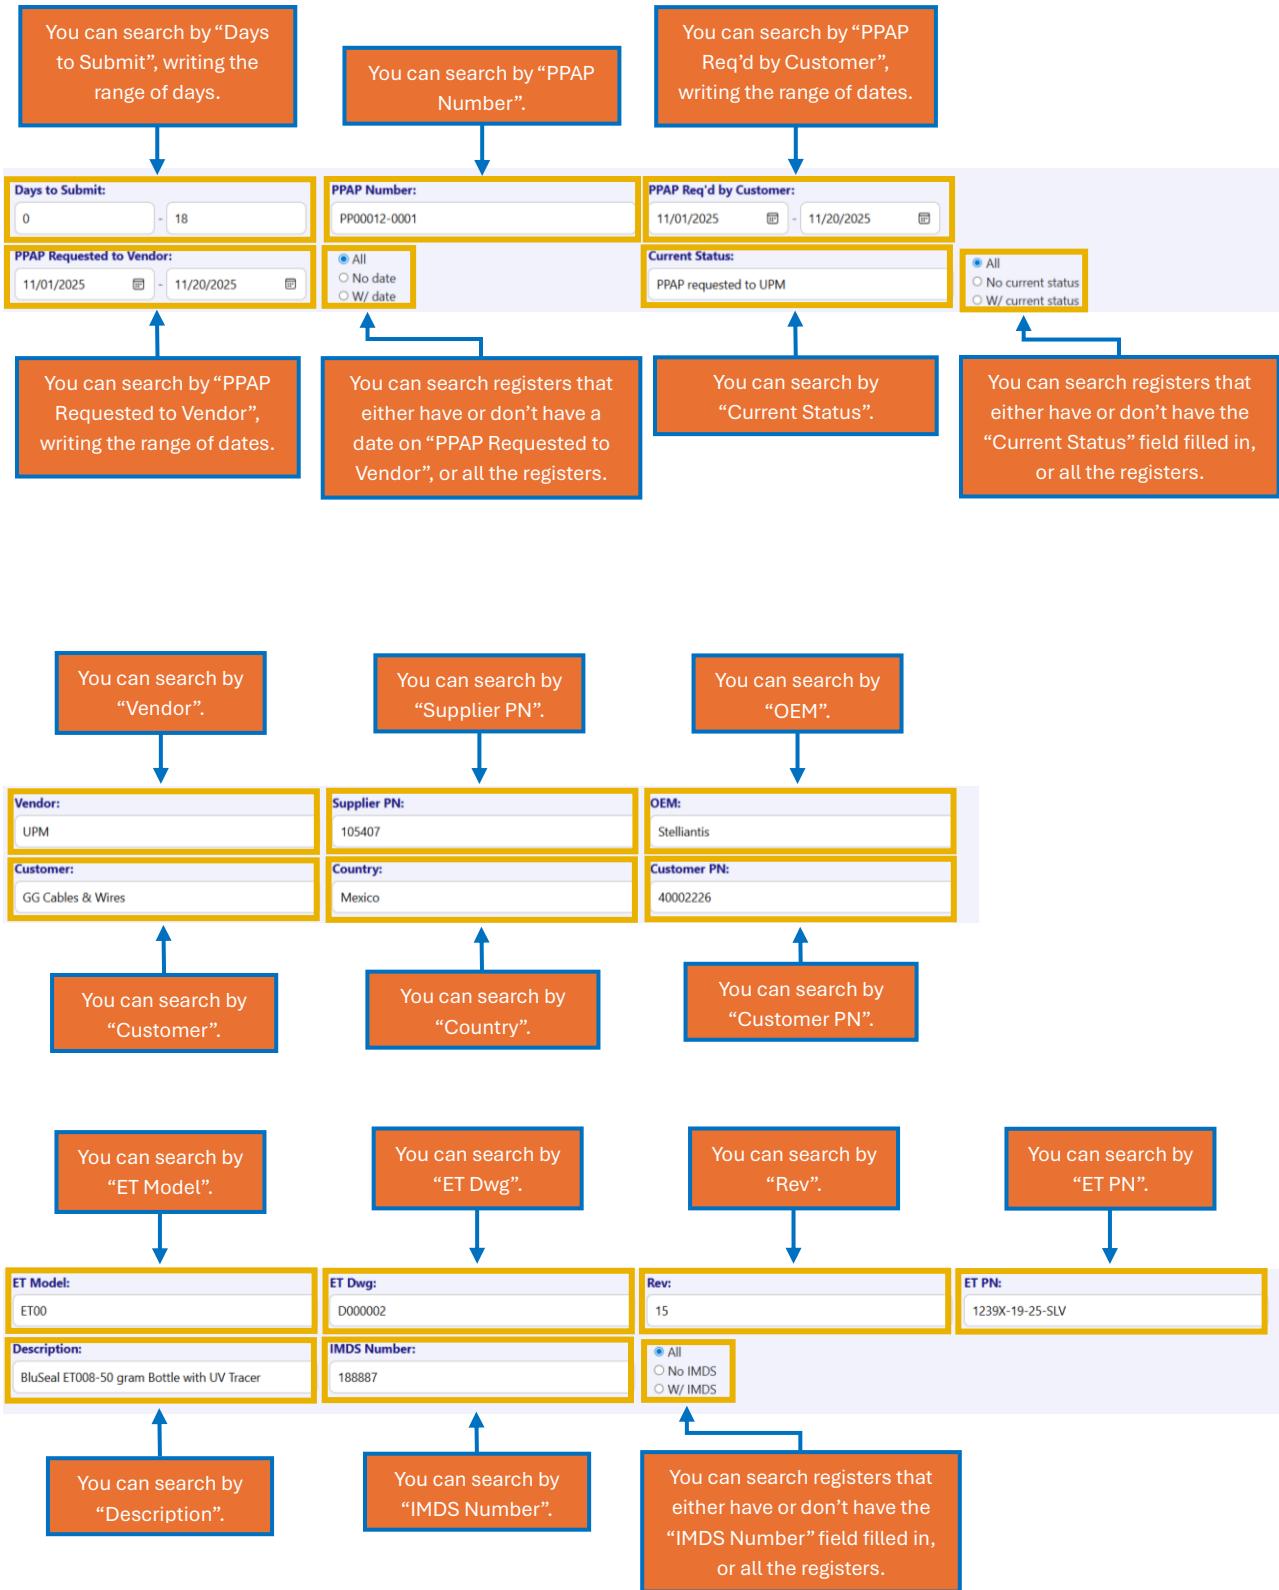

The screenshot shows a navigation bar with links: Home, Customers, Customers PN, PPAP's, Products, Users, Vendors, Admin, and Logout. Below the navigation bar is a search form area with a yellow border around the "Search Form" button. At the bottom of this area are three buttons: "New PPAP" (blue), "Export table to Excel" (green), and "Report" (yellow).

Once you click it, the “Search Form” will be display.

The screenshot shows a detailed search form dialog box. It includes fields for Days to Submit, PPAP Number, PPAP Req'd by Customer, Current Status, Vendor, Supplier PN, OEM, Customer, Country, Customer PN, ET Model, ET Dwg, Rev, ET PN, Description, IMDS Number, Level, PPAP Samples Status, Reason of Submission, Received Date, PSW returned from Customer Signed, Sent to Customer, Comments, Inspection Report Number, and PPAP from Shipments / Origin from Report. Each field has associated dropdown menus and radio buttons for filtering options like "All", "No level", "W/ date", etc.

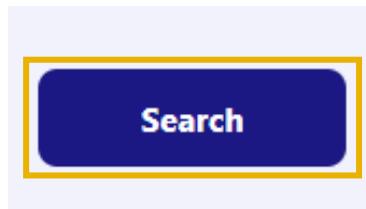

The search form allows you to perform searches by:

- Days to Submit
- PPAP Number
- PPAP Req'd by Customer
- PPAP Requested to Vendor
- Current Status
- Vendor
- Supplier PN
- OEM
- Customer
- Country
- Customer PN
- ET Model
- ET Dwg
- Rev
- Eurotech PN
- Description
- IMDS Number
- Level
- PPAP Samples Status
- Reason of Submission
- Received Date
- Sent to Customer
- PSW returned from Customer Signed
- PPAP from Shipments / Origin from Report
- Comments
- Inspection Report Number

You must click the “Search” button after you fill any of the fields of the “Search Form” to make the search.

This is an example of how the table would look like after a search (to know the meaning of the colors of the registers you can check in the Index the instruction *3.4.3 Meaning of the Colors of the Registers*).

		Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET	Sent to Customer	PSW returned from Cust Signed	PPAP from Shipments / Origin from Report
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	<input type="button" value="Copy"/>	18		12/Jul/2025	20/Jul/2025	Toagose (TGA)	CE6039	ClientePrueba		12345					ET008-50	BluSeal ET008-50 gram bottle with UV Tracer				2			20/Jul/2025	<input type="button" value="None"/>	30/Jul/2025				
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	<input type="button" value="Copy"/>	-180		30/May/2026		Toagose (TGA)	CE6039	ClientePrueba		12345					ET008-50	BluSeal ET008-50 gram bottle with UV Tracer				2		Renewal							
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	<input type="button" value="Copy"/>	19	PP00991-0001	02/Nov/2025	22/Nov/2025	Toagose (TGA)	CE6038	Customer991		A80123					ET008-500	BluSeal ET008-500 gram bottle with UV Tracer		29991	3										
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	<input type="button" value="Copy"/>	81	PP00991-0001	01/Sep/2025	21/Sep/2025	Toagose (TGA)	CE6038	Customer991		A80123					ET008-500	BluSeal ET008-500 gram bottle with UV Tracer		29991											

And with the “Clear All” button, you can clean the querying and see all the registers of the PPAPs.

3.4.3 Meaning of the Colors of the Registers.

1.- In the “Days to Submit” column there will be:

- Registers with **green** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is less than 19 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

		Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Other
Edit	Delete	Copy	18		12/Jul/2025	20/Jul/2025		Toagosei (TGA)	CE6039		ClientePrueba	1

- Registers with **yellow** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is between 19 and 29 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

		Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Other

3.4.4 How to Add a New PPAP.

If you want to add a new PPAP, you must click the “New PPAP” button that is below the “Search Form”.

The screenshot shows a web-based application for managing PPAP requests. At the top, there is a navigation bar with links: Home, Customers, Customers PN, PPAP's, Products, Users, and Vendors. Below the navigation bar is a section titled "Search Form". Inside this section, there are three buttons: "New PPAP" (highlighted with a yellow border), "Export table to Excel", and "Report".

Once you click the “New PPAP” button, it will display a data entry to create a new PPAP.

The screenshot shows a data entry form titled "Register New PPAP". The form contains the following fields:

- * Customer: (Mandatory)
- Country: (Non-mandatory)
- * Customer PN: (Mandatory)
- * ET PN: (Mandatory)
- * Description: (Mandatory)
- * PPAP Req'd by Customer: (Mandatory)
- PPAP Number: (Non-mandatory)
- Current Status: (Non-mandatory)
- PPAP Requested to Vendor: (Mandatory)
- Vendor: (Non-mandatory)
- Supplier PN: (Non-mandatory)
- OEM: (Non-mandatory)

A blue bracket on the left side groups the first four fields as "Non-mandatory field". A blue bracket on the right side groups the last five fields as "Mandatory fields".

Non-mandatory field

Save

The diagram illustrates a user interface for a form. A box labeled "Non-mandatory field" is highlighted in orange. Blue arrows point from this box to several input fields: Rev:, IMDS Number:, Level:, PPAP Samples Status:, Reason of Submission:, Received Date:, Sent to Customer:, PSW returned from Customer Signed:, and Inspection Report Number:. The "Non-mandatory field" box is positioned to the left of the first input field, and the arrows originate from its right edge, pointing towards the corresponding form elements.

If you want to save the register of a new PPAP, you must click the “Save” button.

Once you click the “Delete” button, it will display the information of the selected PPAP with a message to confirm the delete action. To confirm the delete of the PPAP, you must click the “Confirm” button.

3.4.8 How to Automatically Create the Renewal for a PPAP.

When a PPAP is registered or updated, and the "Sent to Customer" field is filled in, it also creates the register for the following year's renewal, putting the date of "Sent to Customer" in the "PPAP Req'd by Customer" field, adding 10 more months.

Register New PPAP

3.4.9 Duplicating Register Alert.

If you were trying to register a new PPAP and it shows you a message with the title “Duplicating Register”, is not an error. The page is trying to prevent duplicate registers by verifying if there is another register in which the fields “Customer”, “Country”, “Customer PN” and “ET PN” match with the data of the new PPAP and its dates are between 10 months before the “PPAP Req'd by Customer” date of the new PPAP and that same date, or if there is a future renewal register that already exists, it will show its renewal date, and it will ask you if you are sure to register the PPAP.

This is an example of the “Duplicating Register” alert:

Once you are sure to register the PPAP, you must click the “Confirm” button.

3.4.10 How to Check the “PPAP ET” & “IMDS ET” of a PPAP.

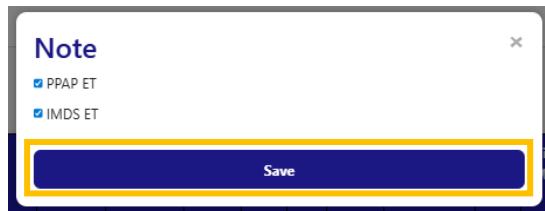

To check the “PPAP ET” and “IMDS ET” of a PPAP, you must click the “Note” button that is in the “PPAP ET & IMDS ET / PSW ET & IMDS ET” field (the button only appears on registers that have a date in the “Received Date” field).

		Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET	Sent to Customer	PSW returned from Cost Signed	PPAP from Shipments / Origin from Report	Cr
		18		12/jul/2025	20/jul/2025	Toagosei (TGA)	CE6039	ClientePrueba		12345						ET008-50	BluSeal ET008-50 gram Bottle with UV Tracer					2		20/jul/2025	Note	30/jul/2025					

Once you click the “Note” button, it will display a note to check/uncheck the “PPAP ET” and “IMDS ET”.

Once you finish to check the fields you need, you must click the “Save” button to save the changes.

3.4.11 How to Export the Information of the Matrix to an Excel Document.

To export the table to an Excel document, you must click the “Export table to Excel” button.

3.5.2 How to Search a PPAP.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

The screenshot shows a navigation bar with links: Home, Customers, Customers PN, PPAP's, Products, Users, Vendors, Admin, and Logout. Below the navigation bar is a button labeled "Search Form" which is highlighted with a yellow border. At the bottom of the screen are three buttons: "New PPAP" (blue), "Export table to Excel" (green), and "Report" (yellow).

Once you click it, the “Search Form” will be display.

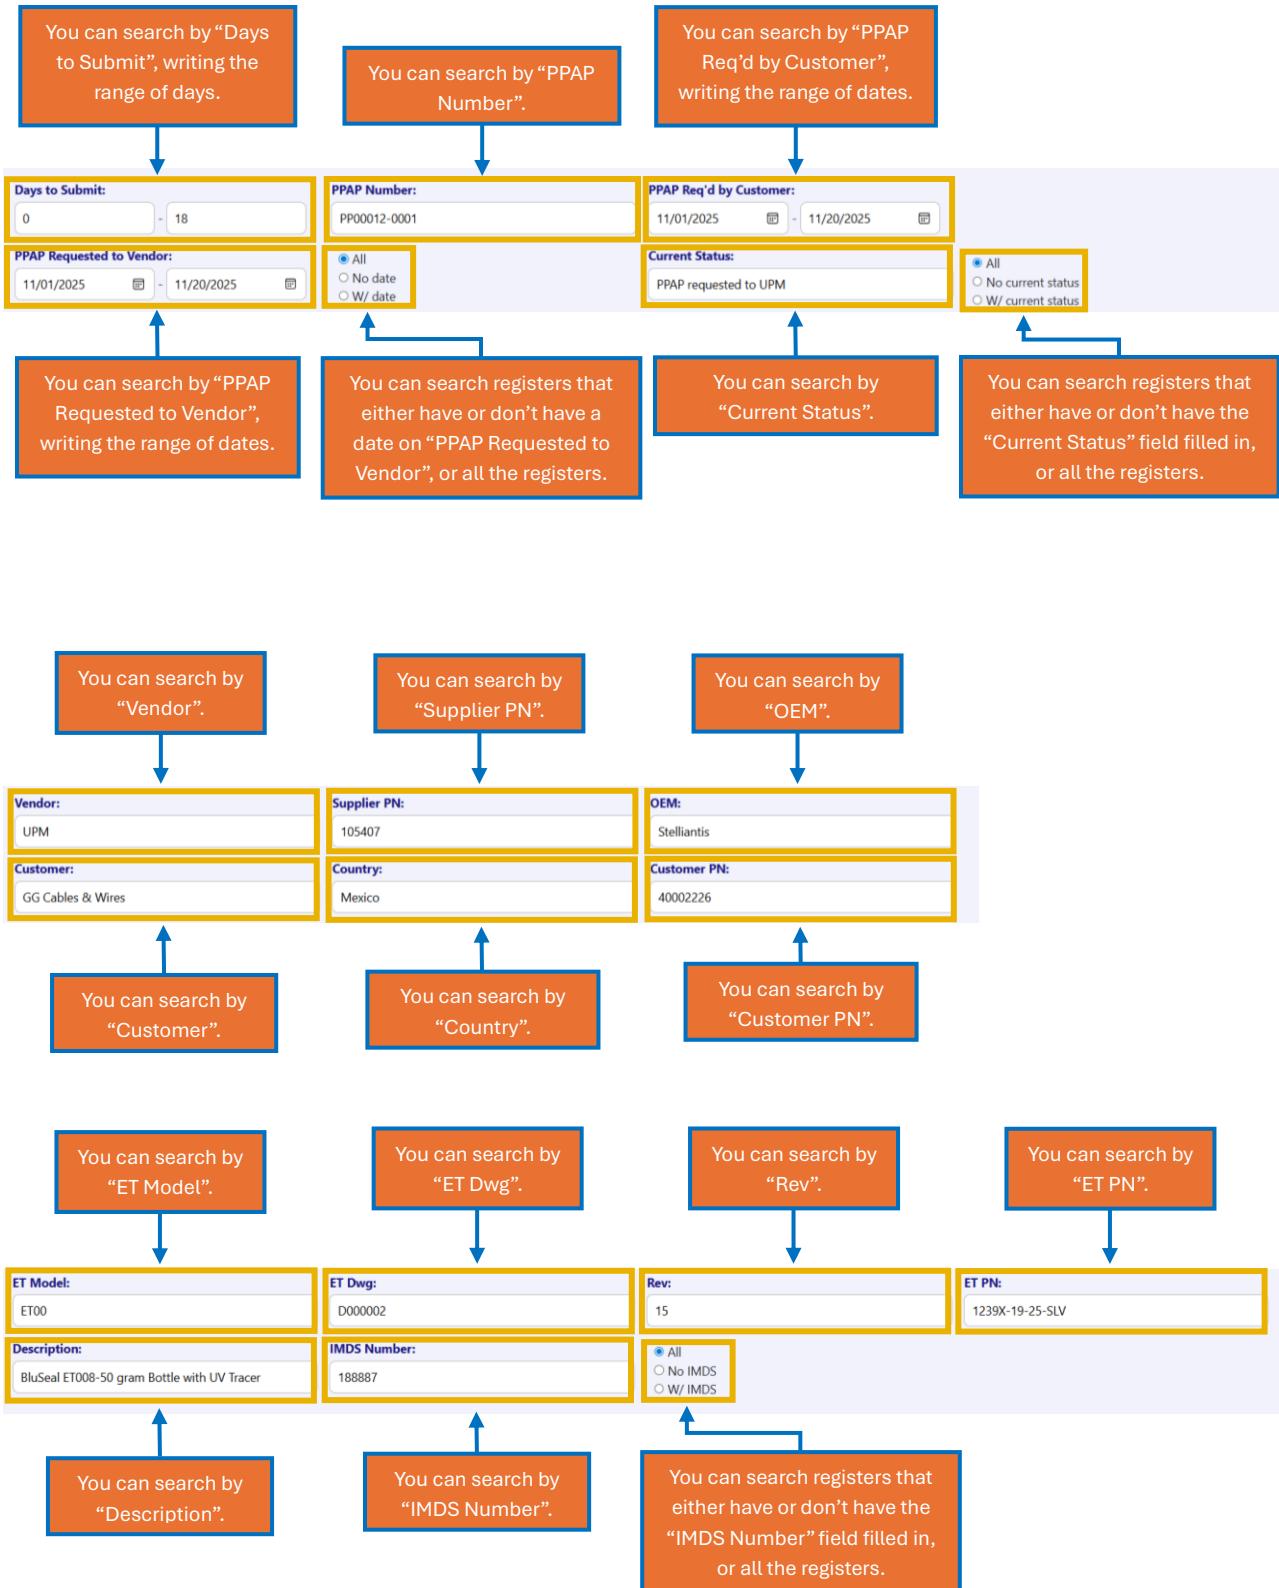

The "Search Form" dialog box contains the following search criteria fields:

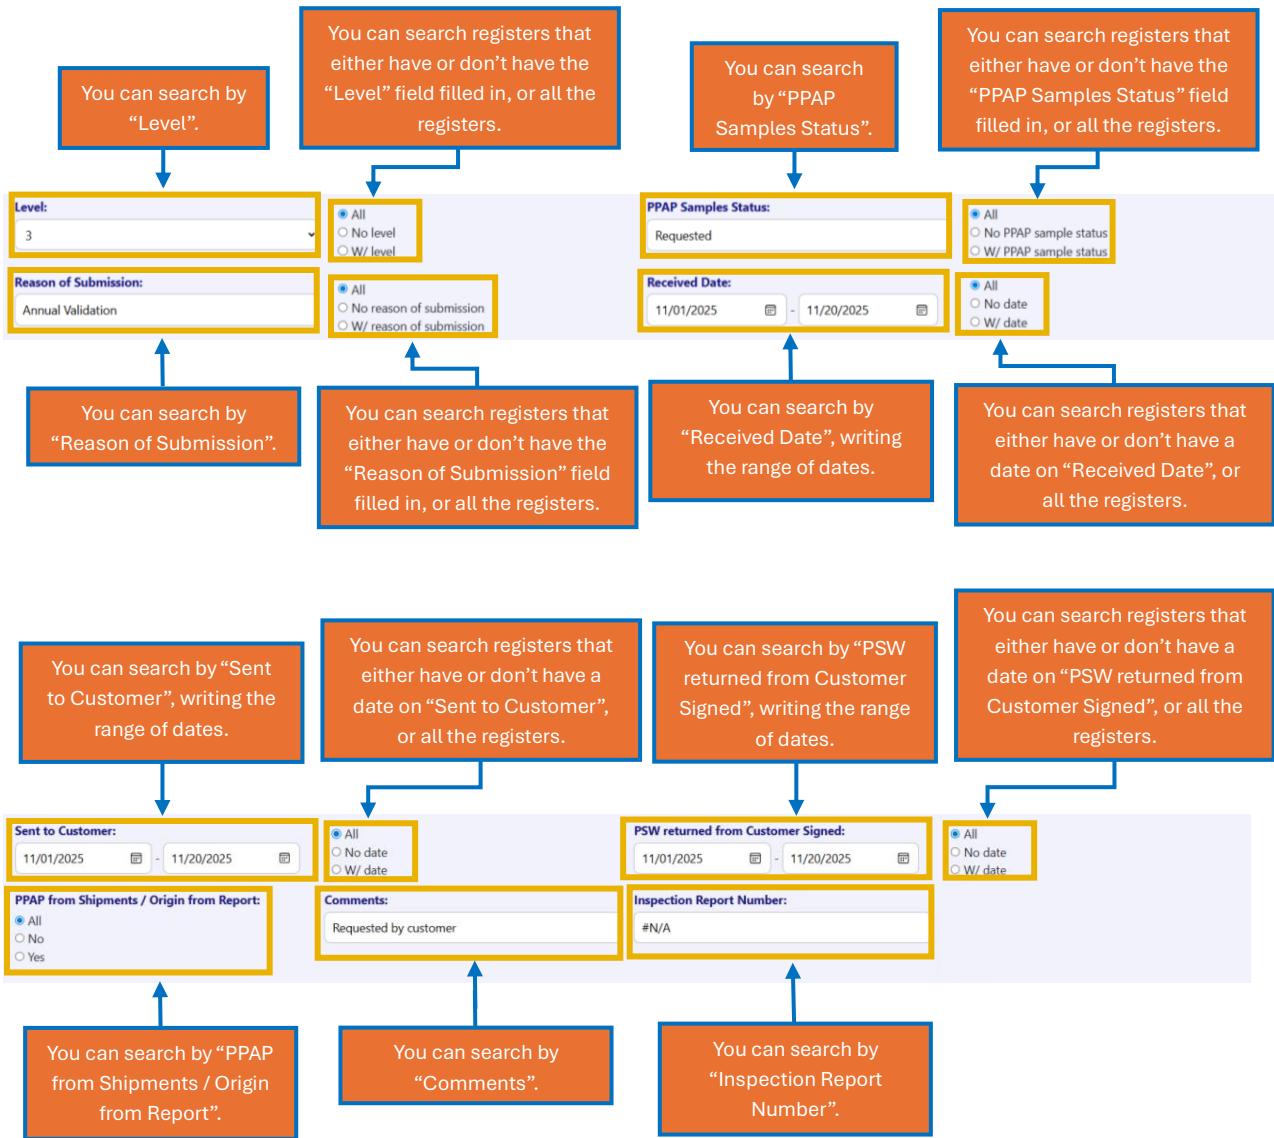

- Days to Submit: Two date input fields.
- PPAP Number: A text input field with radio buttons for All, No date, or W/ date.
- PPAP Req'd by Customer: Two date input fields with radio buttons for All, No date, or W/ date.
- Current Status: A text input field with radio buttons for All, No current status, or W/ current status.
- Vendor: A text input field.
- Supplier PN: A text input field.
- OEM: A text input field.
- Customer: A text input field.
- Country: A text input field.
- Customer PN: A text input field.
- ET Model: A text input field.
- ET Dwg: A text input field.
- Rev: A text input field.
- ET PN: A text input field.
- Description: A text input field.
- IMDS Number: A text input field with radio buttons for All, No IMDS, or W/ IMDS.
- Level: A dropdown menu with options All, No level, or W/ level.
- PPAP Samples Status: A text input field with radio buttons for All, No PPAP sample status, or W/ PPAP sample status.
- Reason of Submission: A text input field with radio buttons for All, No reason of submission, or W/ reason of submission.
- Received Date: Two date input fields with radio buttons for All, No date, or W/ date.
- Sent to Customer: Two date input fields with radio buttons for All, No date, or W/ date.
- PSW returned from Customer Signed: Two date input fields with radio buttons for All, No date, or W/ date.
- Comments: A text input field.
- Inspection Report Number: A text input field.
- PPAP from Shipments / Origin from Report: A dropdown menu with options All, No, or Yes.

At the bottom of the dialog box are two buttons: "Search" (blue) and "Close All" (cyan).

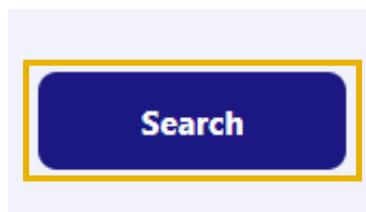

The search form allows you to perform searches by:

- Days to Submit
- PPAP Number
- PPAP Req'd by Customer
- PPAP Requested to Vendor
- Current Status
- Vendor
- Supplier PN
- OEM
- Customer
- Country
- Customer PN
- ET Model
- ET Dwg
- Rev
- Eurotech PN
- Description
- IMDS Number
- Level
- PPAP Samples Status
- Reason of Submission
- Received Date
- Sent to Customer
- PSW returned from Customer Signed
- PPAP from Shipments / Origin from Report
- Comments
- Inspection Report Number

You must click the “Search” button after you fill any of the fields of the “Search Form” to make the search.

This is an example of how the table would look like after a search (to know the meaning of the colors of the registers you can check in the Index the instruction *3.5.3 Meaning of the Colors of the Registers*).

		Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Part	Width (MM)	Length (MM)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET	Sent to Customer	PSW returned from Cust Signed	PPAP from Shipments / Origin from Report	Comments	Inspection Report Number
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	<input type="button" value="Copy"/>	1	PP0037-0001	18/Nov/2025	18/Nov/2025	Corflex (Corflex)	171953	CVG (Commercial Vehicle Group)	Mexico	163497					P000000	Corflex 9-2852-HL2G 250mm ² /0.21-ORG				132994				18/Nov/2025	<input checked="" type="checkbox"/> Note						
<input type="button" value="Edit"/>	<input type="button" value="Delete"/>	<input type="button" value="Copy"/>	150	PP0047-0001	24/Jun/2025		Corflex (Corflex)	157090	MSSL	Mexico	47045381					P000000	Corflex 9-2811-HR20/GC02G 150mm ² /0.21-ORG

3.5.3 Meaning of the Colors of the Registers.

1.- In the “Days to Submit” column there will be:

- Registers with **green** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is less than 19 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country
Edit	Delete	Copy	5	P00053-001	16/Nov/2025			Coroflex (Coroflex)	147794		PKC (Motherson)	Mexico

- Registers with **yellow** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is between 19 and 29 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country
Edit	Delete	Copy	25	P00047-001	27/Oct/2024			Coroflex (Coroflex)	157090		MSSL	Mexico

- Registers with **red** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is greater than 29 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country
Edit	Delete	Copy	150	P00047-001	24/Jun/2025			Coroflex (Coroflex)	157090		MSSL	Mexico

2.- In the rest of the columns of the registers will be:

- Registers with white background indicate that the PPAP has been requested by the customer, the request has not been sent to the vendor, and 30 days have not passed without the documentation being sent to the customer.

Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET	Sent to Customer	PSW returned from Cust Signed

3.5.4 How to Add a New PPAP.

If you want to add a new PPAP, you must click the “New PPAP” button that is below the “Search Form”.

[Home](#)
[Customers](#)
[Customers PN](#)
[PPAP's](#)
[Products](#)
[Users](#)
[Vendors](#)

Search Form

[New PPAP](#)
[Export table to Excel](#)
[Report](#)

Once you click the “New PPAP” button, it will display a data entry to create a new PPAP.

The screenshot shows a data entry form titled "Register New PPAP". The form contains the following fields:

- * Customer: (Mandatory)
- Country: (Non-mandatory)
- * Customer PN: (Mandatory)
- * ET PN: (Mandatory)
- * Description: (Mandatory)
- * PPAP Req'd by Customer: (Mandatory)
- PPAP Number: (Non-mandatory)
- Current Status: (Non-mandatory)
- PPAP Requested to Vendor: (Mandatory)
- Vendor: (Non-mandatory)
- Supplier PN: (Non-mandatory)
- OEM: (Non-mandatory)

A blue bracket on the left side groups the first four fields as "Non-mandatory field". A blue bracket on the right side groups the last five fields as "Mandatory fields".

Non-mandatory field

Rev:

IMDS Number:

Level:

PPAP Samples Status:

Reason of Submission:

Received Date: mm/dd/yyyy

Sent to Customer: mm/dd/yyyy

PSW returned from Customer Signed: mm/dd/yyyy

PPAP from Shipments / Origin from Report:

No

Yes

Comments:

Inspection Report Number:

Save

The diagram illustrates a 'Non-mandatory field' (highlighted in orange) connected by blue arrows to several input fields in a form. The fields include Rev, IMDS Number, Level, PPAP Samples Status, Reason of Submission, Received Date, Sent to Customer, PSW returned from Customer Signed, PPAP from Shipments / Origin from Report (with radio button options), Comments, and Inspection Report Number. The Save button at the bottom is also connected to the non-mandatory field.

If you want to save the register of a new PPAP, you must click the “Save” button.

Register New PPAP

3.5.9 Duplicating Register Alert.

If you were trying to register a new PPAP and it shows you a message with the title “Duplicating Register”, is not an error. The page is trying to prevent duplicate registers by verifying if there is another register in which the fields “Customer”, “Country”, “Customer PN” and “ET PN” match with the data of the new PPAP and its dates are between 10 months before the “PPAP Req'd by Customer” date of the new PPAP and that same date, or if there is a future renewal register that already exists, it will show its renewal date, and it will ask you if you are sure to register the PPAP.

This is an example of the “Duplicating Register” alert:

Once you are sure to register the PPAP, you must click the “Confirm” button.

3.5.10 How to Check the “PSW ET” & “IMDS ET” of a PPAP.

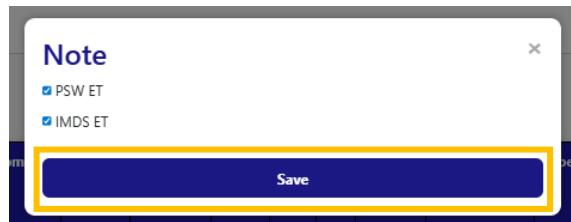

To check the “PSW ET” and “IMDS ET” of a PPAP, you must click the “Note” button that is in the “PPAP ET & IMDS ET / PSW ET & IMDS ET” field (the button only appears on registers that have a date in the “Received Date” field).

		Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested by Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET	Sent to Customer	PSW returned from Cust Signed	PPAP from Shipment / Origin from Report
		3	PP00037-0001	18/Nov/2025	18/Nov/2025	Coroflex (Coroflex)	171953	CVG (Commercial Vehicle Group)	Mexico	163497			P500000	Coroflex 9-2652 LH2G 50.0mm ² /0.21-ORG			132984				19/Nov/2022	Note								

Once you click the “Note” button, it will display a note to check/uncheck the “PSW ET” and “IMDS ET”.

Once you finish to check the fields you need, you must click the “Save” button to save the changes.

3.5.11 How to Export the Information of the Matrix to an Excel Document.

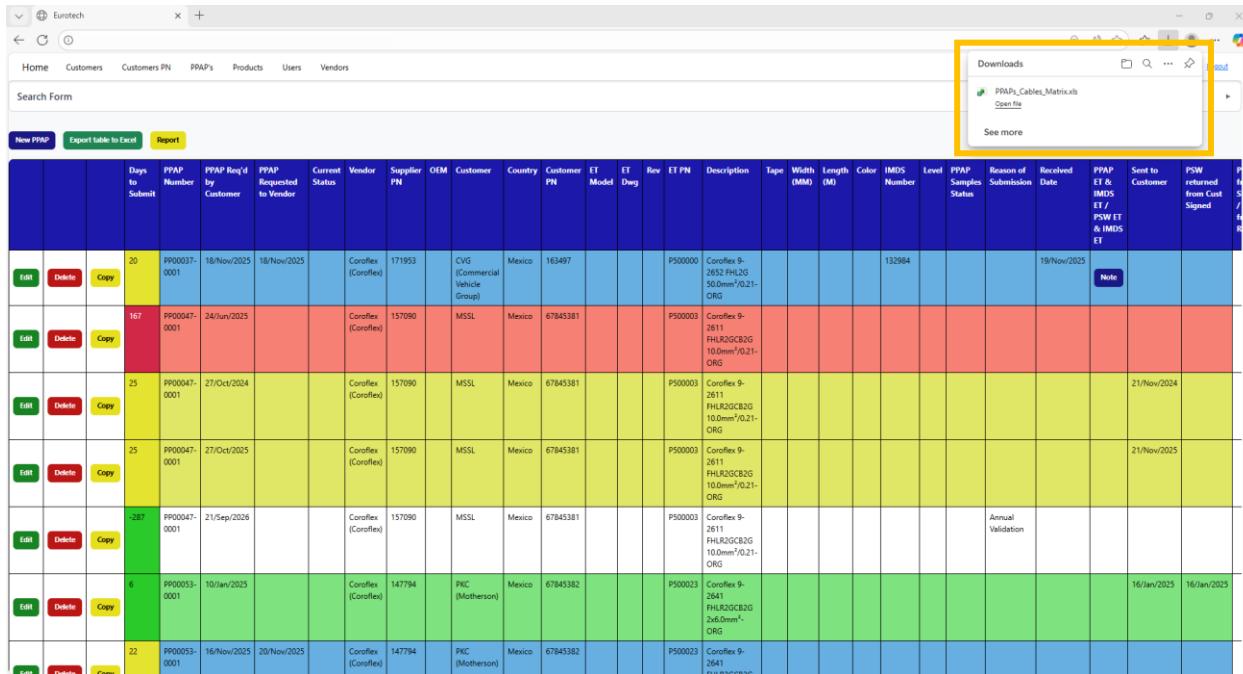

To export the table to an Excel document, you must click the “Export table to Excel” button.

[Home](#)

Search Form

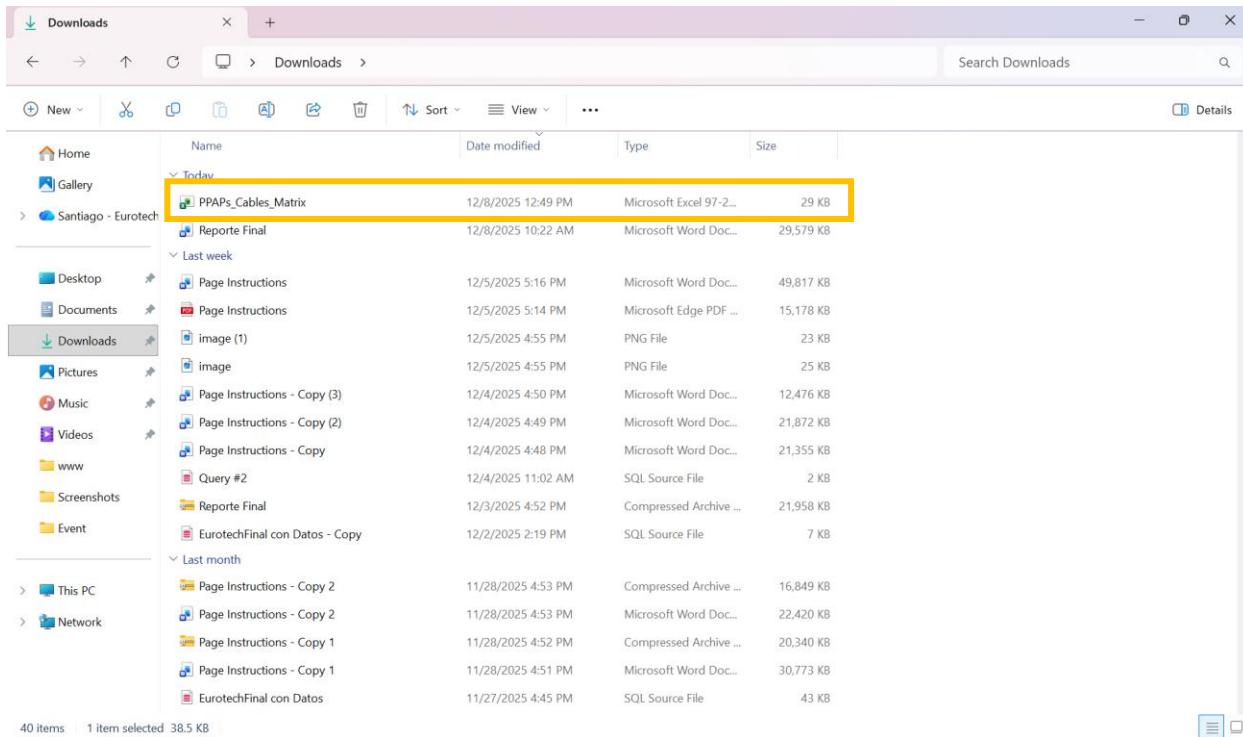

New PPAP
Export table to Excel
Report

Once you click the “Export table to Excel” button, it will start to download the Excel document with the name “PPAPs_Cables_Matrix.xls”.

The screenshot shows a software interface for managing PPAPs. At the top, there's a navigation bar with links like Home, Customers, Customers PN, PPAPs, Products, Users, and Vendors. Below the navigation is a search form. In the center, there's a table with various columns including Days to Submit, PPAP Number, PPAP Req'd by Customer, PPAP Requested to Vendor, Current Status, Vendor, Supplier PN, OEM, Customer, Country, Customer PN, ET Model, ET Dwg, Rev, ET PN, Description, Tape, Width (MM), Length (M), Color, IMDS Number, Level, PPAP Samples Status, Reason of Submission, Received Date, PPAP ET & IMDS ET / PSW ET & IMDS ET, Sent to Customer, PSW returned from Cust Signed, and P/N S/N. There are several rows of data, each with edit, delete, and copy buttons. A yellow box highlights the "Export to Excel" button at the top left of the table area.

Once the download is finished, you can go to the folder it was downloaded and open the Excel document.

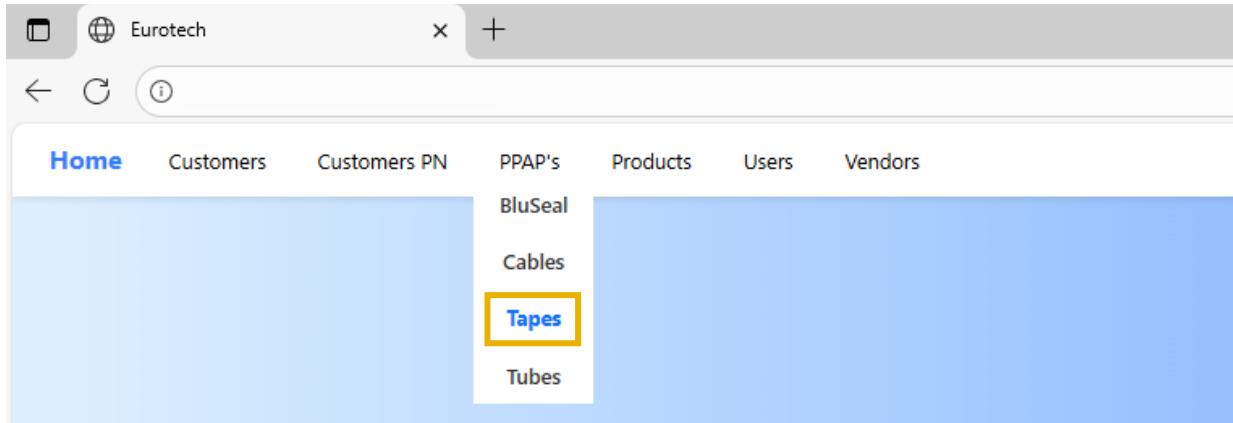

The screenshot shows a Windows File Explorer window titled "Downloads". The "Downloads" folder is selected. Inside, there are several files and folders. One file, "PPAPs_Cables_Matrix.xls", is highlighted with a yellow box. Other visible files include "Reporte Final", "Image (1)", "Image", "Page Instructions - Copy (3)", "Page Instructions - Copy (2)", "Page Instructions - Copy", "Query #2", "Reporte Final", and "EurotechFinal con Datos - Copy". The file "PPAPs_Cables_Matrix.xls" has a size of 29 KB and was modified on 12/8/2025 at 12:49 PM.

This is an example of how the document would look like:

3.6 Tapes Tab.

3.6.1 How to Navigate to “Tapes” View.

On the navigation bar, you can access to the “Tapes” view.

Here you can manage the registers of all the PPAPs of Tapes.

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEIN	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS	Set to Customer	PSW returned from Cast Signed	PPAP from Shipments / Origin from Report	Comments	Import Report Num

3.6.2 How to Search a PPAP.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

The screenshot shows a navigation bar with links: Home, Customers, Customers PN, PPAP's, Products, Users, Vendors, Admin, and Logout. Below the navigation bar is a search form area with a yellow border around the "Search Form" button. At the bottom of this area are three buttons: "New PPAP" (blue), "Export table to Excel" (green), and "Report" (yellow).

Once you click it, the “Search Form” will be display.

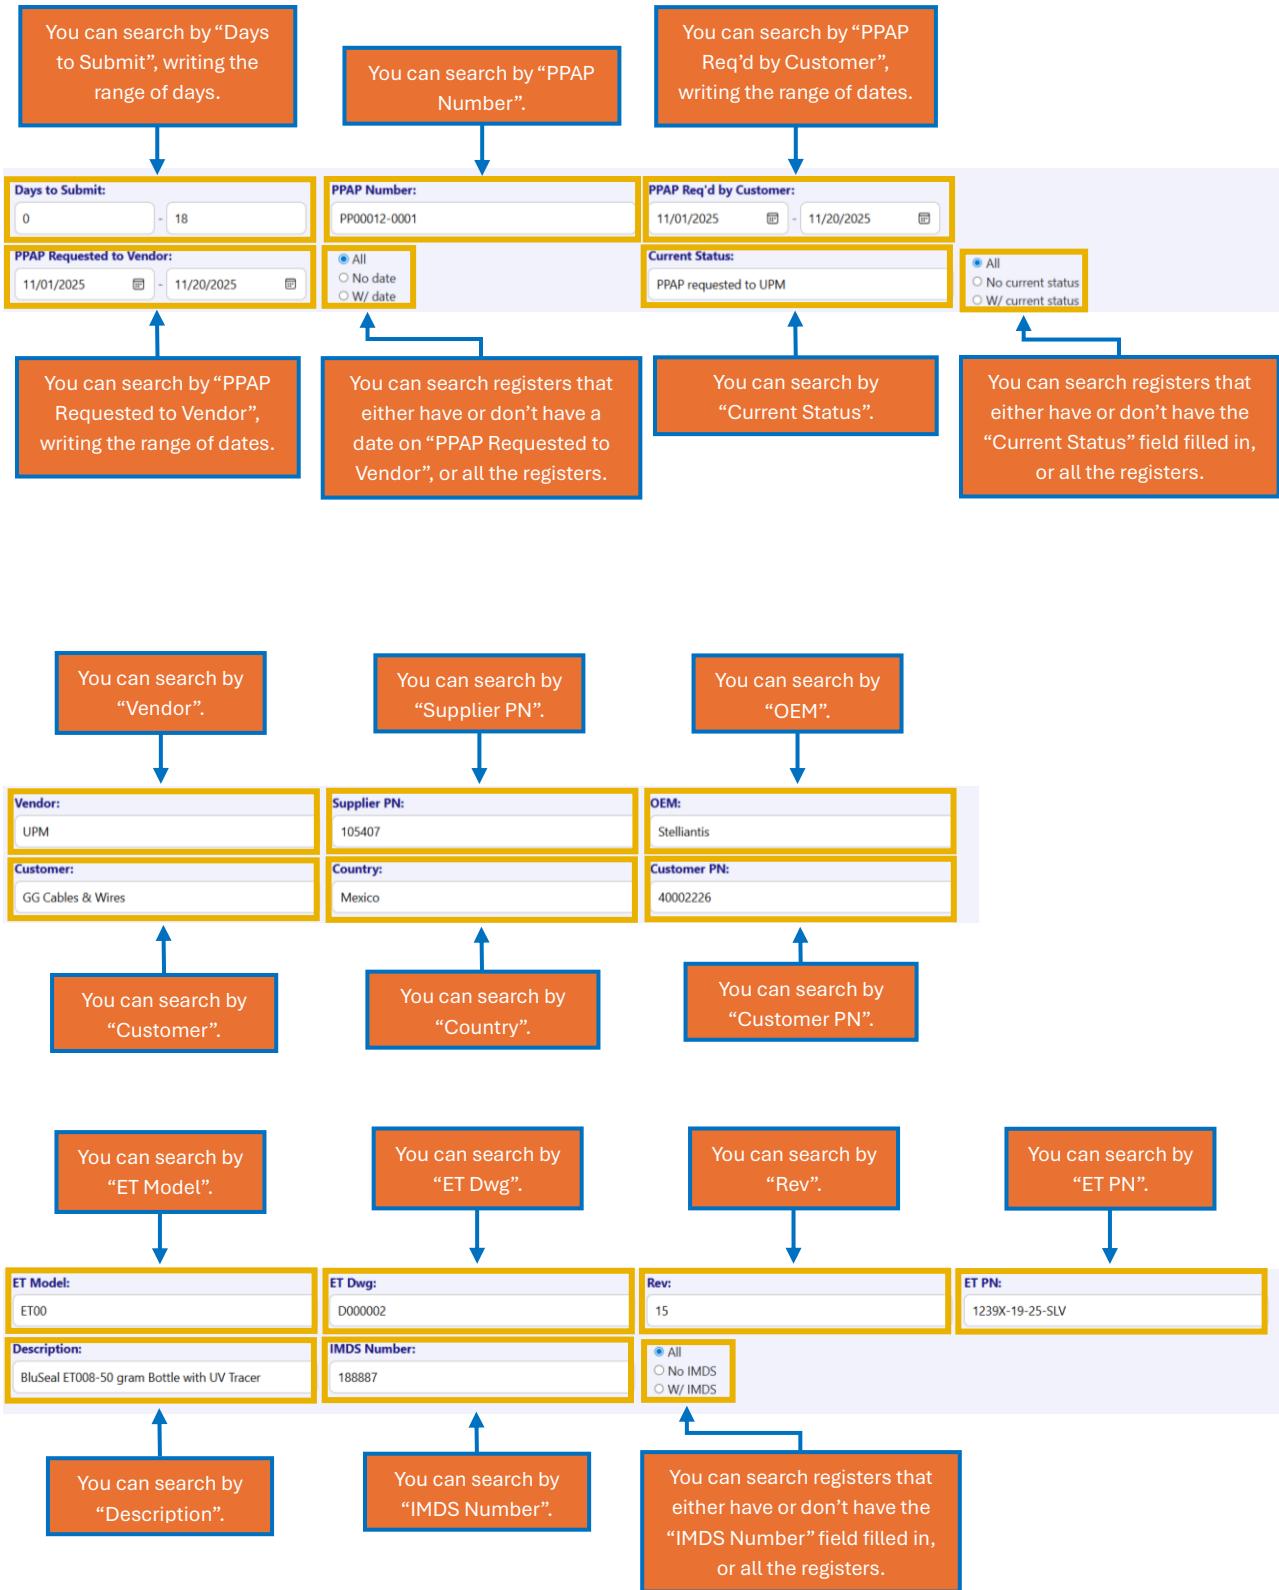

The "Search Form" dialog box contains the following sections:

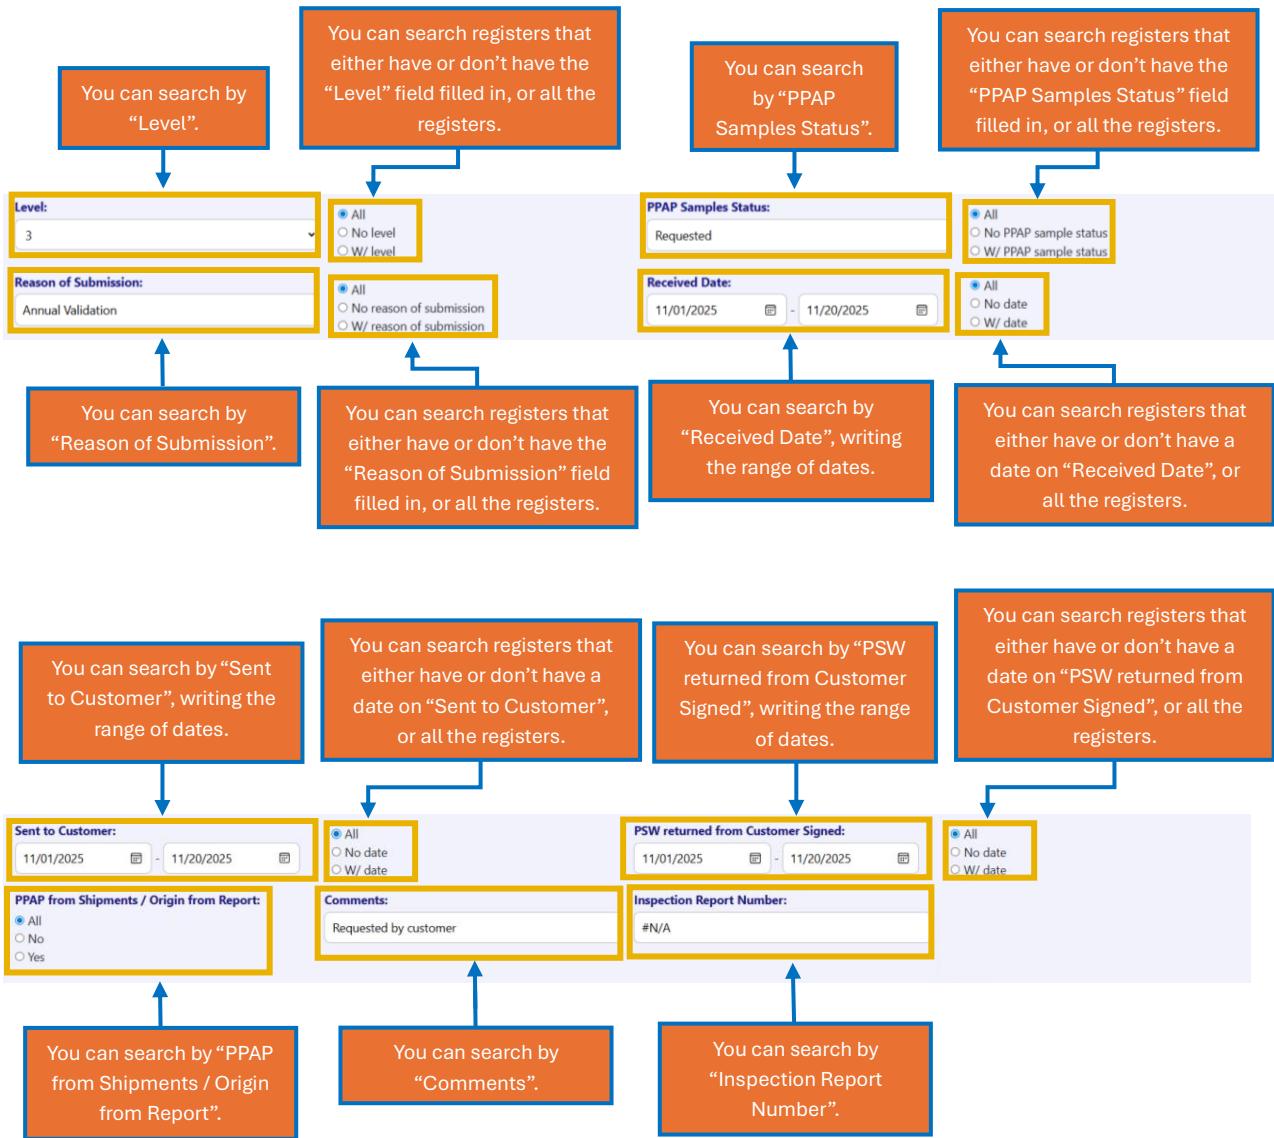

- Days to Submit:** Two date input fields.
- PPAP Number:** A text input field.
- PPAP Req'd by Customer:** Date range input fields.
- Current Status:** Date range input fields.
- Vendor:** Text input field.
- Supplier PN:** Text input field.
- OEM:** Text input field.
- Customer:** Text input field.
- Country:** Text input field.
- Customer PN:** Text input field.
- ET Model:** Text input field.
- ET Dwg:** Text input field.
- Rev:** Text input field.
- ET PN:** Text input field.
- Description:** Text input field.
- IMDS Number:** Text input field.
- Level:** Radio buttons for All, No level, or W/ level.
- PPAP Samples Status:** Radio buttons for All, No PPAP sample status, or W/ PPAP sample status.
- Reason of Submission:** Radio buttons for All, No reason of submission, or W/ reason of submission.
- Received Date:** Date range input fields.
- PSW returned from Customer Signed:** Date range input fields.
- Sent to Customer:** Date range input fields.
- Comments:** Text input field.
- Inspection Report Number:** Text input field.
- PPAP from Shipments / Origin from Report:** Radio buttons for All, No, or Yes.

At the bottom of the dialog box are two buttons: "Search" (blue) and "Clear All" (cyan).

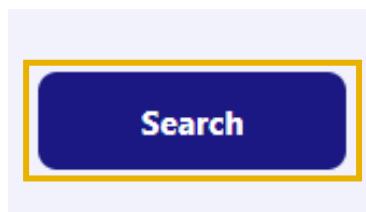

The search form allows you to perform searches by:

- Days to Submit
- PPAP Number
- PPAP Req'd by Customer
- PPAP Requested to Vendor
- Current Status
- Vendor
- Supplier PN
- OEM
- Customer
- Country
- Customer PN
- ET Model
- ET Dwg
- Rev
- Eurotech PN
- Description
- IMDS Number
- Level
- PPAP Samples Status
- Reason of Submission
- Received Date
- Sent to Customer
- PSW returned from Customer Signed
- PPAP from Shipments / Origin from Report
- Comments
- Inspection Report Number

You must click the “Search” button after you fill any of the fields of the “Search Form” to make the search.

This is an example of how the table would look like after a search (to know the meaning of the colors of the registers you can check in the Index the instruction 3.6.3 Meaning of the Colors of the Registers).

3.6.3 Meaning of the Colors of the Registers.

1.- In the “Days to Submit” column there will be:

- Registers with **green** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is less than 19 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country
Edit	Delete	Copy	10		16/Sep/2025			Coroplast Tape Corporation (Coroplast)	172412	Ford	SEWS (Sumitomo Electric Wiring Systems)	Europe

- Registers with **yellow** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is between 19 and 29 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country
Edit	Delete	Copy	23	P00077-001	01/Nov/2025			Coroplast Tape Corporation (Coroplast)	99264		Cooper Standard	Europe

- Registers with **red** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is greater than 29 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country
Edit	Delete	Copy	42	P00093-001	13/Oct/2025			Coroplast Tape Corporation (Coroplast)	138831		Kongsberg	Mexico

2.- In the rest of the columns of the registers will be:

- Registers with white background indicate that the PPAP has been requested by the customer, the request has not been sent to the vendor, and 30 days have not passed without the documentation being sent to the customer.

Days Submitted	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET	Sent to Customer	PSW returned from Cust Signed	PSW Received

3.6.4 How to Add a New PPAP.

If you want to add a new PPAP, you must click the “New PPAP” button that is below the “Search Form”.

The screenshot shows a web-based application for managing PPAP requests. At the top, there is a navigation bar with links: Home, Customers, Customers PN, PPAP's, Products, Users, and Vendors. Below this is a search form area with a title "Search Form". In the center of the search form are three buttons: "New PPAP" (highlighted with a yellow border), "Export table to Excel", and "Report".

Once you click the “New PPAP” button, it will display a data entry to create a new PPAP.

The screenshot shows a data entry form titled "Register New PPAP". The form contains the following fields:

- * Customer: (Mandatory)
- Country: (Non-mandatory)
- * Customer PN: (Mandatory)
- * ET PN: (Mandatory)
- * Description: (Mandatory)
- * PPAP Req'd by Customer: (Mandatory)
- PPAP Number: (Non-mandatory)
- Current Status: (Non-mandatory)
- PPAP Requested to Vendor: (Mandatory)
- Vendor: (Non-mandatory)
- Supplier PN: (Non-mandatory)
- OEM: (Non-mandatory)

Annotations on the left side of the form indicate which fields are mandatory (marked with an asterisk) and which are non-mandatory. A blue bracket on the right side groups the mandatory fields together.

Non-mandatory field

Rev:

IMDS Number:

Level:

PPAP Samples Status:

Reason of Submission:

Received Date: mm/dd/yyyy

Sent to Customer: mm/dd/yyyy

PSW returned from Customer Signed: mm/dd/yyyy

PPAP from Shipments / Origin from Report:

No

Yes

Comments:

Inspection Report Number:

Save

The diagram illustrates a 'Non-mandatory field' (highlighted in orange) connected by blue arrows to several input fields in a form. The fields include Rev, IMDS Number, Level, PPAP Samples Status, Reason of Submission, Received Date, Sent to Customer, PSW returned from Customer Signed, PPAP from Shipments / Origin from Report (with radio button options), Comments, and Inspection Report Number. The Save button at the bottom is also connected to the non-mandatory field.

If you want to save the register of a new PPAP, you must click the “Save” button.

Register New PPAP

* Customer: Cooper Standard

Country: Europe

* Customer PN: 110010645A

* ET PN: 837X 3B 25 BLK

* Description: Coroplast 837X PET Cloth Woven Tape Woven BLACK 38MM x 25M

Once you click the “Copy” button, it will display the data entry, but with the information of the PPAP selected.

Register New PPAP

* Customer: Cooper Standard

Country: Europe

* Customer PN: 110010645A

* ET PN: 837X-38-25-BLK

* Description: Coroplast 837X PET-Cloth Woven Tape Woven BLACK 38MM x 25M

* PPAP Req'd by Customer: 11/24/2025

PPAP Number: PP00077-0001

Current Status:

PPAP Requested to Vendor: 11/30/2025

Vendor: Coroplast

Supplier PN: 99264

You can do the modifications you need to the information and use the “Save” button to save the new register.

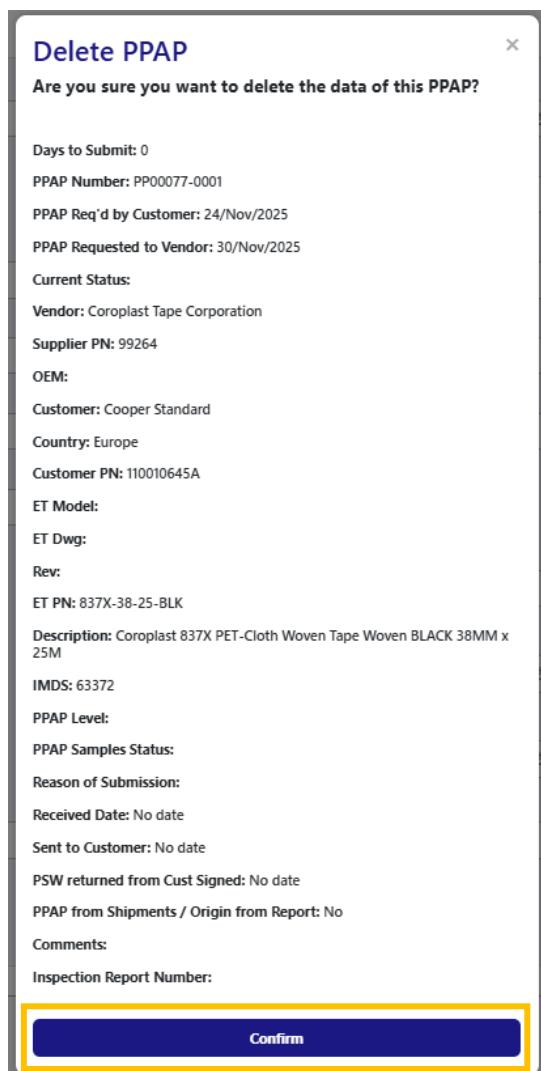

3.6.7 How to Delete a PPAP.

In each register from the table, it will be a “Delete” button. You must click the “Delete” button of the register you want to delete.

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	ET Level	ET Rev	ET Dwg	ET PN	Comments
				PP00077-0001	24/Nov/2025	30/Nov/2025		Coroplast Tape Corporation (Coroplast)	99264	Cooper Standard	Europe	110010645A					837X-38-25-BLK	Coroplast 837X PET-Cloth Woven Tape Woven BLACK 38MM x 25M	837X	38	25	BLK	63372									

Once you click the “Delete” button, it will display the information of the selected PPAP with a message to confirm the delete action. To confirm the delete of the PPAP, you must click the “Confirm” button.

3.6.8 How to Automatically Create the Renewal for a PPAP.

When a PPAP is registered or updated, and the "Sent to Customer" field is filled in, it also creates the register for the following year's renewal, putting the date of "Sent to Customer" in the "PPAP Req'd by Customer" field, adding 10 more months.

Register New PPAP

* Customer: Electronics

Country: Mexico

* Customer PN: 704206 25 33

* ET PN: 837X-25-25-ORG

* Description: Coroplast 837X PET-Cloth Woven Tape Woven ORANGE 25MM x 25M

* PPAP Req'd by Customer: 09/12/2025

3.6.9 Duplicating Register Alert.

If you were trying to register a new PPAP and it shows you a message with the title “Duplicating Register”, is not an error. The page is trying to prevent duplicate registers by verifying if there is another register in which the fields “Customer”, “Country”, “Customer PN” and “ET PN” match with the data of the new PPAP and its dates are between 10 months before the “PPAP Req'd by Customer” date of the new PPAP and that same date, or if there is a future renewal register that already exists, it will show its renewal date, and it will ask you if you are sure to register the PPAP.

This is an example of the “Duplicating Register” alert:

Once you are sure to register the PPAP, you must click the “Confirm” button.

3.6.10 How to Export the Information of the Matrix to an Excel Document.

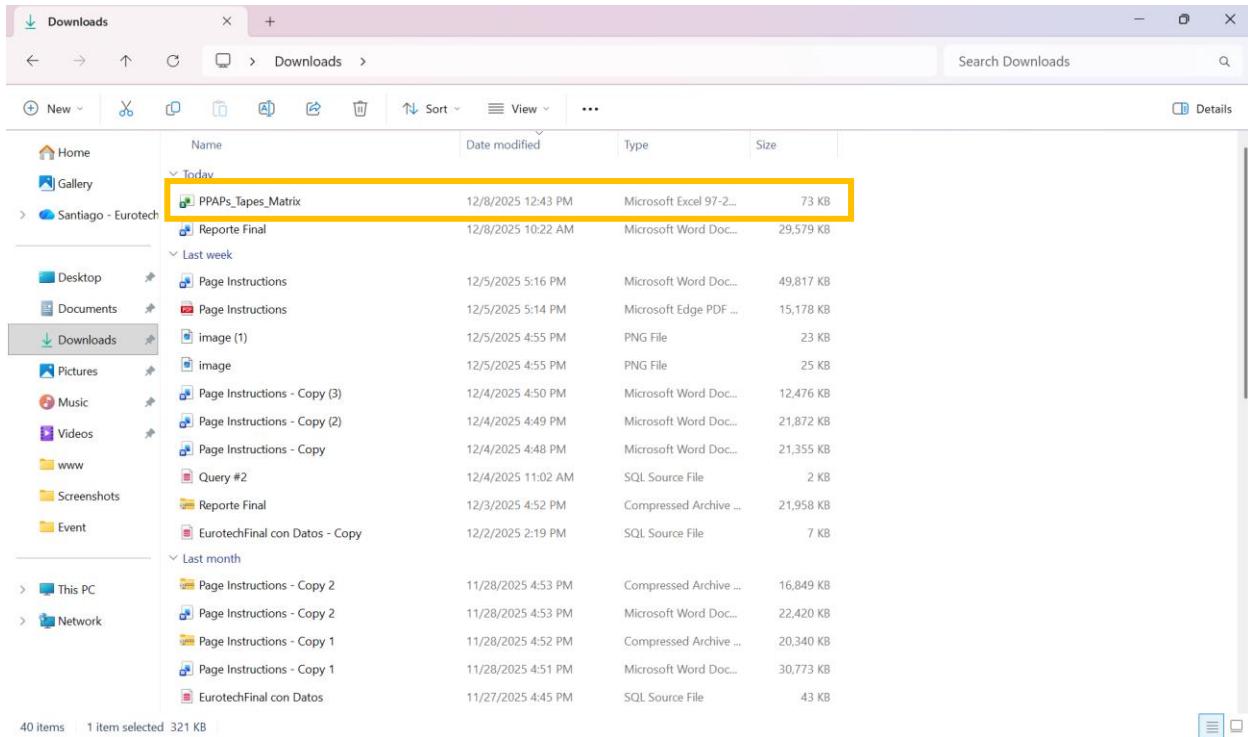

To export the table to an Excel document, you must click the “Export table to Excel” button.

The screenshot shows a web-based application interface. At the top, there is a navigation bar with links: Home, Customers, Customers PN, PPAP's, Products, Users, and Vendors. Below the navigation bar is a section titled "Search Form". In this section, there are three buttons: "New PPAP" (blue), "Export table to Excel" (green, highlighted with a yellow box), and "Report" (yellow). The main area below "Search Form" contains a table with several columns, including Days to Submit, PPAP Number, PPAP Req'd by Customer, PPAP Requested to Vendor, Current Status, Vendor, Supplier PN, OEM, Customer, Country, Customer PN, ET Model, ET Dwg, Rev, ET PN, Description, Tape, Width (MM), Length (M), Color, IMDS Number, Level, PPAP Samples Status, Reason of Submission, Received Date, PPAP ET & IMDS, ET FSW, ET & IMDS, and ET PW return from Sign. The table has five rows of data.

Once you click the “Export table to Excel” button, it will start to download the Excel document with the name “PPAPs_Tapes_Matrix.xls”.

The screenshot shows a Microsoft Edge browser window. The address bar says "Downloads" and shows the file "PPAPs_Tapes_Matrix.xls". The main content area of the browser displays the same table from the previous screenshot, showing five rows of data. The table columns are: Days to Submit, PPAP Number, PPAP Req'd by Customer, PPAP Requested to Vendor, Current Status, Vendor, Supplier PN, OEM, Customer, Country, Customer PN, ET Model, ET Dwg, Rev, ET PN, Description, Tape, Width (MM), Length (M), Color, IMDS Number, Level, PPAP Samples Status, Reason of Submission, Received Date, PPAP ET & IMDS, ET FSW, ET & IMDS, and ET PW return from Sign.

Once the download is finished, you can go to the folder it was downloaded and open the Excel document.

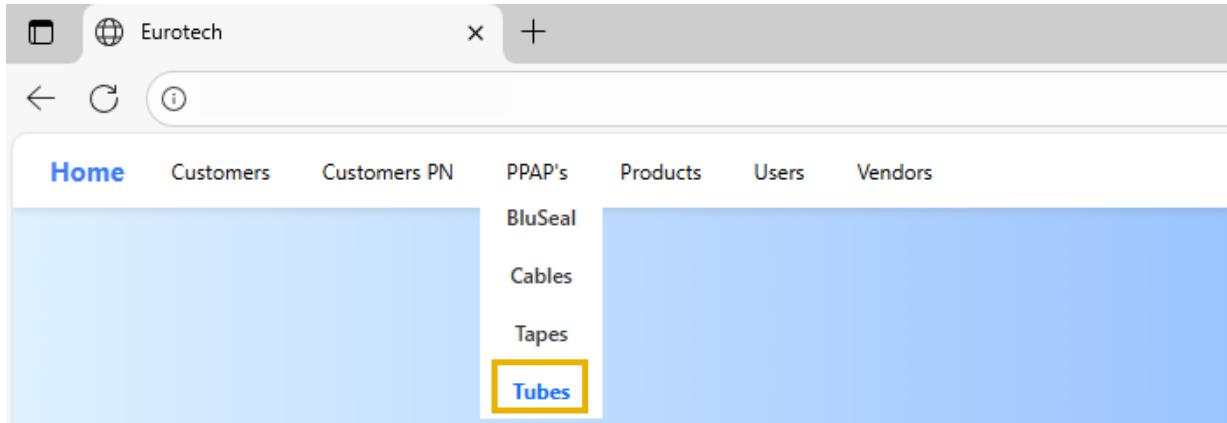

This is an example of how the document would look like:

3.7 Tubes Tab.

3.7.1 How to Navigate to “Tubes” View.

On the navigation bar, you can access to the “Tubes” view.

Here you can manage the registers of all the PPAPs of Tubes.

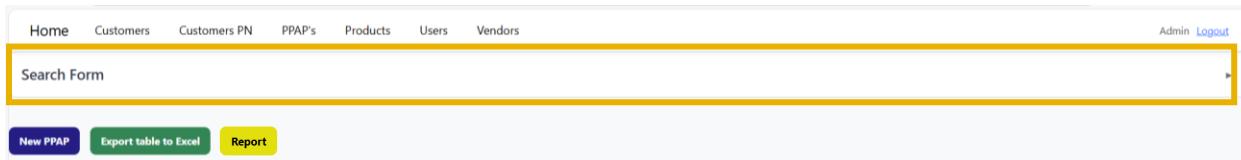

The screenshot shows a detailed table of PPAP registers for Tubes. The table has the following columns:

- Days to Submit
- PPAP Number
- PPAP Req'd by Customer
- PPAP Requested by Vendor
- Current Status
- Vendor
- Supplier PN
- OEIN
- Customer
- Country
- Customer PN
- ET Model
- ET Deg
- Row
- ET/PN
- Description
- Tape
- Width (MM)
- Length (M)
- Color
- IMDS Number
- Lined
- PPAP Samples Status
- Reason of Submission
- Received Date
- PPAP ET & IMDS ET
- PSW returned from Shipment / Origin Item Report
- Comments
- Inspection Report Number

The table contains several rows of data, each representing a different PPAP registration. The first few rows show entries for PP00024-0002, PP00024-0002, PP00024-0001, PP00062-0001, PP00062-0001, PP00072-0001, PP00055-0001, PP00042-0003, and PP00034-0001. Each row includes standard icons for Edit, Delete, and Copy, as well as specific status indicators like "PSW Pending Approve" or "PSW Pending Approve ETC". The "Comments" and "Inspection Report Number" columns are consistently empty across all rows.

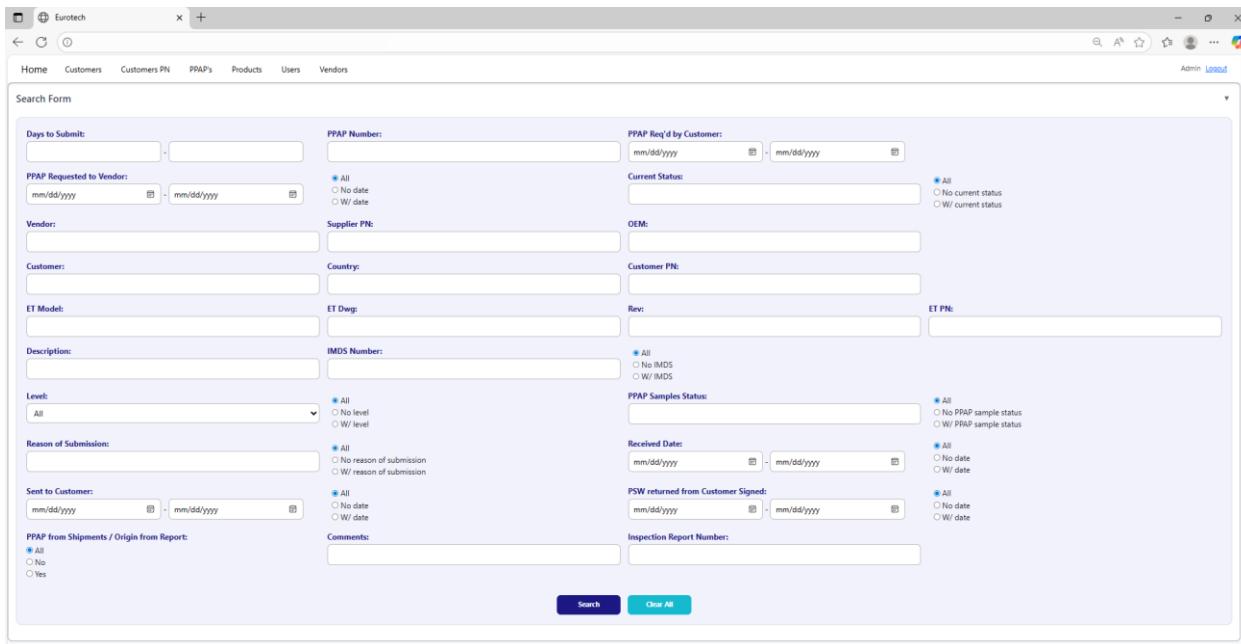

3.7.2 How to Search a PPAP.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

The screenshot shows a navigation bar with links: Home, Customers, Customers PN, PPAP's, Products, Users, Vendors, Admin, and Logout. Below the navigation bar is a button labeled "Search Form" which is highlighted with a yellow border. At the bottom of the screen are three buttons: "New PPAP" (blue), "Export table to Excel" (green), and "Report" (yellow).

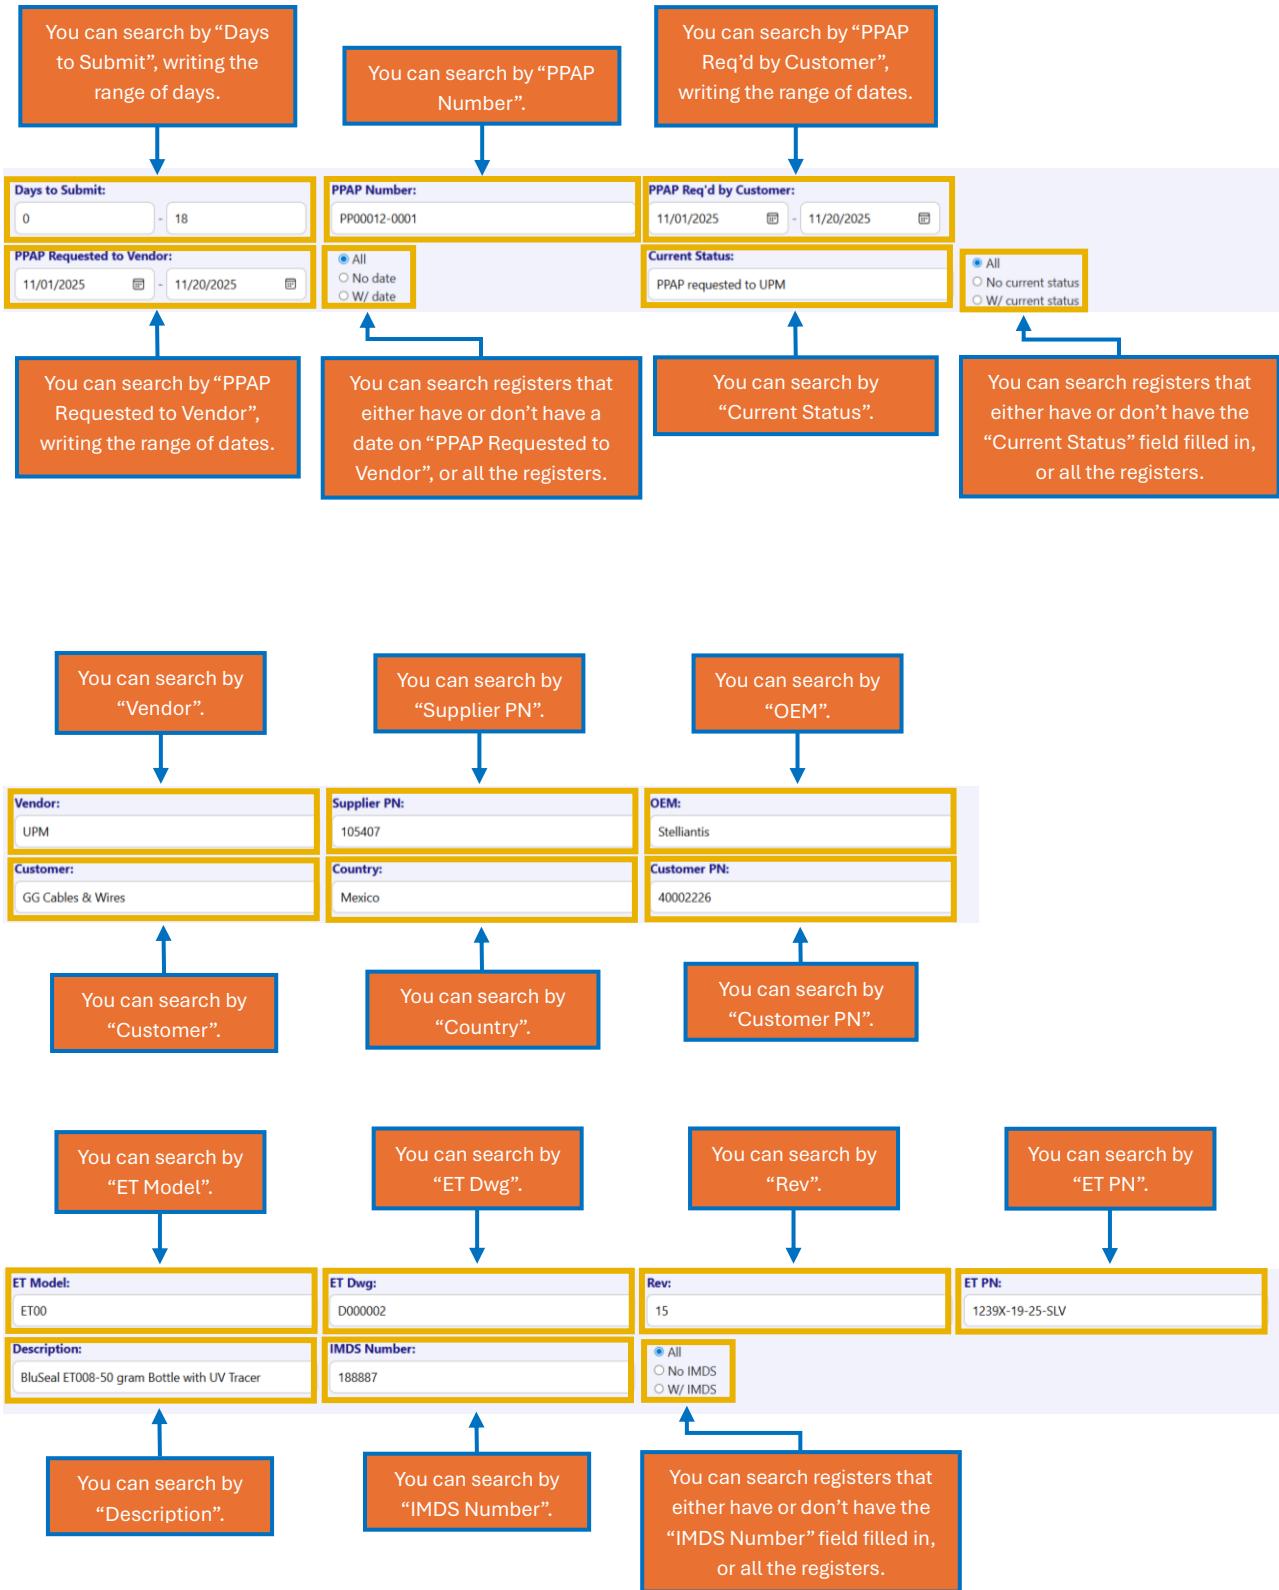

Once you click it, the “Search Form” will be display.

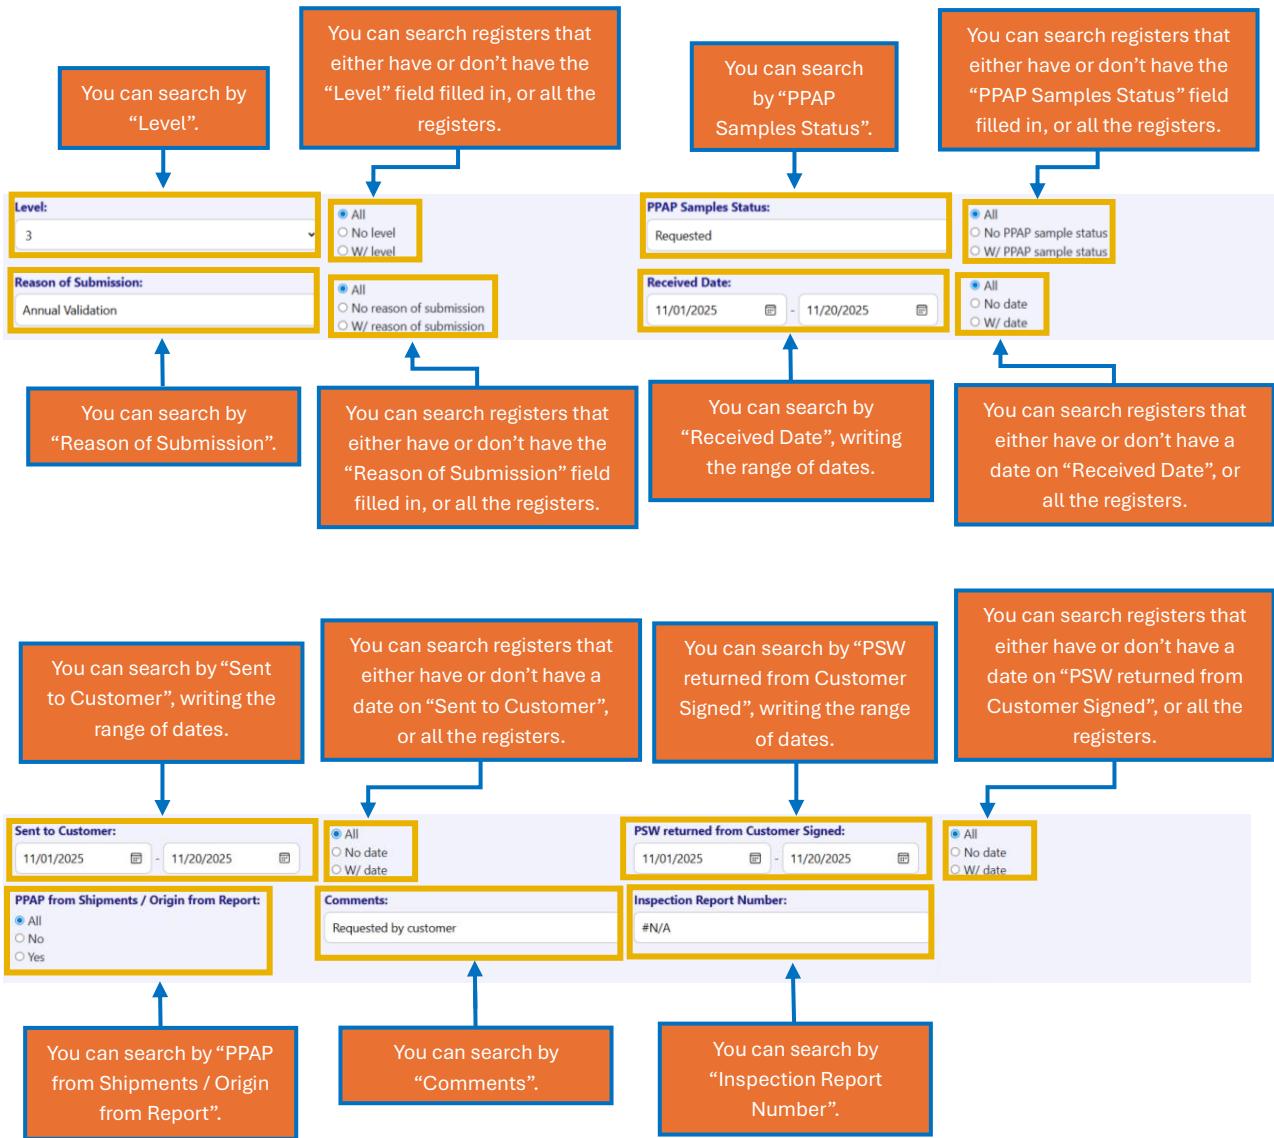

The "Search Form" dialog box contains numerous search criteria fields. It includes sections for Days to Submit, PPAP Number, PPAP Req'd by Customer, Current Status, Vendor, Supplier PN, OEM, Customer, Country, Customer PN, ET Model, ET Dwg, Rev, ET PN, Description, IMDS Number, Level, PPAP Samples Status, Reason of Submission, Received Date, PSW returned from Customer Signed, Sent to Customer, Comments, Inspection Report Number, and PPAP from Shipments / Origin from Report. Each section typically contains input fields, dropdown menus, and radio button groups for filtering data.

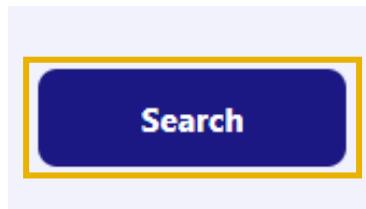

The search form allows you to perform searches by:

- Days to Submit
- PPAP Number

3.7.4 How to Add a New PPAP.

If you want to add a new PPAP, you must click the “New PPAP” button that is below the “Search Form”.

The screenshot shows a web-based application interface for managing PPAP requests. At the top, there is a navigation bar with links: Home, Customers, Customers PN, PPAP's, Products, Users, and Vendors. Below this is a search form area with a title "Search Form". At the bottom of the search form are three buttons: "New PPAP" (highlighted with a yellow border), "Export table to Excel", and "Report".

Once you click the “New PPAP” button, it will display a data entry to create a new PPAP.

The screenshot shows a data entry form titled "Register New PPAP". The form contains the following fields:

- * Customer: (Mandatory)
- Country: (Non-mandatory)
- * Customer PN: (Mandatory)
- * ET PN: (Mandatory)
- * Description: (Mandatory)
- * PPAP Req'd by Customer: (Mandatory)
- PPAP Number: (Non-mandatory)
- Current Status: (Non-mandatory)
- PPAP Requested to Vendor: (Mandatory)
- Vendor: (Non-mandatory)
- Supplier PN: (Non-mandatory)
- OEM: (Non-mandatory)

A blue bracket on the left side groups the first four fields as "Non-mandatory field". A blue bracket on the right side groups the last five fields as "Mandatory fields".

Non-mandatory field

Rev:

IMDS Number:

Level:

Save

The diagram illustrates a 'Non-mandatory field' (highlighted in orange) connected by blue arrows to several input fields in a form. The fields include Rev, IMDS Number, Level, PPAP Samples Status, Reason of Submission, Received Date, Sent to Customer, PSW returned from Customer Signed, PPAP from Shipments / Origin from Report (with radio button options), Comments, and Inspection Report Number. The Save button at the bottom is also connected to the non-mandatory field.

If you want to save the register of a new PPAP, you must click the “Save” button.

Register New PPAP

* Customer: Lear EU

Country: Europe

* Customer PN: E2624100

* ET PN: P000042

* Description: ET10-8.0/2.0-BK-30mm

Once you click the “Copy” button, it will display the data entry, but with the information of the PPAP selected.

Register New PPAP

* Customer: Lear EU

Country: Europe

* Customer PN: E2624100

* ET PN: P000042

* Description: ET10-8.0/2.0-BK-30mm

* PPAP Req'd by Customer: 11/11/2025

PPAP Number: PP00024-0002

Current Status: PPAP requested to UPM

PPAP Requested to Vendor: mm/dd/yyyy

Vendor: UPM

Supplier PN: P000042

Co

You can do the modifications you need to the information and use the “Save” button to save the new register.

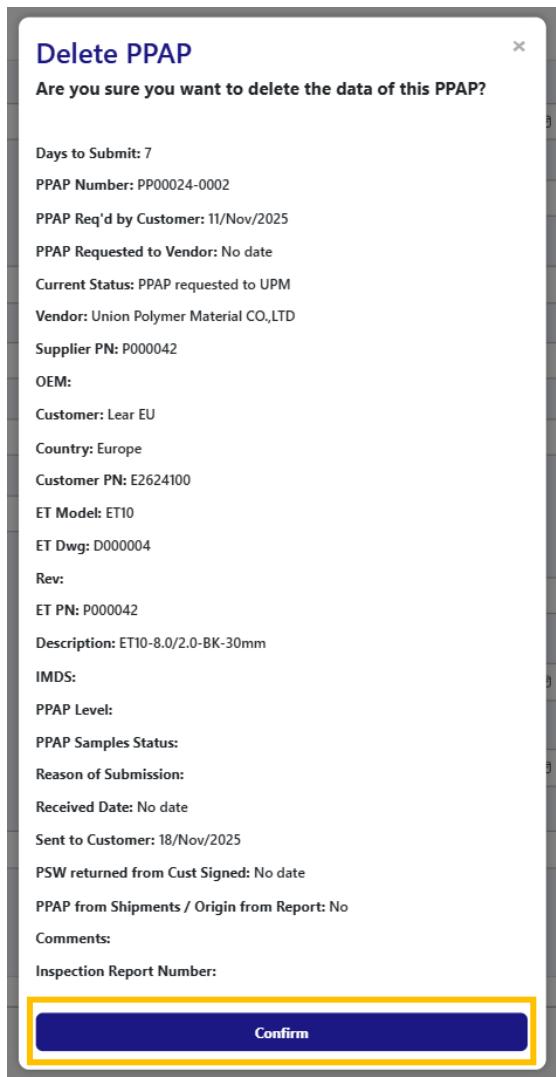

3.7.7 How to Delete a PPAP.

In each register from the table, it will be a “Delete” button. You must click the “Delete” button of the register you want to delete.

		Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS ET / PSW ET & IMDS ET	Sent to Customer	PSW returned from Cust Signed	PPAP from Shipments / Origin from Report: No
		7	PP00024-0002	11/Nov/2025	PPAP requested to UPM	Union Polymer Material CO.,LTD (UPM)	P000042	Lear EU	Europe	E2624100	ET10	D000004	P000042	ET10-8.0/2.0-BK-30mm											18/Nov/2025					

Once you click the “Delete” button, it will display the information of the selected PPAP with a message to confirm the delete action. To confirm the delete of the PPAP, you must click the “Confirm” button.

3.7.8 How to Automatically Create the Renewal for a PPAP.

When a PPAP is registered or updated, and the "Sent to Customer" field is filled in, it also creates the register for the following year's renewal, putting the date of "Sent to Customer" in the "PPAP Req'd by Customer" field, adding 10 more months.

3.7.9 Duplicating Register Alert.

If you were trying to register a new PPAP and it shows you a message with the title “Duplicating Register”, is not an error. The page is trying to prevent duplicate registers by verifying if there is another register in which the fields “Customer”, “Country”, “Customer PN” and “ET PN” match with the data of the new PPAP and its dates are between 10 months before the “PPAP Req'd by Customer” date of the new PPAP and that same date, or if there is a future renewal register that already exists, it will show its renewal date, and it will ask you if you are sure to register the PPAP.

This is an example of the “Duplicating Register” alert:

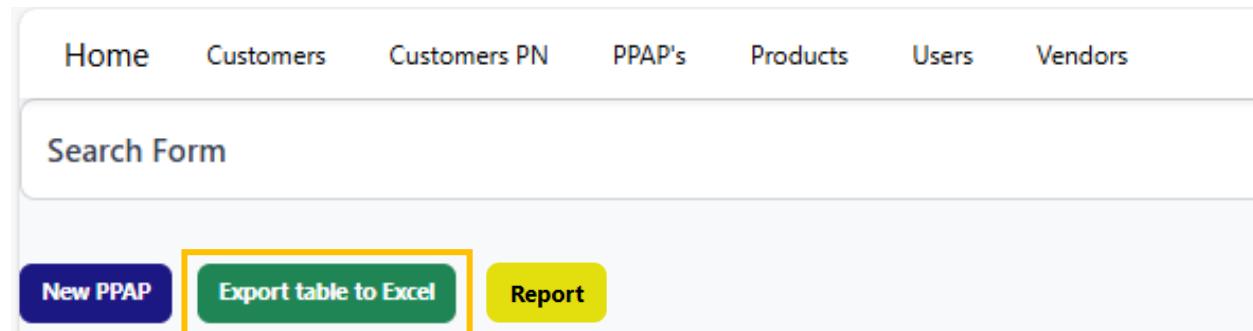

Once you are sure to register the PPAP, you must click the “Confirm” button.

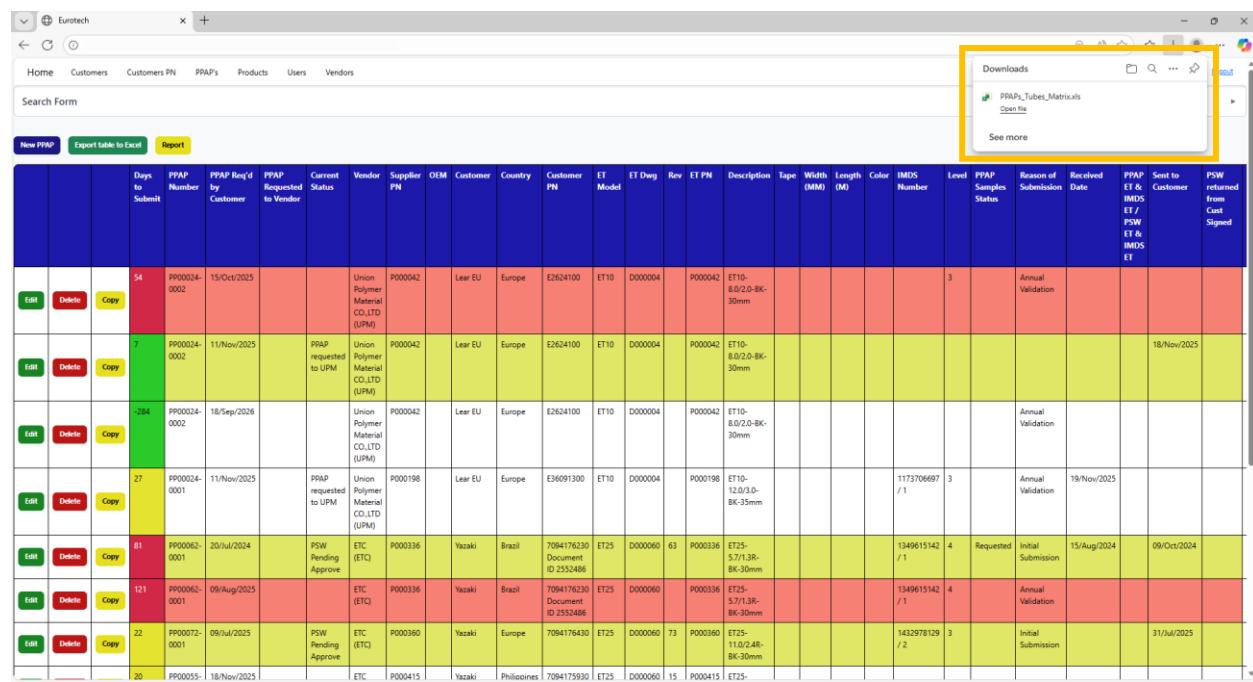

3.7.10 How to Export the Information of the Matrix to an Excel Document.

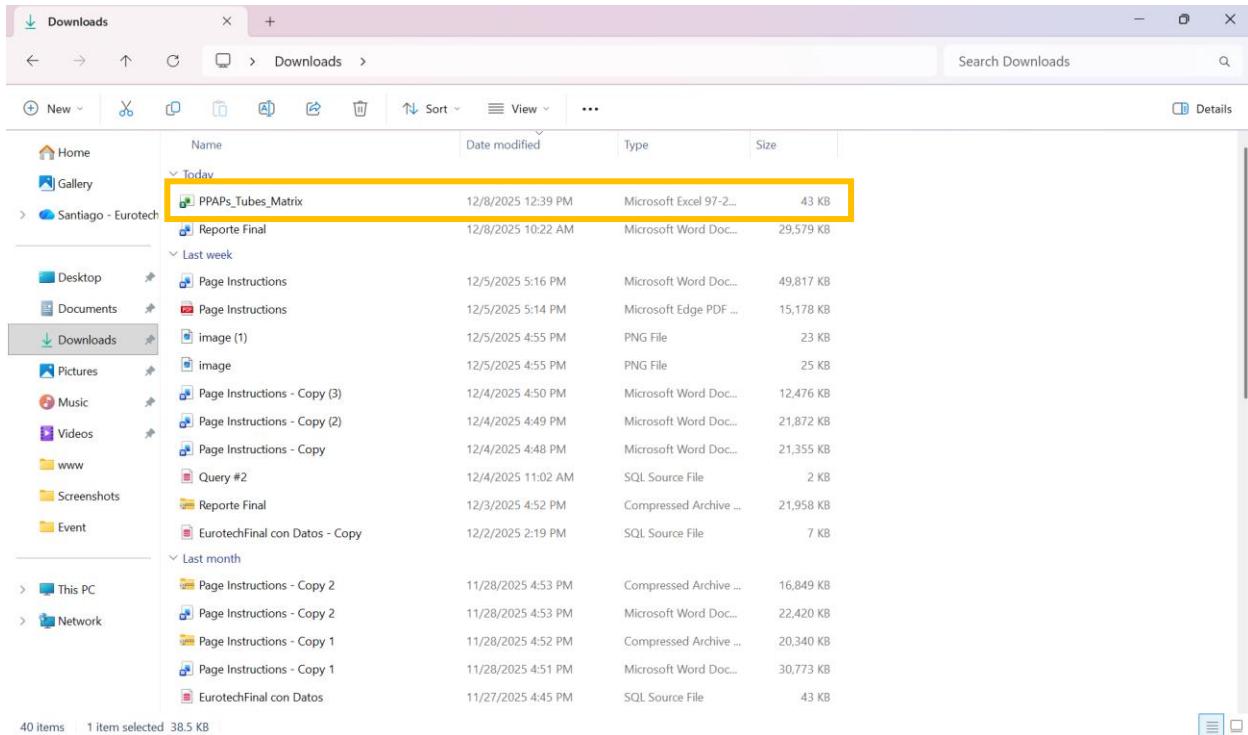

To export the table to an Excel document, you must click the “Export table to Excel” button.

Once you click the “Export table to Excel” button, it will start to download the Excel document with the name “PPAPs_Tubes_Matrix.xls”.

Once the download is finished, you can go to the folder it was downloaded and open the Excel document.

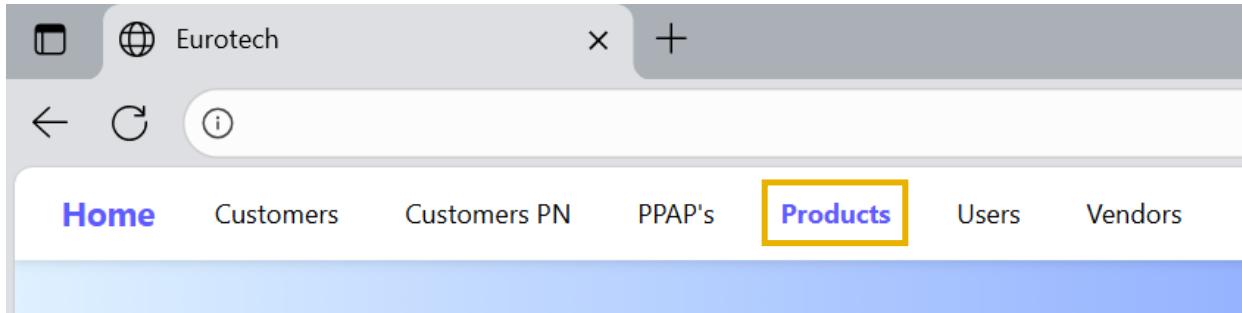

This is an example of how the document would look like:

3.8 Products Tab.

3.8.1 How to Navigate to “Products” View.

On the navigation bar, you can access to the “Products” view.

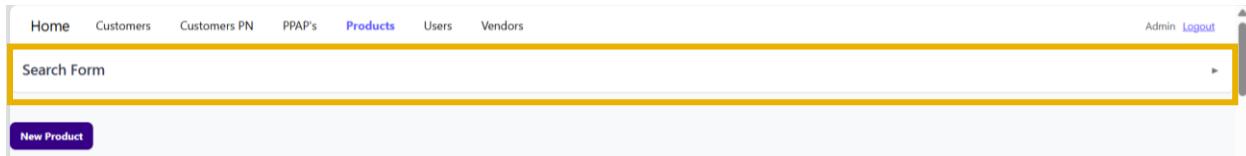

Here you can manage the registers of all the products.

A screenshot of the 'Products' view. The top navigation bar includes Home, Customers, Customers PN, PPAP's, Products (highlighted), Users, and Vendors. A search form is at the top. Below is a table titled 'New Product' with columns: Eurotech PN, Description, Supplier, Supplier PN, Tape, Width, Length, Color, ET Model, and ET Dwg. Each row contains product details and edit/delete buttons. The table has 10 rows of data.

	Eurotech PN	Description	Supplier	Supplier PN	Tape	Width	Length	Color	ET Model	ET Dwg

3.8.2 How to Search a Product.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

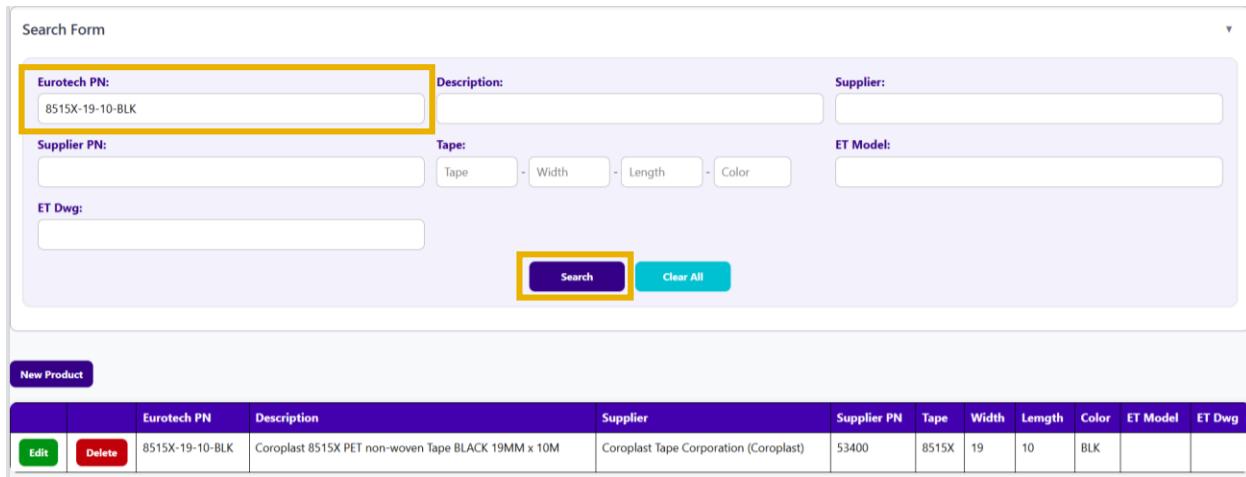

Once you click it, the “Search Form” will be display.

The search form allows you to perform searches by “Eurotech PN”, “Description”, “Supplier”, “Supplier PN”, “Tape”, “Width”, “Length”, “Color”, “ET Model” and “ET Dwg”.

You can search by “Eurotech PN”, using the “Eurotech PN” field and clicking the “Search” button.

You can search by “Description”, using the “Description” field and clicking the “Search” button.

The screenshot shows a search form with various input fields and buttons. The 'Description' field contains the text 'BluSeal ET008-50 gram Bottle with UV Tracer', which is highlighted with a yellow box. Below the form is a table titled 'New Product' containing one row of data.

		Eurotech PN	Description	Supplier	Supplier PN	Tape	Width	Length	Color	ET Model	ET Dwg
Edit	Delete	ET008-50	BluSeal ET008-50 gram Bottle with UV Tracer	Toagosei (TGA)	CE6039						

You can search by “Supplier”, using the “Supplier” field and clicking the “Search” button.

The screenshot shows a search form with various input fields and buttons. The 'Supplier' field contains the text 'UPM', which is highlighted with a yellow box. Below the form is a table titled 'New Product' containing five rows of data.

		Eurotech PN	Description	Supplier	Supplier PN	Tape	Width	Length	Color	ET Model	ET Dwg

3.8.3 How to Add a New Product.

If you want to add a new product, you must click the “New Product” button that is below the “Search Form”.

The screenshot shows a software application window with a navigation bar at the top. The navigation bar includes icons for file operations, a globe icon, the text "Eurotech", a close button (X), and a plus sign (+). Below the navigation bar is a menu bar with links: Home, Customers, Customers PN, PPAP's, Products (which is highlighted in blue), Users, and Vendors. Underneath the menu bar is a "Search Form" section. At the bottom of the search form is a button labeled "New Product", which is highlighted with a yellow border.

Once you click the “New Product” button, it will display a data entry to create a new product.

The screenshot shows a 'Register New Product' form with various input fields. The fields are categorized into two groups: 'Non-mandatory fields' and 'Mandatory fields'. Blue arrows point from the labels to their corresponding input fields. The 'Non-mandatory fields' group includes Supplier, Supplier PN, Tape, Width, Length, Color, ET Model, and ET Dwg. The 'Mandatory fields' group includes Eurotech PN, Description, and Product. The Product field is a dropdown menu with options: BluSeal (selected), Cable, Tape, and Tube. A 'Save' button is at the bottom.

Non-mandatory fields

- Supplier:
- Supplier PN:
- Tape:
- Width:
- Length:
- Color:
- ET Model:
- ET Dwg:

Mandatory fields

- * Eurotech PN:
- * Description:
- * Product:
 - BluSeal
 - Cable
 - Tape
 - Tube

Buttons

- Save

Non woven tape black 50MM X 10M reverse - Elastoplast Tape Corporation

If you want to save the register of a new product, you must click the “Save” button.

Register New Product

* **Eurotech PN:**

Length:

25

The screenshot shows a software window with a white background. At the top left, there are vertical labels: 'N', 'a', 'a', 'C', 'M', 'V'. On the left side, there are some faint, overlapping text elements like 'Material', 'Type', 'Value', 'Weight', 'Volume', 'Color', 'ET Model', 'ET Dwg', 'Supplier PN', 'Tape', 'Width', 'Length', 'Color', 'ET Model', 'ET Dwg'. In the center, there are two input fields with placeholder text 'ET Model:' and 'ET Dwg:'. Below these is a section labeled '* Product:' with four radio buttons: 'BluSeal', 'Cable', 'Tape' (which is selected and highlighted in blue), and 'Tube'. At the bottom is a large, dark purple rectangular button with the word 'Save' in white.

To save the changes, you must click the “Save” button.

If no errors are found, the register will be updated successfully.

		Eurotech PN	Description	Supplier	Supplier PN	Tape	Width	Length	Color	ET Model	ET Dwg
		1239X-19-25-SLV	Coroplast 1239X Laminate aluminum foil/PET-cloth Tape 19MM x 25M 200 rolls/case: 4.600 m/case; 12.000 ft/case	Coroplast Tape Corporation (Coroplast)	163490	1239	19	25	SLV		

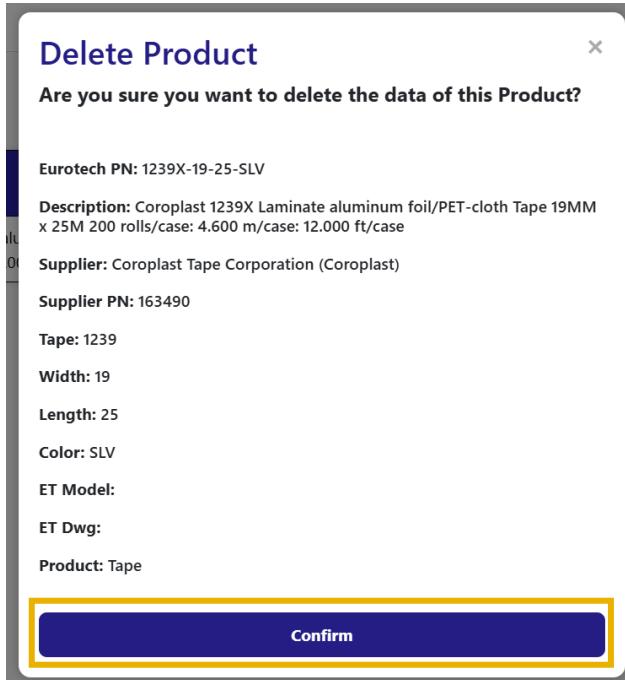

If an error is found, review section *3.11.4.2 Update Errors*.

3.8.5 How to Delete a Product.

In each register from the table, it will be a “Delete” button. You must click the “Delete” button of the register you want to delete.

		Eurotech PN	Description	Supplier	Supplier PN	Tape	Width	Length	Color	ET Model	ET Dwg
		1239X-19-25-SLV	Coroplast 1239X Laminate aluminum foil/PET-cloth Tape 19MM x 25M 200 rolls/case: 4.600 m/case; 12.000 ft/case	Coroplast Tape Corporation (Coroplast)	163490	1239	19	25	SLV		

Once you click the “Delete” button, it will display the information of the selected product with a message to confirm the delete action. To confirm the delete of the product, you must click the “Confirm” button. It only deletes products that don’t have registers in “Customers PN” and “PPAP’s” pages.

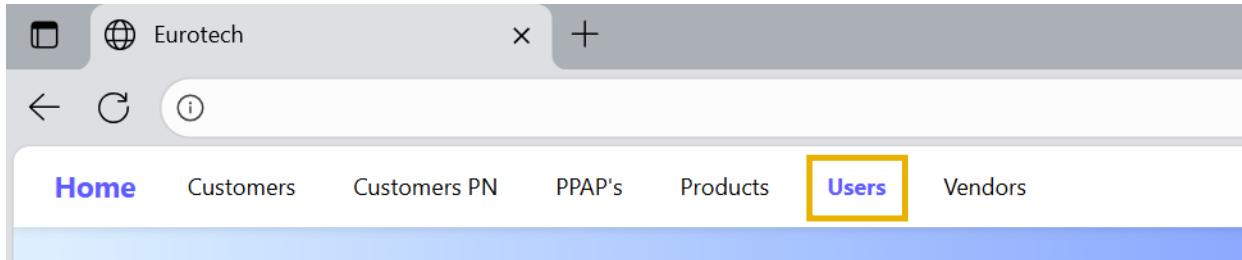

If an error is found, review section [3.11.4.3 Delete Error](#).

3.9 Users Tab.

3.9.1 How to Navigate to “Users” View.

On the navigation bar, you can access to the “Users” view.

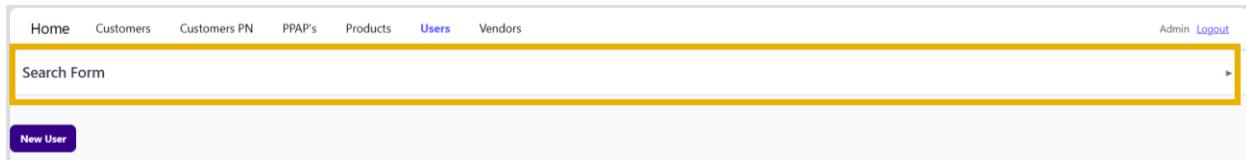

Here you can manage the registers of all the users.

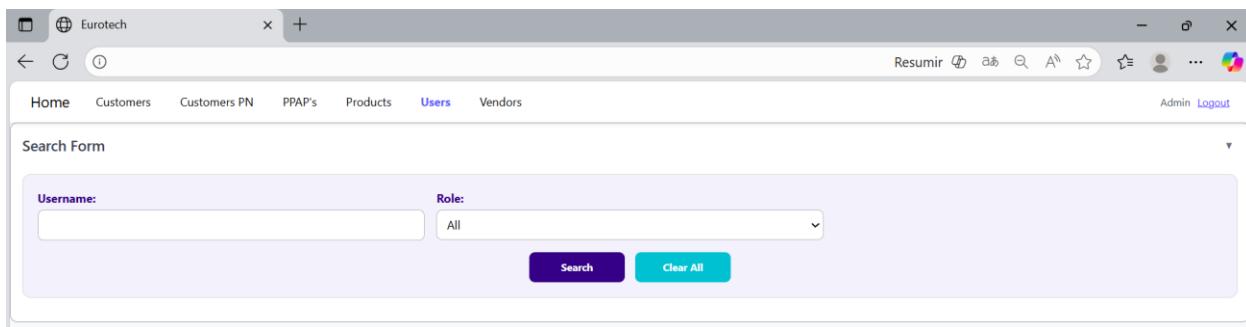

A screenshot of the "Users" view. At the top, there is a navigation bar with links for Home, Customers, Customers PN, PPAP's, Products, **Users**, and Vendors. Below the navigation bar is a search form. The main area displays a table titled "New User" with two rows of data. The columns are labeled: Action (Edit, Delete), Username (Admin, Santiago), Password (*****), and Role (Administrator, User). Each row has an "Edit" button in the first column and a "Delete" button in the second column.

3.9.2 How to Search a User.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

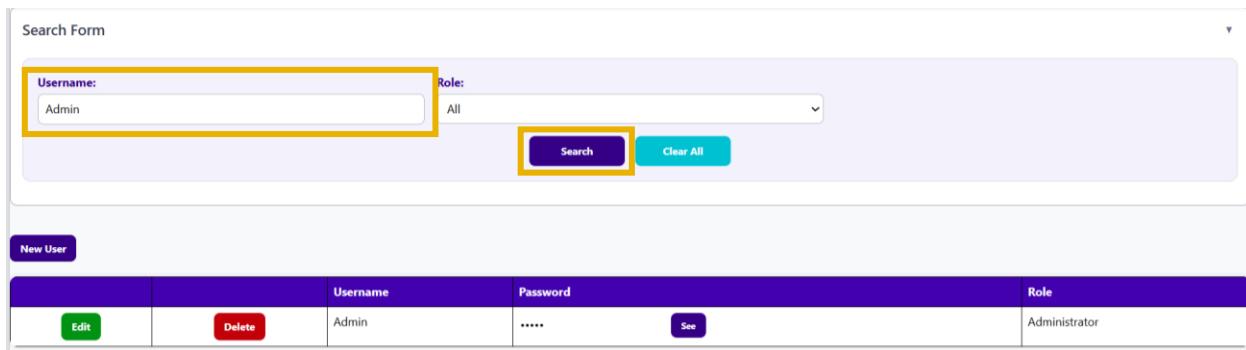

Once you click it, the “Search Form” will be display.

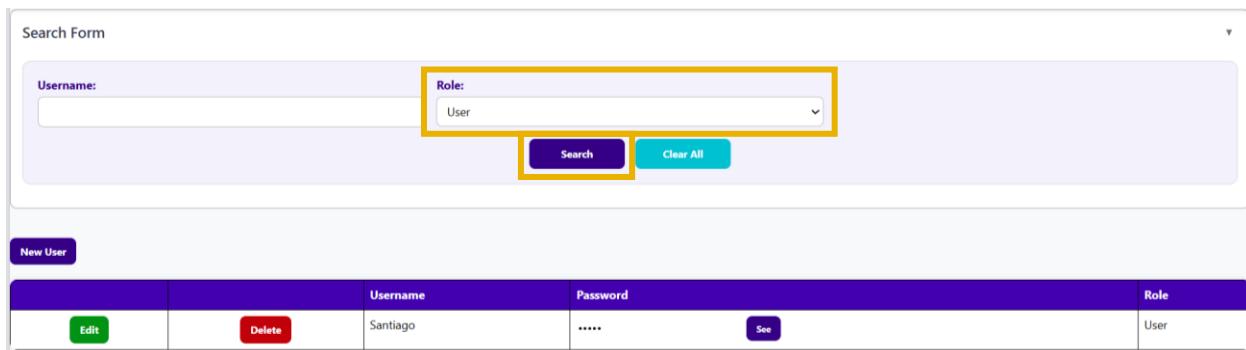

The search form allows you to perform searches by “Username” and “Role”.

You can search by “Username”, using the “Username” field and clicking the “Search” button.

You can search by “Role”, using the “Role” field and clicking the “Search” button.

And with the “Clear All” button, you can clean the querying and see all the registers of the users.

The screenshot shows a user search interface. At the top is a "Search Form" containing fields for "Username" (Santiago) and "Role" (User), with a "Search" button and a "Clear All" button highlighted with a yellow box. Below the search form is a table titled "New User" with columns: Edit, Delete, Username, Password, and Role. The table contains two rows: one for Admin (Role: Administrator) and one for Santiago (Role: User).

		Username	Password	Role
Edit	Delete	Santiago	See User
Edit	Delete	Admin	See Administrator

Once you click the “Clear All” button, the fields of the “Search Form” will be empty, and in the table will be shown all the users.

The screenshot shows the same user search interface after clicking the "Clear All" button. The "Search Form" now has empty fields for "Username" and "Role". The table below still displays the two user entries from the previous screenshot.

		Username	Password	Role
Edit	Delete	Santiago	See User
Edit	Delete	Admin	See Administrator

3.9.3 How to Add a New User.

If you want to add a new user, you must click the “New User” button that is below the “Search Form”.

The screenshot shows the application's navigation bar at the top, featuring links for Home, Customers, Customers PN, PPAP's, Products, Users (which is currently selected and highlighted in blue), and Vendors. Below the navigation bar is a "Search Form" section. Within this section, a "New User" button is highlighted with a yellow box.

Once you click the “New User” button, it will display a data entry to create a new user.

The “Role” field, only shows the options “Administrator” and “User”.

Mandatory fields

If you want to save the register of a new user, you must click the “Save” button.

If no errors are found, the register will be added successfully.

		Username	Password		Role
	Edit	Delete		See	
		User1		User

If an error is found, review section 3.11.5.1 *Data Entry Errors*.

3.9.4 How to Edit Information of a User.

In each register from the table, it will be an “Edit” button. You must click the “Edit” button of the register you want to update.

		Username	Password		Role
	Edit	Delete		See	
		User1		User

Once you click the “Edit” button, it will display an update form to edit the information of the selected user.

The screenshot shows a modal dialog titled "Update User". It contains three input fields: "Username" (User1), "Password" (displayed as a series of dots), and "Role" (User). Below the fields is a large blue "Save" button.

To save the changes, you must click the “Save” button.

The screenshot shows the same "Update User" dialog as above, but the "Save" button is highlighted with a thick yellow border.

If no errors are found, the register will be updated successfully.

		Username	Password		Role
	Edit	User2	See	Administrator

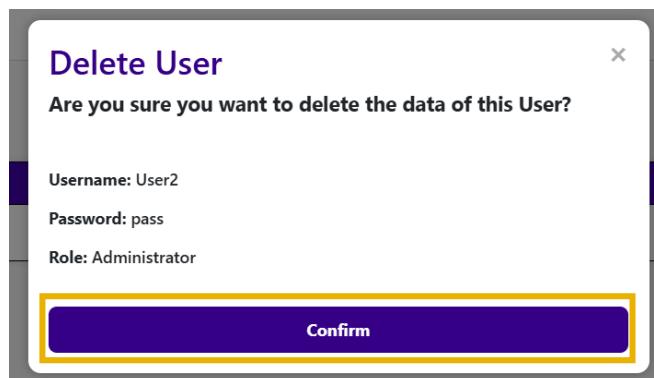

If an error is found, review section *3.11.5.2 Update Errors*.

3.9.5 How to Delete a User.

In each register from the table, it will be a “Delete” button. You must click the “Delete” button of the register you want to delete.

		Username	Password	Role
Edit	Delete	User2	Administrator

Once you click the “Delete” button, it will display the information of the selected user with a message to confirm the delete action. To confirm the delete of the user, you must click the “Confirm” button.

3.9.6 How to Check the Password of a User.

In each register from the table, it will be a “See” button in the “Password” column. You must click the “See” button of the register you want to know the password.

		Username	Password	Role
Edit	Delete	Admin	Administrator

Once you click the “See” button, the password will be visible.

		Username	Password	Role
Edit	Delete	Admin	admin	Administrator

If you want to hide the password, you must click the “Hide” button next to the visible password.

		Username	Password	Role
Edit	Delete	Admin	admin	Administrator

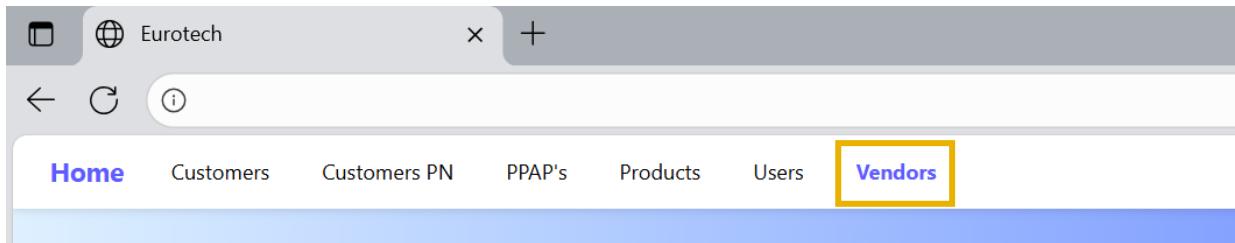

Now the password will be hidden.

		Username	Password	Role
Edit	Delete	Admin	Administrator

3.10 Vendors Tab.

3.10.1 How to Navigate to “Vendors” View.

On the navigation bar, you can access to the “Vendors” view.

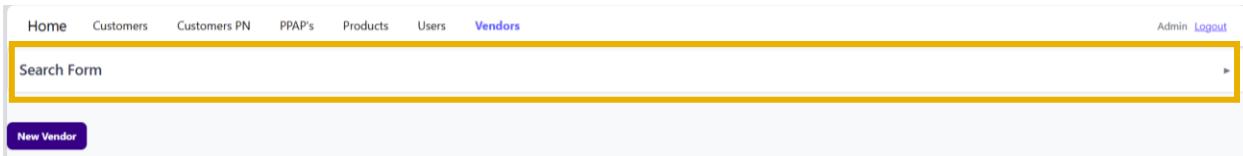

Here you can manage the registers of all the vendors.

A screenshot of the "Vendors" view. The top navigation bar shows "Home", "Customers", "Customers PN", "PPAP's", "Products", "Users", and "Vendors". A "Search Form" input field is present. Below is a table with a purple header containing columns for Vendor ID and Vendor. Each row has "Edit" and "Delete" buttons. The data is as follows:

		Vendor ID	Vendor
<button>Edit</button>	<button>Delete</button>	VEN001	ETC (ETC)
<button>Edit</button>	<button>Delete</button>	VEN002	KTG (KTG)
<button>Edit</button>	<button>Delete</button>	VEN003	Toagosei (TGA)
<button>Edit</button>	<button>Delete</button>	VEN004	Coroflex (Coroflex)
<button>Edit</button>	<button>Delete</button>	VEN027	Coroplast Tape Corporation (Coroplast)
<button>Edit</button>	<button>Delete</button>	VEN238	Union Polymer Material CO.,LTD (UPM)

3.10.2 How to Search a Vendor.

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

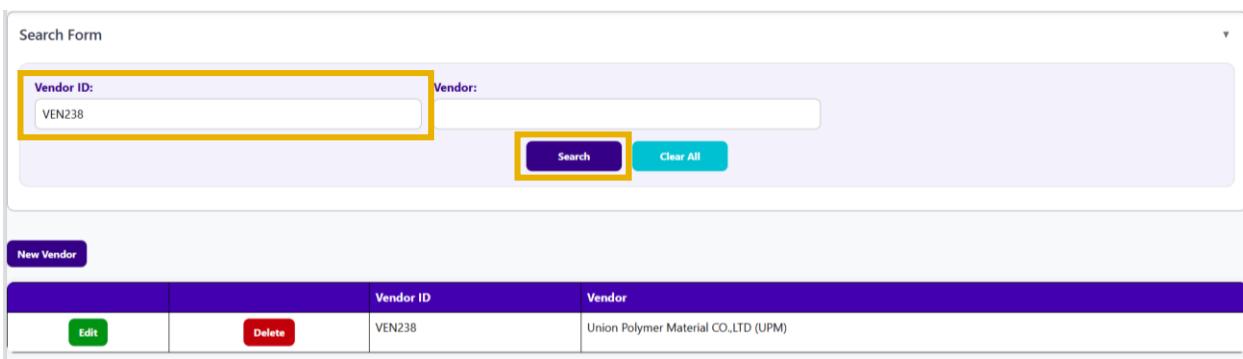

Once you click it, the “Search Form” will be displayed

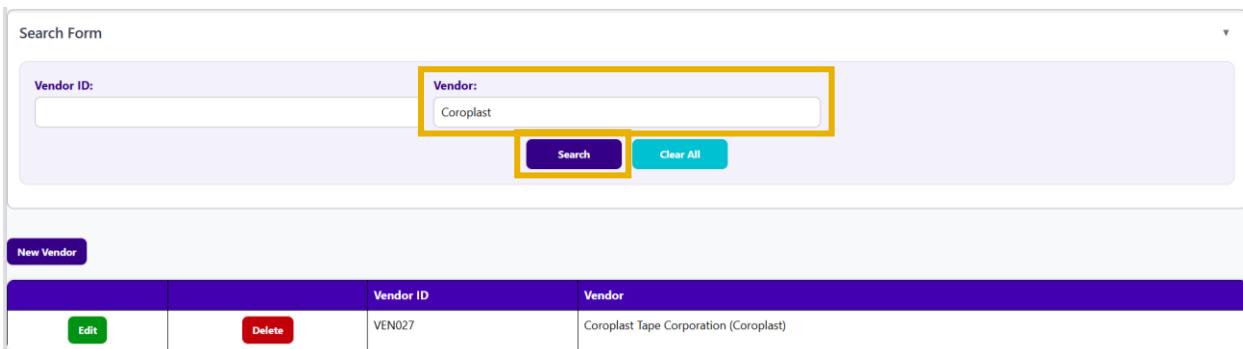

The search form allows you to perform searches by “Vendor ID” and “Vendor”.

You can search by “Vendor ID”, using the “Vendor ID” field and clicking the “Search” button.

You can search by “Vendor”, using the “Vendor” field and clicking the “Search” button.

And with the “Clear All” button, you can clean the querying and see all the registers of the vendors.

The screenshot shows a user interface for managing vendors. At the top, there is a "Search Form" with fields for "Vendor ID" (containing "VEN027") and "Vendor" (containing "Coroplast"). Below the search form are two buttons: "Search" (purple) and "Clear All" (cyan, highlighted with a yellow box). A "New Vendor" button is located above the table. The main area displays a table with columns: "Edit" (green), "Delete" (red), "Vendor ID" (containing "VEN027"), and "Vendor" (containing "Coroplast Tape Corporation (Coroplast)").

Edit	Delete	Vendor ID	Vendor
		VEN027	Coroplast Tape Corporation (Coroplast)

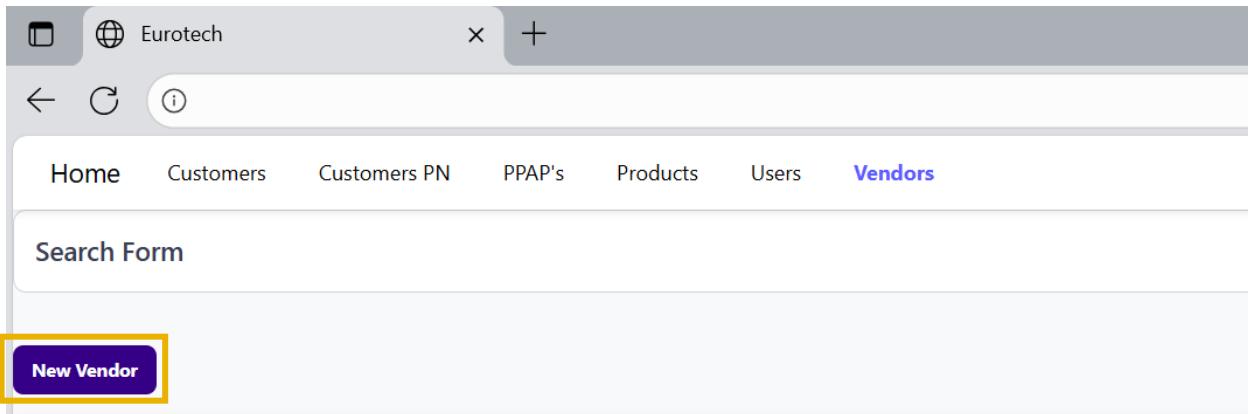

Once you click the “Clear All” button, the fields of the “Search Form” will be empty, and in the table will be shown all the vendors.

The screenshot shows the same user interface after clicking the "Clear All" button. The "Search Form" fields are now empty. The table below shows all vendor records: VEN001 (ETC (ETC)), VEN002 (KTG (KTG)), VEN003 (Toagosei (TGA)), VEN004 (Coroflex (Coroflex)), VEN027 (Coroplast Tape Corporation (Coroplast)), and VEN238 (Union Polymer Material CO.,LTD (UPM)).

Edit	Delete	Vendor ID	Vendor
		VEN001	ETC (ETC)
		VEN002	KTG (KTG)
		VEN003	Toagosei (TGA)
		VEN004	Coroflex (Coroflex)
		VEN027	Coroplast Tape Corporation (Coroplast)
		VEN238	Union Polymer Material CO.,LTD (UPM)

3.10.3 How to Add a New Vendor.

If you want to add a new vendor, you must click the “New Vendor” button that is below the “Search Form”.

Once you click the “New Vendor” button, it will display a data entry to create a new vendor.

A screenshot of a modal dialog box titled "Register New Vendor". Inside the dialog, there are three input fields, each preceded by a red asterisk indicating it is a mandatory field: "Vendor ID:", "Vendor:", and "Vendor (short name:)". Below these fields is a large purple "Save" button. To the right of the dialog, a blue callout box contains the text "Mandatory fields" with three blue arrows pointing from the text to the respective asterisks in the input fields.

If you want to save the register of a new vendor, you must click the “Save” button.

The dialog box has a title "Register New Vendor". It contains three input fields with validation messages: "do" (Vendor ID), "00" (Vendor), and "00" (Vendor (short name)). Below the fields is a yellow-highlighted "Save" button.

If no errors are found, the register will be added successfully.

		Vendor ID	Vendor
	Edit	Delete	
		VEN999	Vendor999 (V999)

If an error is found, review section [3.11.6.1 Data Entry Errors](#).

3.10.4 How to Edit Information of a Vendor.

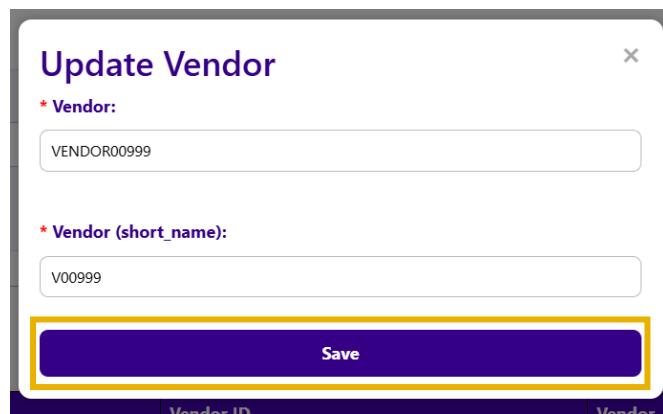

In each register from the table, it will be an “Edit” button. You must click the “Edit” button of the register you want to update.

	Vendor ID	Vendor
Edit	VEN999	Vendor999 (V999)

Once you click the “Edit” button, it will display an update form to edit the information of the selected vendor.

The dialog box has a title "Update Vendor". It contains two input fields: "Vendor" (Vendor999) and "Vendor (short_name)" (V999). Below the fields is a yellow-highlighted "Save" button.

To save the changes, you must click the “Save” button.

The dialog box has a title "Update Vendor". It contains two input fields: one for "Vendor" with value "VENDOR00999" and one for "Vendor (short_name)" with value "V00999". At the bottom is a purple "Save" button, which is highlighted with a yellow border.

If no errors are found, the register will be updated successfully.

		Vendor ID	Vendor
<button>Edit</button>	<button>Delete</button>	VEN999	VENDOR00999 (V00999)

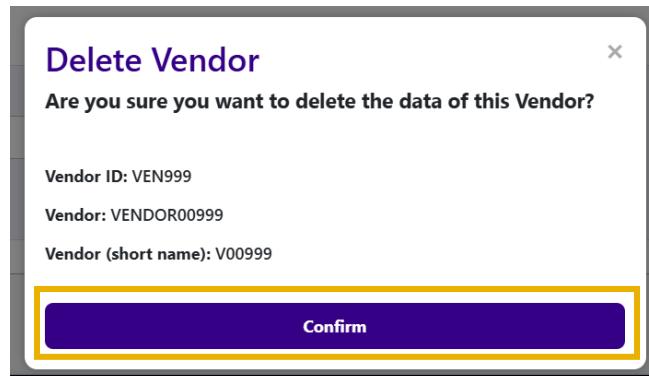

If an error is found, review section 3.11.6.2 *Update Errors*.

3.10.5 How to Delete a Vendor.

In each register from the table, it will be a “Delete” button. You must click the “Delete” button of the register you want to delete.

		Vendor ID	Vendor
<button>Edit</button>	<button>Delete</button>	VEN999	VENDOR00999 (V00999)

Once you click the “Delete” button, it will display the information of the selected vendor with a message to confirm the delete action. To confirm the delete of the vendor, you must click the “Confirm” button. It only deletes vendors that don’t have registers in “Products” and “PPAP’s” pages.

The dialog box has a title "Delete Vendor" and a message "Are you sure you want to delete the data of this Vendor?". It lists the vendor's details: Vendor ID: VEN999, Vendor: VENDOR00999, and Vendor (short name): V00999. At the bottom is a purple "Confirm" button, which is highlighted with a yellow border.

If an error is found, review section 3.11.6.3 *Delete Error*.

3.11 Errors.

3.11.1 Customers Page Errors.

3.11.1.1 Data Entry Errors.

3.11.1.1.1 Customer ID must start with ‘CUS’.

If you don't write correctly the “Customer ID” by not writing “CUS” at the beginning of the ID, it will show an error message, that says that the “Customer ID” must starts with “CUS”.

The screenshot shows a modal dialog titled "Register New Customer". Inside, there is a red error box with the text "Customer ID must start with 'CUS'." Below it, a form field labeled "* Customer ID:" contains the value "CS".

To correct this error, you must write a valid “Customer ID” following the format “CUS000” or “CUS0000”, like this example:

The screenshot shows the same "Register New Customer" dialog. The error message is gone, and the "Customer ID:" field now contains "CUS302".

3.11.1.1.2 Customer ID must contain only numbers after ‘CUS’.

If you don't write correctly the “Customer ID” by not writing only numbers after “CUS”, it will show an error message, that says that the “Customer ID” must contain only numbers after “CUS”.

The screenshot shows the "Register New Customer" dialog again. The error message "Customer ID must contain only numbers after 'CUS'." is present. The "Customer ID:" field contains "CUS00A".

To correct this error, you must write a valid “Customer ID” following the format “CUS000” or “CUS0000”, like this example:

The screenshot shows the final state of the "Register New Customer" dialog. The error message is absent, and the "Customer ID:" field contains "CUS302".

3.11.1.1.3 The customer customer's name - country already exists.

If you write in the fields “Customer” and “Country” the data of a customer that already exists, it will show an error message, that says that already exists a register with the customer's name and country you are trying to register.

The screenshot shows a modal dialog titled "Register New Customer". Inside the dialog, there is an error message box with a yellow border containing the text "The customer PKC (Motherson) - Mexico already exists.". Below this, there are three input fields: "Customer ID" (value: CUS430), "Customer" (value: PKC (Motherson)), and "Country" (value: Mexico). The entire dialog has a dark gray background.

The error message prevents duplicate registers of customers.

3.11.1.1.4 The customer customer's name already exists.

If you write in the “Customer” field and the “Country” field is empty, and this data match with a customer that already exists, it will show an error message, that says that already exists a register with the customer's name you are trying to register.

The screenshot shows a modal dialog titled "Register New Customer". Inside the dialog, there is an error message box with a yellow border containing the text "The customer ACS already exists.". Below this, there are three input fields: "Customer ID" (value: CUS428), "Customer" (value: ACS), and "Country" (value: empty). The entire dialog has a dark gray background.

The error message prevents duplicate registers of customers.

3.11.1.1.5 Customer PPAP Number must have the form 'PP00000'.

If you don't write correctly the "Customer PPAP Number" by not writing "PP" at the beginning or by not writing a 5-digit number after "PP", it will show an error message, that says that the "Customer PPAP Number" must have the form "PP00000".

The screenshot shows a modal dialog titled "Register New Customer". Inside the dialog, there is a red error message box containing the text "Customer PPAP Number must have the form 'PP00000'". Below the error message, there are four input fields: "Customer ID" (value: CUS302), "Customer" (value: Customer 302), "Country" (value: Mexico), and "Customer PPAP Number" (value: AA00001). The "Customer PPAP Number" field is highlighted with a yellow border, indicating it is the source of the validation error.

To correct this error, you must write a valid "Customer PPAP Number" following the format "PP00000", like this example:

The screenshot shows a close-up of a single input field labeled "Customer PPAP Number". The field contains the value "PP00140" and is highlighted with a yellow border, indicating it is a valid entry.

3.11.1.1.6 The Customer PPAP Number *Customer PPAP Number* already exists.

If you write in the “Customer PPAP Number” field a Customer PPAP Number that already exists, it will show an error message, that says that already exists a register with the Customer PPAP Number you are trying to register.

The screenshot shows a modal dialog titled "Register New Customer". Inside the dialog, there is an error message box with a yellow border containing the text "The Customer PPAP Number PP00032 already exists.". Below this, there are four input fields: "Customer ID" (value: CUS302), "Customer" (value: Customer 302), "Country" (empty), and "Customer PPAP Number" (value: PP00032). The "Customer PPAP Number" field is highlighted with a red border.

To correct this error, you must write a “Customer PPAP Number” that doesn’t exist.

3.11.1.1.7 You must select at least 1 product for the customer.

If you don't select at least 1 product in the "Product" field, it will show an error message, that says that you must select at least 1 product for the customer.

The screenshot shows a modal dialog titled "Register New Customer". At the top, there is an error message box with a yellow border containing the text "You must select at least 1 product for the customer.". Below this, there are several input fields and dropdown menus:

- * Customer ID: CUS302
- * Customer: Customer 302
- Country: Mexico
- Customer PPAP Number: PP00140
- Customer IMDS ID No.: (empty field)
- * Products:
 - BluSeal
 - Cables
 - Tapes
 - Tubes

To correct this error, you must select at least 1 product for the customer, like this example:

The screenshot shows the same modal dialog as before, but now the "Products" section has at least one checkbox selected. The "Cables" checkbox is checked, indicated by a blue square icon next to the label. All other checkboxes (BluSeal, Tapes, Tubes) are empty.

3.11.1.2 Update Errors.

3.11.1.2.1 Customer ID must start with ‘CUS’.

If you don’t write correctly the “Customer ID” by not writing “CUS” at the beginning of the ID, it will show an error message, that says that the “Customer ID” must starts with “CUS”.

The screenshot shows a modal dialog titled "Update Customer". Inside, there is an error message box with a yellow border containing the text "Customer ID must start with 'CUS'". Below it, the label "* Customer ID:" is followed by an input field containing "CS0004".

To correct this error, you must write a valid “Customer ID” following the format “CUS000” or “CUS0000”, like this example:

The screenshot shows a modal dialog titled "Update Customer". The input field for "Customer ID" now contains "CUS002", which is highlighted with a yellow border. The error message box is no longer present.

3.11.1.2.2 Customer ID must contain only numbers after ‘CUS’.

If you don’t write correctly the “Customer ID” by not writing only numbers after “CUS”, it will show an error message, that says that the “Customer ID” must contain only numbers after “CUS”.

The screenshot shows a modal dialog titled "Update Customer". The input field for "Customer ID" contains "CUS0A2", which is highlighted with a yellow border. An error message box with a yellow border displays the text "Customer ID must contain only numbers after 'CUS'".

To correct this error, you must write a valid “Customer ID” following the format “CUS000” or “CUS0000”, like this example:

The screenshot shows a modal dialog titled "Update Customer". The input field for "Customer ID" now contains "CUS002", which is highlighted with a yellow border. The error message box is no longer present.

3.11.1.2.3 The customer customer's name - country already exists.

If you write in the fields “Customer” and “Country” the data of a customer that already exists, it will show an error message, that says that already exists a register with the customer's name and country you are trying to register.

The screenshot shows a modal dialog titled "Update Customer". Inside the dialog, there is an error message box with a yellow border containing the text "The customer Lear EU - Europe already exists.". Below the error message are three input fields: "Customer ID" (value: CUS002), "Customer" (value: Lear EU), and "Country" (value: Europe). The entire dialog is set against a dark background.

The error message prevents duplicate registers of customers.

3.11.1.2.4 The customer customer's name already exists.

If you write in the “Customer” field and the “Country” field is empty, and this data match with a customer that already exists, it will show an error message, that says that already exists a register with the customer's name you are trying to register.

The screenshot shows a modal dialog titled "Update Customer". Inside the dialog, there is an error message box with a yellow border containing the text "The customer ACS already exists.". Below the error message are three input fields: "Customer ID" (value: CUS002), "Customer" (value: ACS), and "Country" (value: empty). The entire dialog is set against a dark background.

The error message prevents duplicate registers of customers.

3.11.1.2.5 Customer PPAP Number must have the form 'PP00000'.

If you don't write correctly the "Customer PPAP Number" by not writing "PP" at the beginning or by not writing a 5-digit number after "PP", it will show an error message, that says that the "Customer PPAP Number" must have the form "PP00000".

The screenshot shows a modal dialog titled "Update Customer". Inside the dialog, there is a red error message box containing the text "Customer PPAP Number must have the form 'PP00000'." Below the error message are four input fields: "Customer ID" (value: CUS002), "Customer" (value: PKC (Motherson)), "Country" (value: Mexico), and "Customer PPAP Number" (value: NM90JU8). The "Customer PPAP Number" field is highlighted with a yellow border.

To correct this error, you must write a valid "Customer PPAP Number" following the format "PP00000", like this example:

The screenshot shows a close-up of the "Customer PPAP Number" input field from the previous dialog. The field contains the value "PP00140" and is highlighted with a yellow border, indicating it is the current focus or has been corrected.

3.11.1.2.6 The Customer PPAP Number *Customer PPAP Number* already exists.

If you write in the “Customer PPAP Number” field a Customer PPAP Number that already exists, it will show an error message, that says that already exists a register with the Customer PPAP Number you are trying to register.

The screenshot shows a modal dialog titled "Update Customer". Inside the dialog, there is a red error message box containing the text "The Customer PPAP Number PP00032 already exists." Below the error message are four input fields: "Customer ID" (CUS002), "Customer" (PKC (Motherson)), "Country" (Mexico), and "Customer PPAP Number" (PP00032). The "Customer PPAP Number" field is highlighted with a yellow border.

To correct this error, you must write a “Customer PPAP Number” that doesn’t exist.

3.11.1.3 Delete Error.

If you tried to delete a customer, and it shows you an error message, that says that the customer you are trying to delete can't be deleted, because it already has registers, this means that the customer has registers in the “Customers PN” page and probably in the “PPAP’s” page.

The screenshot shows a modal dialog titled "Delete Customer" with the question "Are you sure you want to delete the data of this Customer?". Inside the dialog, there is a red error message box containing the text "This customer can't be deleted, because it already has registers." Below the message are the details of the customer being deleted: Customer ID: CUS1056, Customer: Amphenol FCI/TCS, Country: Mexico, Customer PPAP Number: PP00076, Customer IMDS ID No.: 48001, and Products: Tapes. At the bottom of the dialog is a blue "Confirm" button.

If you want to delete the customer, you must delete all the registers of this customer in the “Customers PN” and “PPAP’s” pages.

3.11.2 Customers PN Page Errors.

3.11.2.1 Data Entry Errors.

3.11.2.1.1 The customer customer's name - country doesn't exist.

If you write in the fields “Customer” and “Country” the data of a customer that doesn’t exist, it will show an error message, that says that doesn’t exist a register with the customer’s name and country you are trying to register.

The screenshot shows a modal dialog titled "Register New Customer PN". Inside the dialog, there is a red error message box containing the text "The customer Voltaira - Mexico doesn't exist." Below this, there are three input fields: "Customer PN" (containing "10021707-01"), "Customer" (containing "Voltaira"), and "Country" (containing "Mexico").

To correct this error, you must check first if the “Customer” and “Country” are written correctly. If they are written correctly but it keeps showing the same error message, then you must check in the “Customers” page if the register of the customer exists (**you can check in the Index the instruction 3.1.2 How to Search a Customer**).

If the customer is not in the registers of the “Customers” page, then you must create a new register for that customer (**you can check in the Index the instruction 3.1.3 How to Add a new Customer**).

Once you create the customer, you can now try to register the new Customer PN again.

3.11.2.1.2 The customer customer's name doesn't exist.

If you write in the “Customer” field and the “Country” field is empty, and the data doesn’t match with a register of a customer, it will show an error message, that says that doesn’t exist a register with the customer’s name you are trying to register.

The screenshot shows a modal dialog titled "Register New Customer PN". Inside the dialog, there are three input fields: "Customer PN" (containing "10035"), "Customer" (containing "Aptiv"), and "Country" (empty). A red error message box at the top states "The customer Aptiv doesn't exist." The entire dialog has a dark gray background.

To correct this error, you must check first if the “Customer” is written correctly. If it is written correctly but it keeps showing the same error message, then you must check in the “Customers” page if the register of the customer exists (**you can check in the Index the instruction 3.1.2 How to Search a Customer**).

If the customer is not in the registers of the “Customers” page, then you must create a new register for that customer (**you can check in the Index the instruction 3.1.3 How to Add a New Customer**).

Once you create the customer, you can now try to register the new Customer PN again.

3.11.2.1.3 The Eurotech PN Eurotech PN doesn't exist.

If you write in the “Eurotech PN” field and the data doesn’t match with a register of a product of Eurotech, it will show an error message, that says that doesn’t exist a register with the Eurotech PN you are trying to register.

The screenshot shows a modal dialog titled "Register New Customer PN". Inside the dialog, there is a red rectangular box containing the error message: "The Eurotech PN 1288X-19-25-RED doesn't exist." Below this message, there are four input fields: "Customer PN" (containing "10035"), "Customer" (containing "Aptiv"), "Country" (containing "Mexico"), and "Eurotech PN" (containing "1288X-19-25-RED").

To correct this error, you must check first if the “Eurotech PN” is written correctly. If it is written correctly but it keeps showing the same error message, then you must check in the “Products” page if the register of the product exists (**you can check in the Index the instruction 3.8.2 How to Search a Product**).

If the product is not in the registers of the “Products” page, then you must create a new register for that product (**you can check in the Index the instruction 3.8.3 How to Add a New Product**).

Once you create the product, you can now try to register the new Customer PN again.

3.11.2.1.4 A Customer PN already exists for the Eurotech PN Eurotech PN and the customer customer's name - country.

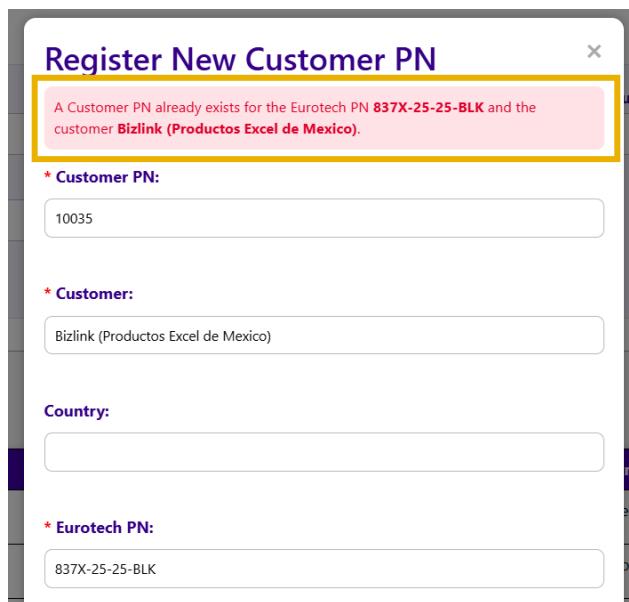

If you try to duplicate a register with the same “Customer”, “Country” and “Eurotech PN”, it will show an error message, that says that a Customer PN already exists for the Eurotech PN, customer's name and country you are trying to register.

The screenshot shows a modal dialog titled "Register New Customer PN". Inside the dialog, there is a pink error message box containing the text: "A Customer PN already exists for the Eurotech PN 8310SE-19-25-BLK and the customer Voltaira - Europe." Below the error message, there are four input fields: "Customer PN" (value: 10035), "Customer" (value: Voltaira), "Country" (value: Europe), and "Eurotech PN" (value: 8310SE-19-25-BLK). The entire dialog is set against a dark background.

The error message prevents duplicate registers of Customers PN.

3.11.2.1.5 A Customer PN already exists for the Eurotech PN Eurotech PN and the customer customer's name.

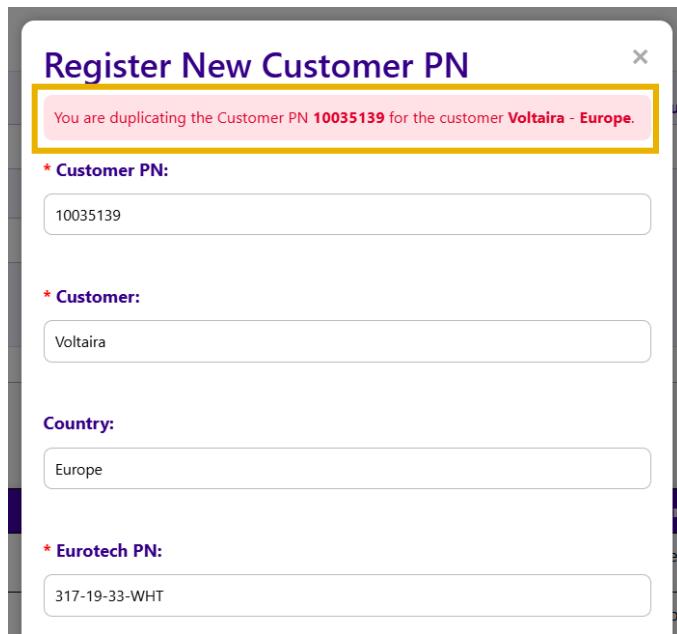

If you try to duplicate a register with the same “Customer” and “Eurotech PN”, it will show an error message, that says that a Customer PN already exists for the Eurotech PN and customer's name you are trying to register.

The error message prevents duplicate registers of Customers PN.

3.11.2.1.6 You are duplicating the Customer PN Customer PN for the customer customer's name - country.

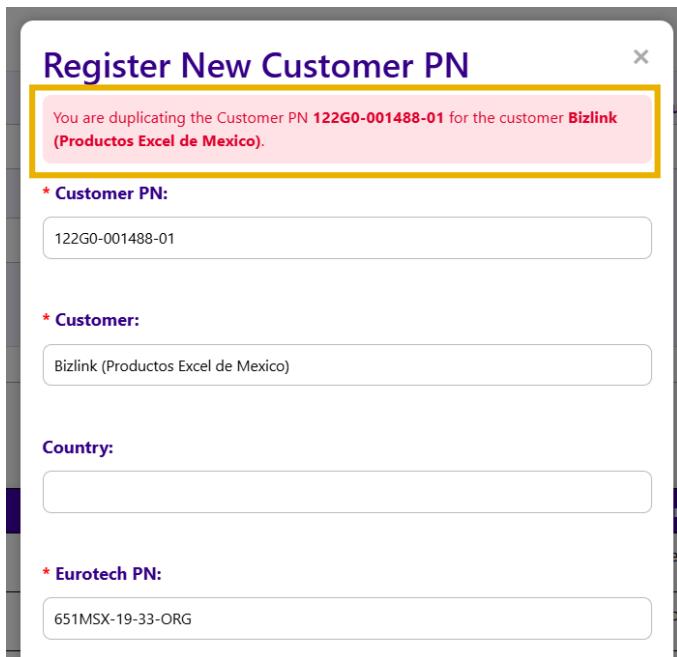

If you try to duplicate a register with the same “Customer PN”, “Customer” and “Country”, it will show an error message, that says that a register already exists with the Customer PN, customer’s name and country you are trying to register.

The error message prevents duplicate registers of Customers PN.

3.11.2.1.7 You are duplicating the Customer PN Customer PN for the customer customer's name.

If you try to duplicate a register with the same “Customer PN” and “Customer”, it will show an error message, that says that a register already exists with the Customer PN and customer's name you are trying to register.

The error message prevents duplicate registers of Customers PN.

3.11.2.2 Update Errors.

3.11.2.2.1 The customer customer's name - country doesn't exist.

If you write in the fields “Customer” and “Country” the data of a customer that doesn’t exist, it will show an error message, that says that doesn’t exist a register with the customer’s name and country you are trying to update.

The screenshot shows a modal dialog titled "Update Customer PN". Inside the dialog, there is a red rectangular error message box containing the text "The customer Voltaira - Mexico doesn't exist." Below this message, there are three input fields: "Customer PN" with value "10035139", "Customer" with value "Voltaira", and "Country" with value "Mexico".

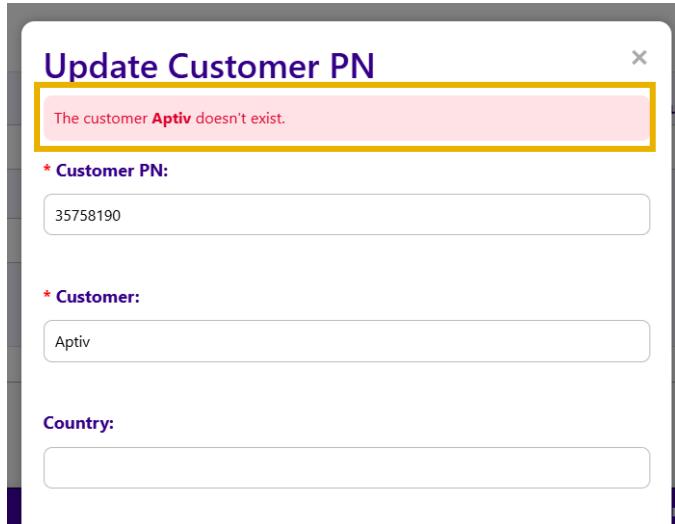

To correct this error, you must check first if the “Customer” and “Country” are written correctly. If they are written correctly but it keeps showing the same error message, then you must check in the “Customers” page if the register of the customer exists (**you can check in the Index the instruction 3.1.2 How to Search a Customer**).

If the customer is not in the registers of the “Customers” page, then you must create a new register for that customer (**you can check in the Index the instruction 3.1.3 How to Add a New Customer**).

Once you create the customer, you can now try to update the Customer PN again.

3.11.2.2.2 The customer customer's name doesn't exist.

If you write in the “Customer” field and the “Country” field is empty, and the data doesn’t match with a register of a customer, it will show an error message, that says that doesn’t exist a register with the customer’s name you are trying to update.

To correct this error, you must check first if the “Customer” is written correctly. If it is written correctly but it keeps showing the same error message, then you must check in the “Customers” page if the register of the customer exists (**you can check in the Index the instruction 3.1.2 How to Search a Customer**).

If the customer is not in the registers of the “Customers” page, then you must create a new register for that customer (**you can check in the Index the instruction 3.1.3 How to Add a New Customer**).

Once you create the customer, you can now try to update the Customer PN again.

3.11.2.2.3 The Eurotech PN Eurotech PN doesn't exist.

If you write in the “Eurotech PN” field and the data doesn’t match with a register of a product of Eurotech, it will show an error message, that says that doesn’t exist a register with the Eurotech PN you are trying to update.

The screenshot shows a modal dialog titled "Update Customer PN". Inside the dialog, there is a red error message box containing the text "The Eurotech PN 8310SE-19-25-RED doesn't exist." Below this, there are four input fields: "Customer PN" (containing "10035139"), "Customer" (containing "Voltaira"), "Country" (containing "Europe"), and "Eurotech PN" (containing "8310SE-19-25-RED").

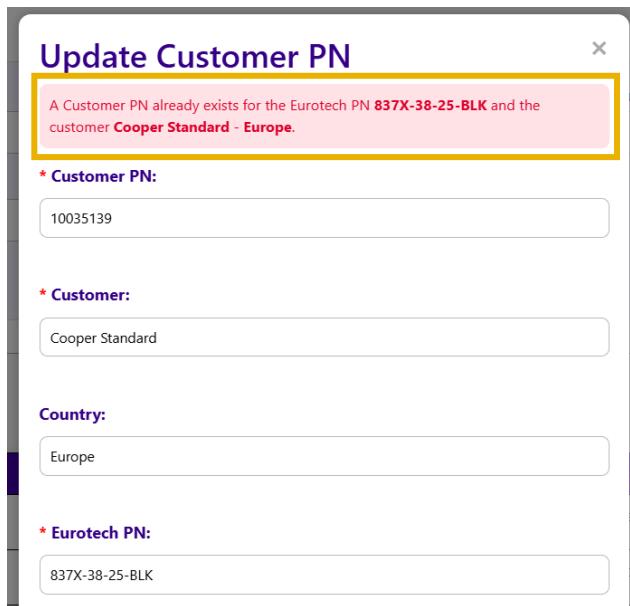

To correct this error, you must check first if the “Eurotech PN” is written correctly. If it is written correctly but it keeps showing the same error message, then you must check in the “Products” page if the register of the product exists (**you can check in the Index the instruction 3.8.2 How to Search a Product**).

If the product is not in the registers of the “Products” page, then you must create a new register for that product (**you can check in the Index the instruction 3.8.3 How to Add a New Product**).

Once you create the product, you can now try to update the Customer PN again.

3.11.2.2.4 A Customer PN already exists for the Eurotech PN Eurotech PN and the customer customer's name - country.

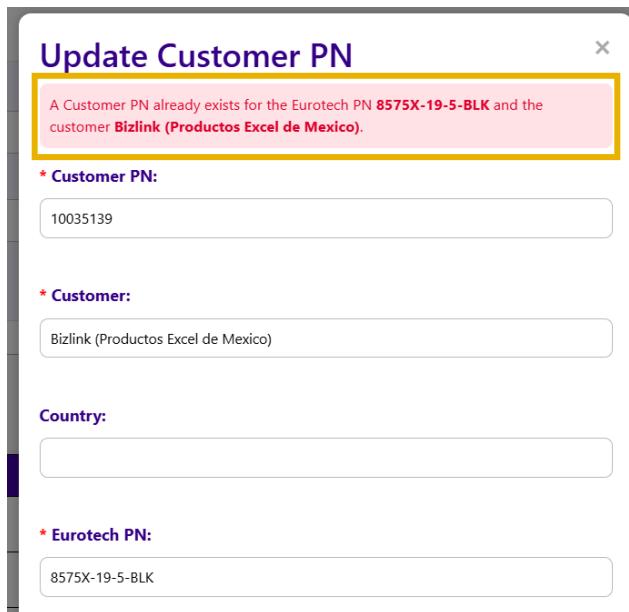

If you try to duplicate a register with the same “Customer”, “Country” and “Eurotech PN”, it will show an error message, that says that a Customer PN already exists for the Eurotech PN, customer's name and country you are trying to update.

The error message prevents duplicate registers of Customers PN.

3.11.2.2.5 A Customer PN already exists for the Eurotech PN Eurotech PN and the customer customer's name.

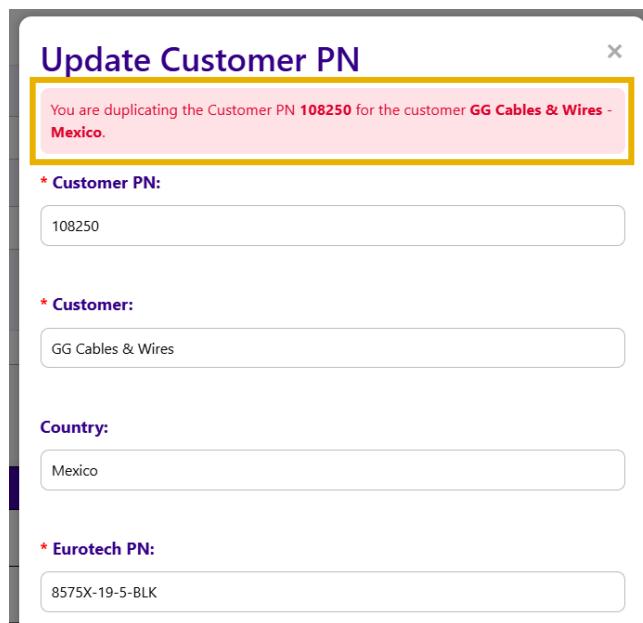

If you try to duplicate a register with the same “Customer” and “Eurotech PN”, it will show an error message, that says that a Customer PN already exists for the Eurotech PN and customer's name you are trying to update.

The error message prevents duplicate registers of Customers PN.

3.11.2.2.6 You are duplicating the Customer PN Customer PN for the customer customer's name - country.

If you try to duplicate a register with the same “Customer PN”, “Customer” and “Country”, it will show an error message, that says that a register already exists with the Customer PN, customer’s name and country you are trying to update.

The error message prevents duplicate registers of Customers PN.

3.11.2.2.7 You are duplicating the Customer PN Customer PN for the customer customer's name.

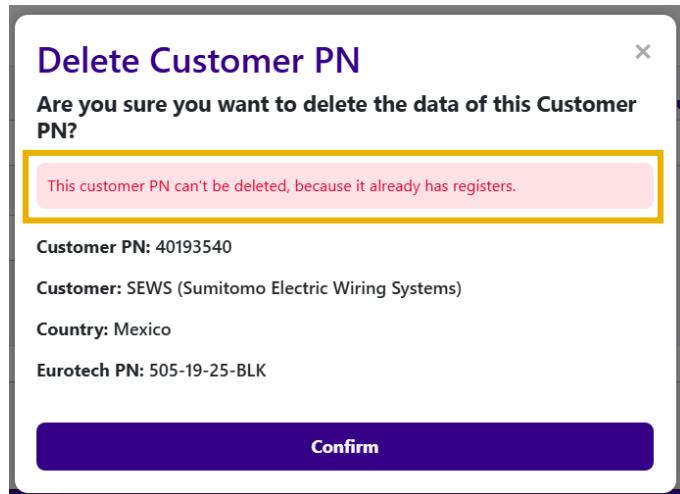

If you try to duplicate a register with the same “Customer PN” and “Customer”, it will show an error message, that says that a register already exists with the Customer PN and customer's name you are trying to update.

The screenshot shows a modal dialog titled "Update Customer PN". Inside the dialog, there is a red error message box containing the text: "You are duplicating the Customer PN 122G0-001488-01 for the customer Bizlink (Productos Excel de Mexico)". Below the error message, there are four input fields: "Customer PN" (containing "122G0-001488-01"), "Customer" (containing "Bizlink (Productos Excel de Mexico)"), "Country" (empty), and "Eurotech PN" (containing "880-19-15-BLK").

The error message prevents duplicate registers of Customers PN.

3.11.2.3 Delete Error.

If you tried to delete a Customer PN, and it shows you an error message, that says that the Customer PN you are trying to delete can't be deleted, because it already has registers, this means that the Customer PN has registers in the “PPAP’s” page.

If you want to delete the Customer PN, you must delete all the registers of this Customer PN in the “PPAP’s” page.

3.11.3 PPAP's, BluSeal, Cables, Tapes and Tubes Pages Errors.

3.11.3.1 Data Entry Errors.

3.11.3.1.1 The fields ‘Supplier PN’, ‘Customer’, ‘Country’, ‘Customer PN’, ‘Eurotech PN’ and ‘Description’ don’t match.

If you write in the fields “Supplier PN”, “Customer”, “Country”, “Customer PN”, “Eurotech PN” and “Description” the data of a product, customer or Customer PN that doesn’t exist, it will show an error message, that says that doesn’t exist a register that matches with the Supplier PN, customer’s name, country, Customer PN, Eurotech PN and description you are trying to register.

Register New PPAP

The fields 'Supplier PN', 'Customer', 'Country', 'Customer PN', 'Eurotech PN' and 'Description' don't match.

* Customer: Aptiv

Country: Brazil

* Customer PN: 35758190

* ET PN: P000542

* Description: ET11-24.0/6.0-BK-45mm

* PPAP Req'd by Customer: 11/25/2025

PPAP Number:

Current Status:

PPAP Requested to Vendor: mm/dd/yyyy

Vendor: UPM

Supplier PN: P000542

This screenshot shows a modal dialog titled 'Register New PPAP'. At the top, there is an error message in a red-bordered box: 'The fields 'Supplier PN', 'Customer', 'Country', 'Customer PN', 'Eurotech PN' and 'Description' don't match.' Below the message, the form fields are listed. The 'Customer' field contains 'Aptiv', 'Country' is set to 'Brazil', 'Customer PN' is '35758190', 'ET PN' is 'P000542', 'Description' is 'ET11-24.0/6.0-BK-45mm', 'PPAP Req'd by Customer' is '11/25/2025', and both 'PPAP Number' and 'Current Status' fields are empty. The 'Vendor' field is 'UPM' and the 'Supplier PN' field is 'P000542'. The entire form is set against a dark background.

To correct this error, you must check first if the “Supplier PN”, “Customer”, “Country”, “Customer PN”, “Eurotech PN” and “Description” are written correctly. If they are written correctly but it keeps showing the same error message, then you must check:

- In the “Customers PN” page if the register of the Customer PN exists (**you can check in the Index the instruction 3.2.2 How to Search a Customer PN**).
If the Customer PN is not in the registers of the “Customers PN” page, then you must create a new register for that Customer PN (**you can check in the Index the instruction 3.2.3 How to Add a New Customer PN**).
Once you create the Customer PN, you can now try to register the PPAP again.
- In the “Customers” page if the register of the customer exists (**you can check in the Index the instruction 3.1.2 How to Search a Customer**).
If the customer is not in the registers of the “Customers” page, then you must create a new register for that customer (**you can check in the Index the instruction 3.1.3 How to Add a New Customer**).
Once you create the customer, you can now try to register the Customer PN and then try to register the PPAP again.
- In the “Products” page if the register of the product exists (**you can check in the Index the instruction 3.8.2 How to Search a Product**).
If the product is not in the registers of the “Products” page, then you must create a new register for that product (**you can check in the Index the instruction 3.8.3 How to Add a New Product**).
Once you create the product, you can now try to register the Customer PN and then try to register the PPAP again.

3.11.3.1.2 PPAP Number must have the form 'PP00000-0000'.

If you don't write correctly the "PPAP Number" by not following the form "PP00000-0000" it will show an error message, that says that the "PPAP Number" must have the form "PP00000-0000".

Register New PPAP

PPAP Number must have the form 'PP00000-0000'.

* Customer: Aptiv

Country: Mexico

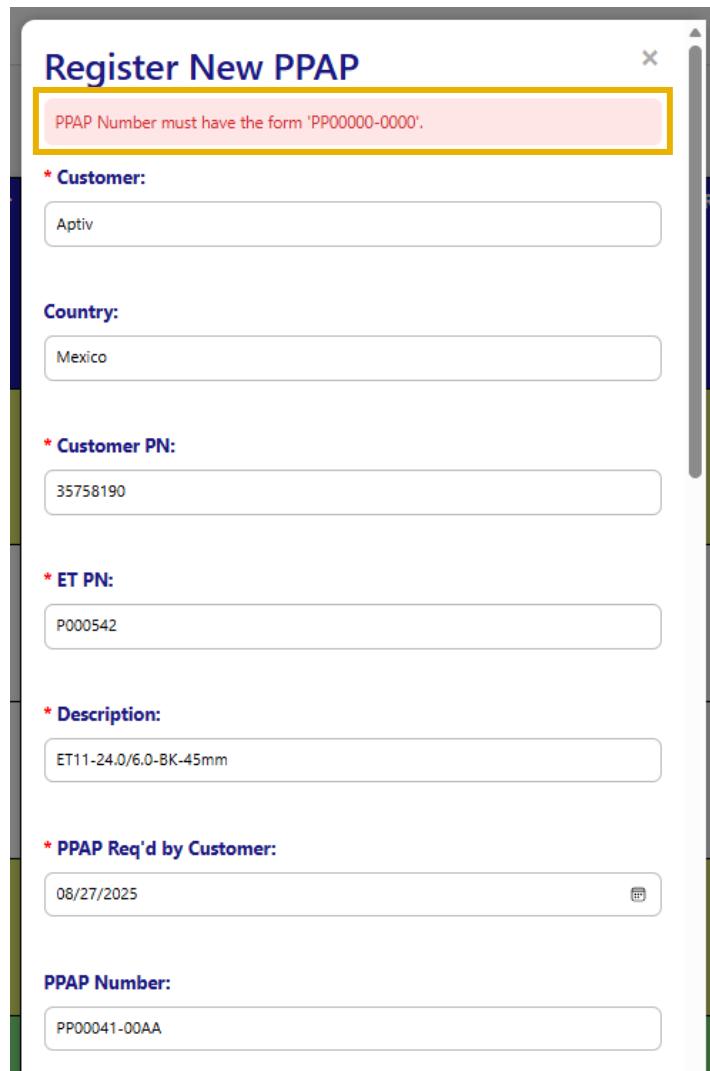

* Customer PN: 35758190

* ET PN: P000542

* Description: ET11-24.0/6.0-BK-45mm

* PPAP Req'd by Customer: 08/27/2025

PPAP Number: PP00041-00AA

To correct this error, you must write a valid "PPAP Number" following the format "PP00000-0000", like this example:

PPAP Number: PP00042-0033

3.11.3.1.3 The fields ‘PPAP Number’, ‘Customer’ and ‘Country’ don’t match.

If you write a PPAP Number that doesn’t match with the Customer PPAP Number of the customer, it will show an error message, that says that doesn’t exist a register that matches with the PPAP Number, customer’s name and country you are trying to register.

The screenshot shows a dialog box titled "Register New PPAP". Inside the dialog, there is an error message box with a yellow border containing the text "The fields 'PPAP Number', 'Customer' and 'Country' don't match." Below this, there are several input fields:

- * Customer: Aptiv
- Country: Mexico
- * Customer PN: 35758190
- * ET PN: P000542
- * Description: ET11-24.0/6.0-BK-45mm
- * PPAP Req'd by Customer: 08/27/2025
- PPAP Number: PP00041-0033

To correct this error, you must check first if the “PPAP Number” is written correctly. If it is written correctly but it keeps showing the same error message, then you must check on the “Customers” page if the PPAP Number match with the Customer PPAP Number of the customer (**you can check in the Index the instruction 3.1.2 How to Search a Customer**).

Once you check the customer’s correct Customer PPAP Number, you can now try to register the PPAP again.

3.11.3.2 Update Errors.

3.11.3.2.1 The fields ‘Supplier PN’, ‘Customer’, ‘Country’, ‘Customer PN’, ‘Eurotech PN’ and ‘Description’ don’t match.

If you write in the fields “Supplier PN”, “Customer”, “Country”, “Customer PN”, “Eurotech PN” and “Description” the data of a product, customer or Customer PN that doesn’t exist, it will show an error message, that says that doesn’t exist a register that matches with the Supplier PN, customer’s name, country, Customer PN, Eurotech PN and description you are trying to update.

Update PPAP

The fields 'Supplier PN', 'Customer', 'Country', 'Customer PN', 'Eurotech PN' and 'Description' don't match.

* Customer: Aptiv

Country: Brazil

* Customer PN: 35758190

* ET PN: P000542

* Description: ET11-24.0/6.0-BK-45mm

PPAP Number: PP00042-0033

Current Status: PSW Pending Approve

PPAP Requested to Vendor: mm/dd/yyyy

Vendor: UPM

Supplier PN: P000542

To correct this error, you must check first if the “Supplier PN”, “Customer”, “Country”, “Customer PN”, “Eurotech PN” and “Description” are written correctly. If they are written correctly but it keeps showing the same error message, then you must check:

- In the “Customers PN” page if the register of the Customer PN exists (**you can check in the Index the instruction 3.2.2 How to Search a Customer PN**).
If the Customer PN is not in the registers of the “Customers PN” page, then you must create a new register for that Customer PN (**you can check in the Index the instruction 3.2.3 How to Add a New Customer PN**).
Once you create the Customer PN, you can now try to update the PPAP again.
- In the “Customers” page if the register of the customer exists (**you can check in the Index the instruction 3.1.2 How to Search a Customer**).
If the customer is not in the registers of the “Customers” page, then you must create a new register for that customer (**you can check in the Index the instruction 3.1.3 How to Add a New Customer**).
Once you create the customer, you can now try to register the Customer PN and then try to update the PPAP again.
- In the “Products” page if the register of the product exists (**you can check in the Index the instruction 3.8.2 How to Search a Product**).
If the product is not in the registers of the “Products” page, then you must create a new register for that product (**you can check in the Index the instruction 3.8.3 How to Add a New Product**).
Once you create the product, you can now try to register the Customer PN and then try to update the PPAP again.

3.11.3.2.2 PPAP Number must have the form 'PP00000-0000'.

If you don't write correctly the "PPAP Number" by not following the form "PP00000-0000" it will show an error message, that says that the "PPAP Number" must have the form "PP00000-0000".

Update PPAP

PPAP Number must have the form 'PP00000-0000'.

* Customer:
Aptiv

Country:
Mexico

* Customer PN:
35758190

* ET PN:
P000542

* Description:
ET11-24.0/6.0-BK-45mm

* PPAP Req'd by Customer:
08/27/2025

PPAP Number:
PP00042-AV00

To correct this error, you must write a valid "PPAP Number" following the format "PP00000-0000", like this example:

PPAP Number:
PP00042-0033

3.11.3.2.3 The fields ‘PPAP Number’, ‘Customer’ and ‘Country’ don’t match.

If you write a PPAP Number that doesn’t match with the Customer PPAP Number of the customer, it will show an error message, that says that doesn’t exist a register that matches with the PPAP Number, customer’s name and country you are trying to update.

The screenshot shows a modal dialog titled "Update PPAP". At the top, there is an error message in a red-bordered box: "The fields 'PPAP Number', 'Customer' and 'Country' don't match." Below the message, there are several input fields:

- * Customer:** Aptiv
- Country:** Mexico
- * Customer PN:** 35758190
- * ET PN:** P000542
- * Description:** ET11-24.0/6.0-BK-45mm
- * PPAP Req'd by Customer:** 08/27/2025
- PPAP Number:** PP00030-0033

To correct this error, you must check first if the “PPAP Number” is written correctly. If it is written correctly but it keeps showing the same error message, then you must check on the “Customers” page if the PPAP Number match with the Customer PPAP Number of the customer (**you can check in the Index the instruction 3.1.2 How to Search a Customer**).

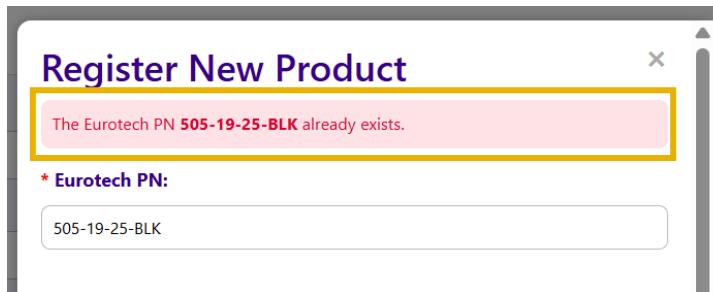

Once you check the customer’s correct Customer PPAP Number, you can now try to update the PPAP again.

3.11.4 Products Page Errors.

3.11.4.1 Data Entry Errors.

3.11.4.1.1 The Eurotech PN Eurotech PN already exists.

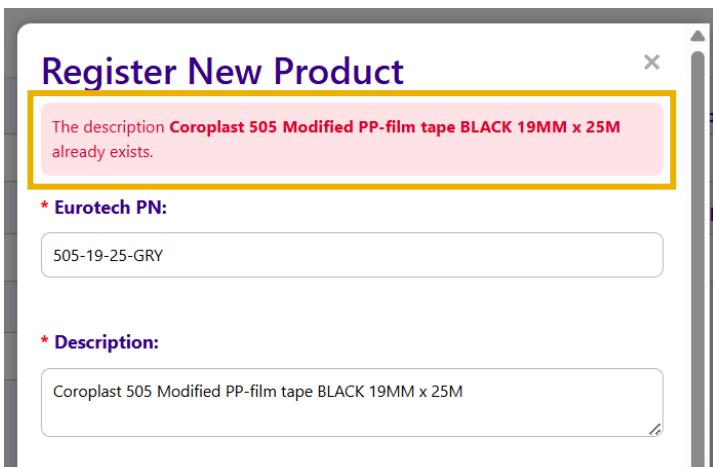

If you write an Eurotech PN that already exists, it will show an error message, that says that exists a register with the Eurotech PN you are trying to register.

The error message prevents duplicate registers of products.

3.11.4.1.2 The description description already exists.

If you write a description that already exists, it will show an error message, that says that exists a register with the description you are trying to register.

The error message prevents duplicate registers of products.

3.11.4.1.3 The Supplier PN *Supplier PN* already exists.

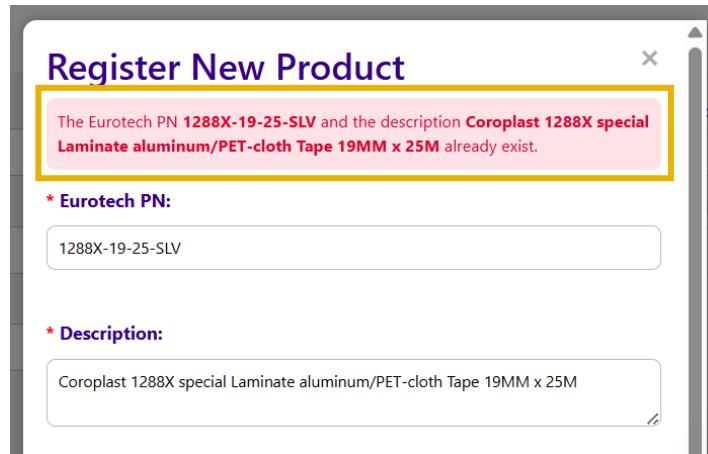

If you write a Supplier PN that already exists, it will show an error message, that says that exists a register with the Supplier PN you are trying to register.

The screenshot shows a 'Register New Product' dialog box. At the top, there is a red error message box containing the text 'The Supplier PN 102792 already exists.' Below this, there are four input fields:

- * Eurotech PN:** The value '505-19-25-GRY' is entered.
- * Description:** The value '505-19-25-GRY' is entered.
- Supplier:** The value 'Coroplast' is entered.
- Supplier PN:** The value '102792' is entered.

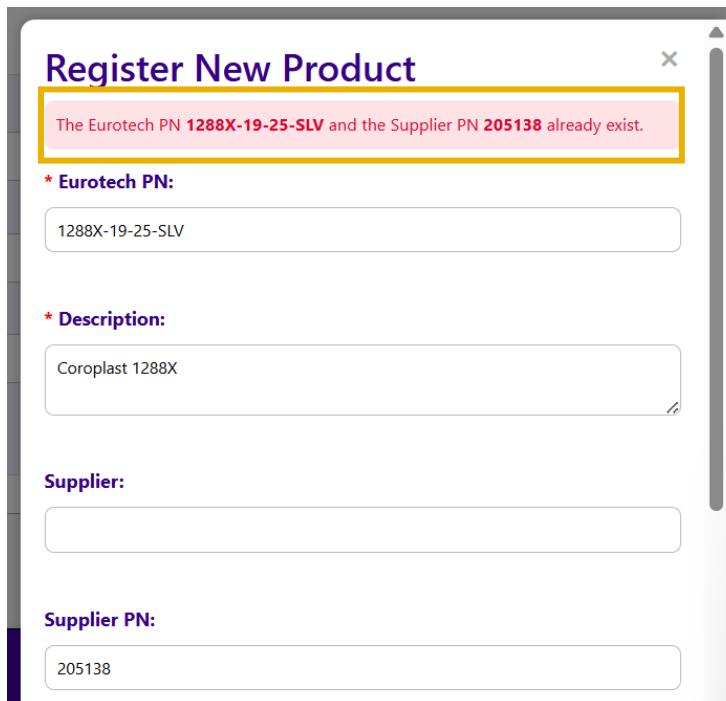

The error message prevents duplicate registers of products.

3.11.4.1.4 The Eurotech PN *Eurotech PN* and the description *description* already exist.
If you write an Eurotech PN and description that already exist, it will show an error message, that says that exists a register with the Eurotech PN and description you are trying to register.

The error message prevents duplicate registers of products.

3.11.4.1.5 The Eurotech PN *Eurotech PN* and the Supplier PN *Supplier PN* already exist.
If you write an Eurotech PN and Supplier PN that already exist, it will show an error message, that says that exists a register with the Eurotech PN and Supplier PN you are trying to register.

The error message prevents duplicate registers of products.

3.11.4.1.6 The Supplier PN *Supplier PN* and the description *description* already exist.

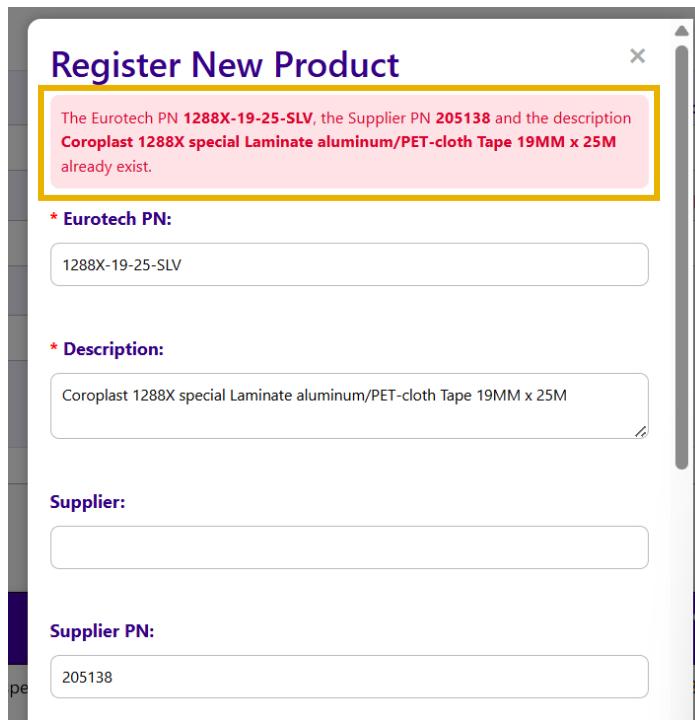

If you write a Supplier PN and description that already exist, it will show an error message, that says that exists a register with the Supplier PN and description you are trying to register.

The screenshot shows a 'Register New Product' dialog box. At the top, there is a red error message box containing the text: 'The Supplier PN 163490 and the description Coroplast 1288X special Laminate aluminum/PET-cloth Tape 19MM x 25M already exist.' Below this, there are input fields for 'Supplier PN' (containing '1288X-19-25-GRY'), 'Description' (containing 'Coroplast 1288X special Laminate aluminum/PET-cloth Tape 19MM x 25M'), 'Supplier' (empty), and 'Supplier PN' (containing '163490').

The error message prevents duplicate registers of products.

3.11.4.1.7 The Eurotech PN *Eurotech PN*, the Supplier PN *Supplier PN* and the description *description* already exist.

If you write an Eurotech PN, Supplier PN and description that already exist, it will show an error message, that says that exists a register with the Eurotech PN, Supplier PN and description you are trying to register.

The error message prevents duplicate registers of products.

3.11.4.1.8 The vendor vendor's name doesn't exist.

If you write a supplier that doesn't exist, it will show an error message, that says that there is no register with the supplier you are trying to register.

The screenshot shows a 'Register New Product' dialog box. At the top, it says 'Register New Product'. Below that, there is an error message in a red box: 'The vendor Coroplist doesn't exist.' This message is highlighted with a yellow border. There are three input fields below the message:

- * Eurotech PN: 123X-25-25-SLV
- * Description: 123X-25-25-SLV
- Supplier: Coroplist

To correct this error, you must check first if the “Supplier” is written correctly. If it is written correctly but it keeps showing the same error message, then you must check in the “Vendors” page if the register of the vendor exists (**you can check in the Index the instruction 3.10.2 How to Search a Vendor**).

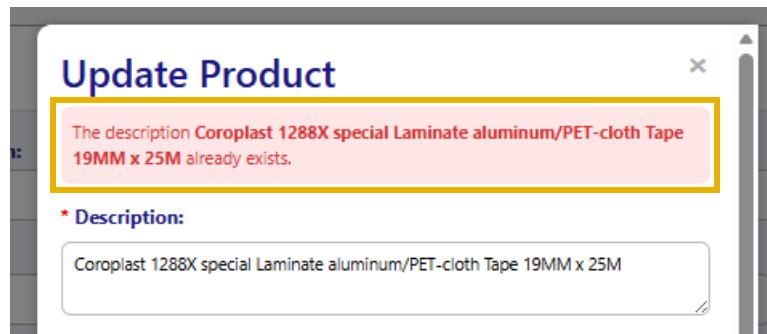

If the vendor is not in the registers of the “Vendors” page, then you must create a new register for that vendor (**you can check in the Index the instruction 3.10.3 How to Add a New Vendor**).

Once you create the vendor, you can now try to register the product again.

3.11.4.2 Update Errors.

3.11.4.2.1 The description description already exists.

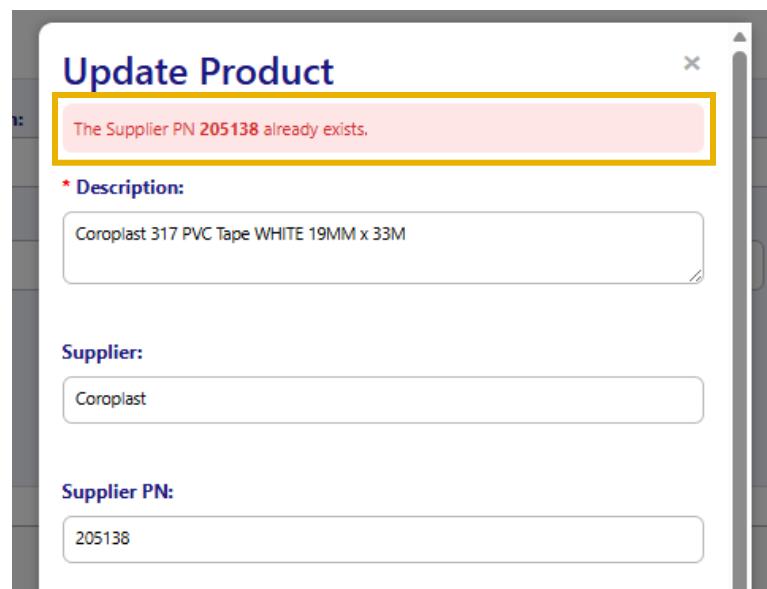

If you write a description that already exists, it will show an error message, that says that exists a register with the description you are trying to update.

The error message prevents duplicate registers of products.

3.11.4.2.2 The Supplier PN Supplier PN already exists.

If you write a Supplier PN that already exists, it will show an error message, that says that exists a register with the Supplier PN you are trying to update.

The error message prevents duplicate registers of products.

3.11.4.2.3 The Supplier PN Supplier PN and the description description already exist.

If you write a Supplier PN and description that already exist, it will show an error message, that says that exists a register with the Supplier PN and description you are trying to update.

The screenshot shows a 'Update Product' dialog box. At the top, there is a red error message box containing the text: 'The Supplier PN 205138 and the description Coroplast 1288X special Laminate aluminum/PET-cloth Tape 19MM x 25M already exist.' Below the error message, there are three input fields: 'Description' (containing 'Coroplast 1288X special Laminate aluminum/PET-cloth Tape 19MM x 25M'), 'Supplier' (containing 'Coroplast'), and 'Supplier PN' (containing '205138').

The error message prevents duplicate registers of products.

3.11.4.2.4 The vendor vendor's name doesn't exist.

If you write a supplier that doesn't exist, it will show an error message, that says that there is no register with the supplier you are trying to update.

The screenshot shows a 'Update Product' dialog box. At the top, there is a red error message box containing the text: 'The vendor Coroplist doesn't exist.' Below the error message, there are three input fields: 'Description' (containing 'Coroplast 317 PVC Tape WHITE 19MM x 33M'), 'Supplier' (containing 'Coroplist'), and 'Supplier PN' (empty).

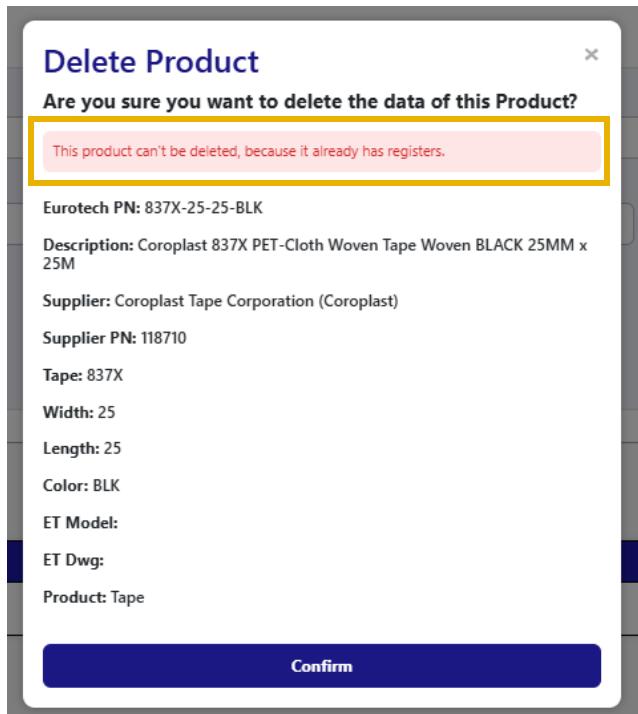

To correct this error, you must check first if the "Supplier" is written correctly. If it is written correctly but it keeps showing the same error message, then you must check in the "Vendors" page if the register of the vendor exists (**you can check in the Index the instruction 3.10.2 How to Search a Vendor**).

If the vendor is not in the registers of the "Vendors" page, then you must create a new register for that vendor (**you can check in the Index the instruction 3.10.3 How to Add a New Vendor**).

Once you create the vendor, you can now try to update the product again.

3.11.4.3 Delete Error.

If you tried to delete a product, and it shows you an error message, that says that the product you are trying to delete can't be deleted, because it already has registers, this means that the product has registers in the "Customers PN" page and probably in the "PPAP's" page.

If you want to delete the customer, you must delete all the registers of this customer in the "Customers PN" and "PPAP's" pages.

3.11.5 Users Page Errors.

3.11.5.1 Data Entry Errors.

3.11.5.1.1 Username username already exists.

If you write a username that already exists, it will show an error message, that says that exists a register with the username you are trying to register.

The screenshot shows a modal dialog titled "Register New User". Inside the dialog, there is an error message box with a yellow border containing the text "Username Santiago already exists.". Below the error message is a form field labeled "* Username:" with the value "Santiago" entered into it. The entire dialog is set against a dark background.

The error message prevents duplicate registers of users.

3.11.5.2 Update Errors.

3.11.5.2.1 Username username already exists.

If you write a username that already exists, it will show an error message, that says that exists a register with the username you are trying to update.

The screenshot shows a modal dialog titled "Update User". Inside the dialog, there is an error message box with a yellow border containing the text "Username Santiago already exists.". Below the error message is a form field labeled "* Username:" with the value "Santiago" entered into it. The entire dialog is set against a dark background.

The error message prevents duplicate registers of users.

3.11.6 Vendors Page Errors.

3.11.6.1 Data Entry Errors.

3.11.6.1.1 The vendor ID vendor ID already exists.

If you write in the “Vendor ID” field and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor ID you are trying to register.

The screenshot shows a modal dialog titled "Register New Vendor". Inside the dialog, there is a red error message box containing the text "The vendor ID VEN238 already exists." Below the error message, there is a form field labeled "* Vendor ID:" with the value "VEN238" entered into it.

The error message prevents duplicate registers of vendors.

3.11.6.1.2 The vendor vendor's name already exists.

If you write in the “Vendor” field and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor you are trying to register.

The screenshot shows a modal dialog titled "Register New Vendor". Inside the dialog, there is a red error message box containing the text "The vendor Union Polymer Material CO.,LTD already exists." Below the error message, there are two form fields: one labeled "* Vendor ID:" with the value "VEN300" and another labeled "* Vendor:" with the value "Union Polymer Material CO.,LTD".

The error message prevents duplicate registers of vendors.

3.11.6.1.3 The vendor with the short name vendor's short name already exists.

If you write in the “Vendor (short name)” field and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor's short name you are trying to register.

The screenshot shows a modal dialog titled "Register New Vendor". Inside the dialog, there is a red error message box containing the text "The vendor with the short name TGA already exists." Below the error message are three input fields: "Vendor ID" (containing "VEN300"), "Vendor" (containing "Vendor 300"), and "Vendor (short name)" (containing "TGA").

The error message prevents duplicate registers of vendors.

3.11.6.1.4 The vendor ID vendor ID and the vendor vendor's name already exist.

If you write in the “Vendor ID” and “Vendor” fields and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor ID and vendor's name you are trying to register.

The screenshot shows a modal dialog titled "Register New Vendor". Inside the dialog, there is a red error message box containing the text "The vendor ID VEN238 and the vendor Union Polymer Material CO.,LTD already exist." Below the error message are two input fields: "Vendor ID" (containing "VEN238") and "Vendor" (containing "Union Polymer Material CO.,LTD").

The error message prevents duplicate registers of vendors.

3.11.6.1.5 The vendor ID vendor ID and the short name vendor's short name already exist.

If you write in the “Vendor ID” and “Vendor (short name)” fields and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor ID and vendor's short name you are trying to register.

The screenshot shows a modal dialog titled "Register New Vendor". Inside the dialog, there is a red error message box containing the text "The vendor ID VEN238 and the short name UPM already exist." Below the error message are three input fields: "Vendor ID" (containing "VEN238"), "Vendor" (containing "Vendor 238"), and "Vendor (short name)" (containing "UPM").

The error message prevents duplicate registers of vendors.

3.11.6.1.6 The vendor vendor's name and the short name vendor's short name already exist.

If you write in the “Vendor” and “Vendor (short name)” fields and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor's name and vendor's short name you are trying to register.

The screenshot shows a modal dialog titled "Register New Vendor". Inside the dialog, there is a red error message box containing the text "The vendor Coroplast Tape Corporation and the short name Coroplast already exist." Below the error message are three input fields: "Vendor ID" (containing "VEN300"), "Vendor" (containing "Coroplast Tape Corporation"), and "Vendor (short name)" (containing "Coroplast").

The error message prevents duplicate registers of vendors.

3.11.6.1.7 The vendor ID vendor ID, the vendor vendor's name and the short name vendor's short name already exist.

If you write in the “Vendor ID”, “Vendor” and “Vendor (short name)” fields and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor ID, vendor's name and vendor's short name you are trying to register.

The screenshot shows a modal dialog titled "Register New Vendor". Inside the dialog, there is a red error message box containing the text: "The vendor ID VEN238, the vendor Coroplast Tape Corporation and the short name Coroplast already exist." Below the error message, there are three input fields: a text input for "Vendor ID" containing "VEN238", a text input for "Vendor" containing "Coroplast Tape Corporation", and a text input for "Vendor (short name)" containing "Coroplast".

The error message prevents duplicate registers of vendors.

3.11.6.2 Update Errors.

3.11.6.2.1 The vendor vendor's name already exists.

If you write in the “Vendor” field and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor you are trying to update.

The screenshot shows a modal dialog titled "Update Vendor". Inside the dialog, there is a red error message box containing the text: "The vendor Union Polymer Material CO.,LTD already exists." Below the error message, there is a single input field for "Vendor" containing "Union Polymer Material CO.,LTD".

The error message prevents duplicate registers of vendors.

3.11.6.2.2 The vendor with the short name vendor's short name already exists.

If you write in the “Vendor (short name)” field and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor's short name you are trying to update.

The screenshot shows a modal dialog titled "Update Vendor". Inside the dialog, there is an error message box with a yellow border containing the text "The vendor with the short name UPM already exists.". Below the error message, there are two input fields. The first field is labeled "* Vendor:" and contains the value "ETC". The second field is labeled "* Vendor (short_name):" and contains the value "UPM".

The error message prevents duplicate registers of vendors.

3.11.6.2.3 The vendor vendor's name and the short name vendor's short name already exist.

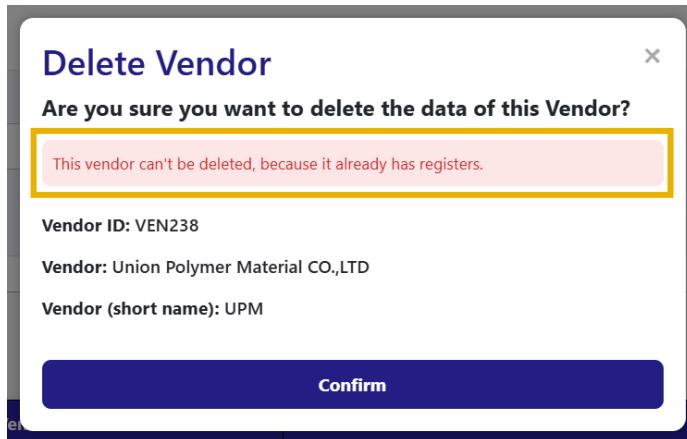

If you write in the “Vendor” and “Vendor (short name)” fields and the data match with a register of a vendor, it will show an error message, that says that exists a register with the vendor's name and vendor's short name you are trying to update.

The screenshot shows a modal dialog titled "Update Vendor". Inside the dialog, there is an error message box with a yellow border containing the text "The vendor Union Polymer Material CO.,LTD and the short name UPM already exist.". Below the error message, there are two input fields. The first field is labeled "* Vendor:" and contains the value "Union Polymer Material CO.,LTD". The second field is labeled "* Vendor (short_name):" and contains the value "UPM".

The error message prevents duplicate registers of vendors.

3.11.6.3 Delete Error.

If you tried to delete a vendor, and it shows you an error message, that says that the vendor you are trying to delete can't be deleted, because it already has registers, this means that the vendor has registers in the "Products" page and in the "PPAP's" page.

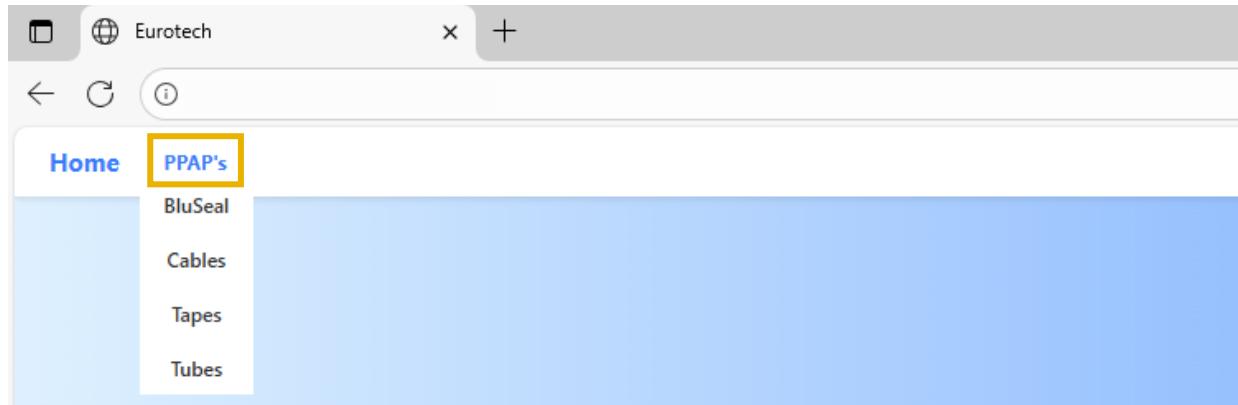

If you want to delete the vendor, you must delete all the registers of this vendor in the "Products" and "PPAP's" pages.

4. Users with the role “User”

4.1 PPAP's, BluSeal, Cables, Tapes and Tubes Tabs

4.1.1 How to Navigate to “PPAP's” View.

On the navigation bar, you can access to the “PPAP's” view.

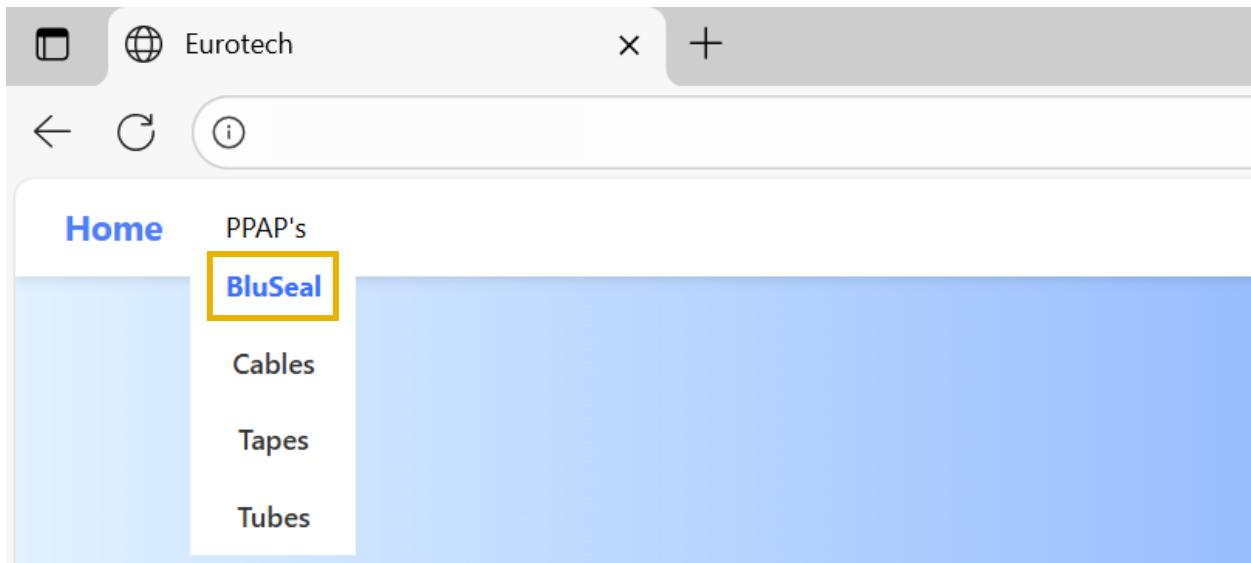

Here you can manage the registers of all the PPAPs of all the products.

A screenshot of a web browser window titled "Eurotech" showing a table of PPAP registrations. The table has columns for Days to Submit, PPAP Number, PPAP Req'd by Customer, PPAP Requested to Vendor, Current Status, Vendor, Supplier PN, OEM, Customer, Country, Customer PN, ET Model, ET Dwg, Rev, ET PH, Description, Tape, Width (MM), Length (M), Color, IMD5 Number, Level, PPAP Samples Status, Reason of Submission, Received Date, and Sent to Customer. The table contains several rows of data, each representing a different PPAP registration.

4.1.2 How to Navigate to “BluSeal” View.

On the navigation bar, you can access to the “BluSeal” view.

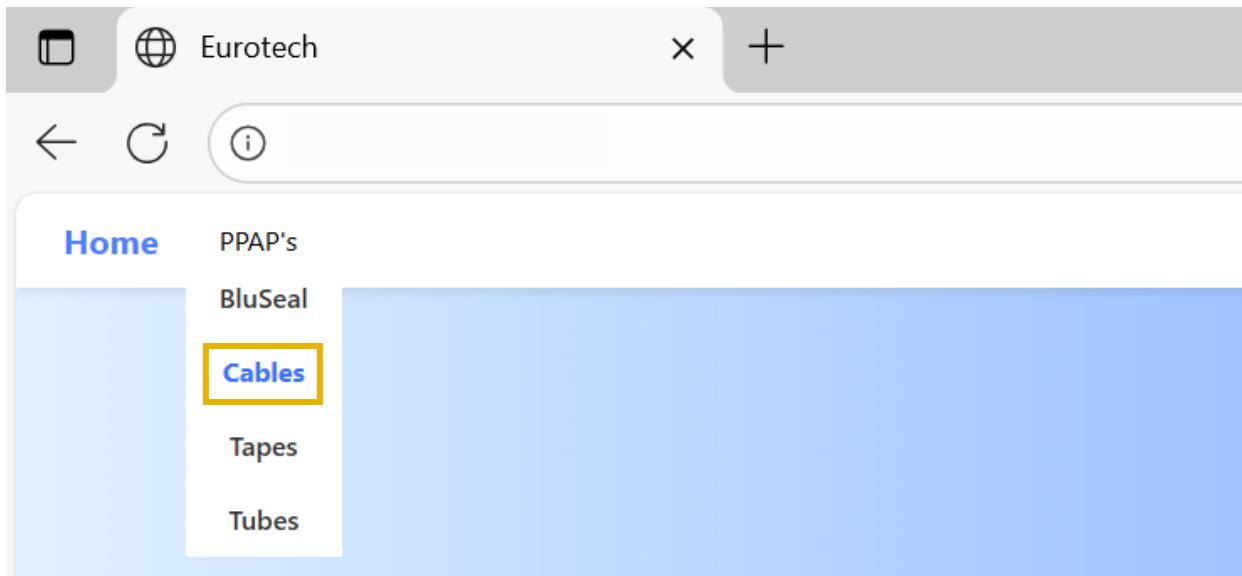

Here you can manage the registers of all the PPAPs of BluSeal.

The screenshot shows the "PPAP's" management screen. The top navigation bar includes "Home", "PPAP's", and a user "Santiago Lopez". Below the navigation bar is a "Search Form" section and two buttons: "Export Table to Excel" and "Report". The main area is a table with the following columns:

Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)	Color	IMDS Number	Level	PPAP Samples Status	Reason of Submission	Received Date	PPAP ET & IMDS	ET / PSW	ET A	IMDS	ET	Sent to Customer	PSW returned from Cust Signed	PPAP from Shipments / Origin from Report	Comments	Inspection Report Number

4.1.6 How to Search a PPAP.

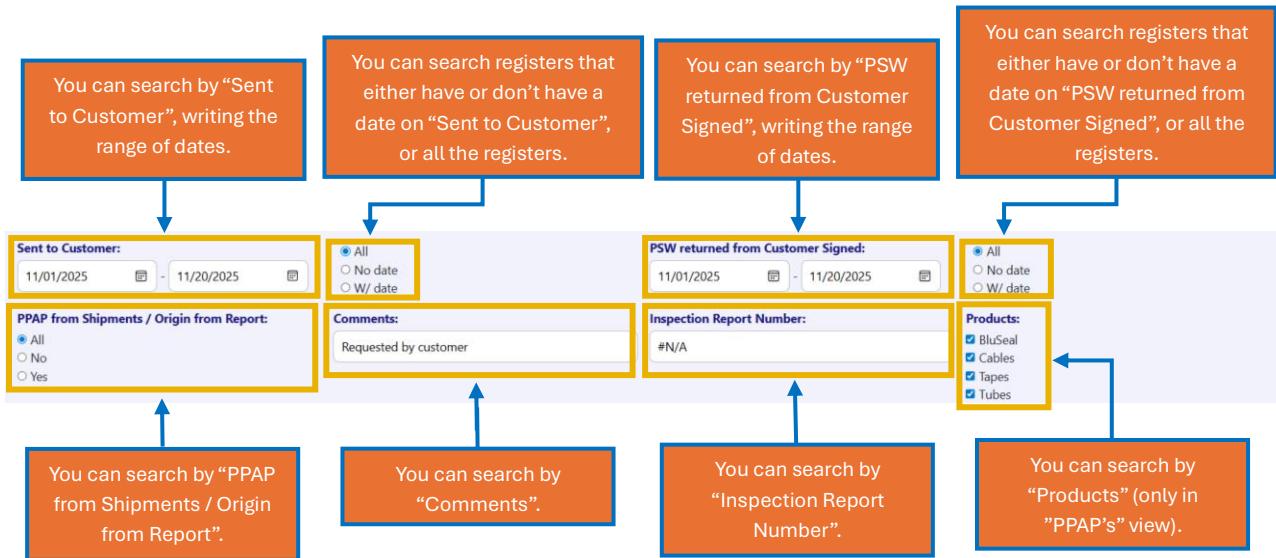

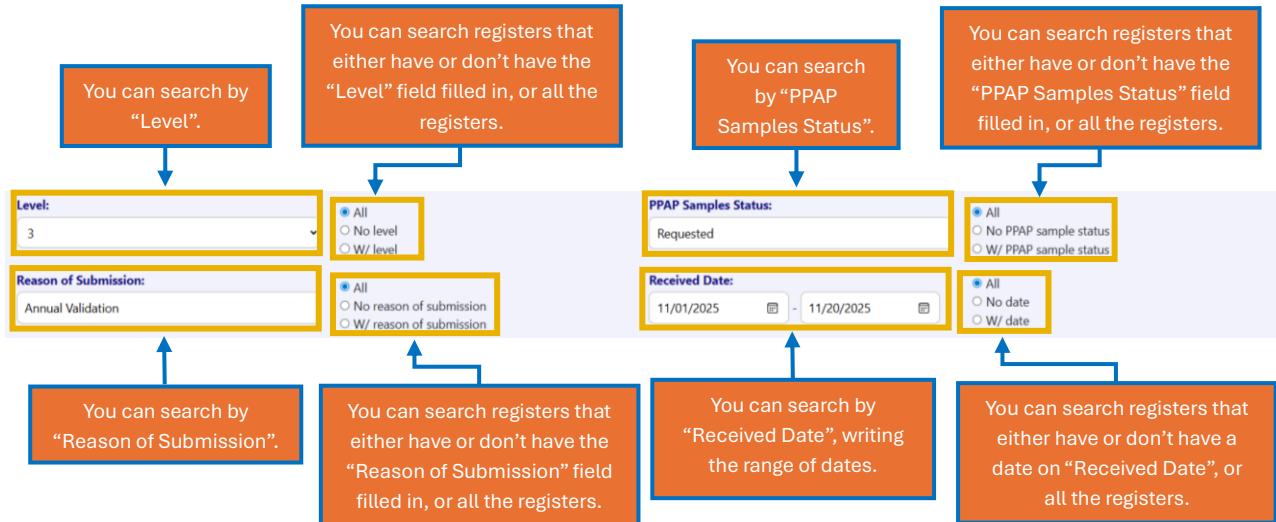

At the top of the page, it will be a dropdown “Search Form” that has all the fields of the matrix for querying registers. To open the “Search Form” you must click it one time.

Once you click it, the “Search Form” will be display.

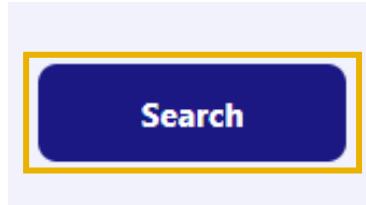

The search form allows you to perform searches by:

- Days to Submit
- PPAP Number
- PPAP Req'd by Customer
- PPAP Requested to Vendor
- Current Status
- Vendor
- Supplier PN
- OEM
- Customer
- Country
- Customer PN
- ET Model
- ET Dwg
- Rev
- Eurotech PN
- Description
- IMDS Number
- Level
- PPAP Samples Status
- Reason of Submission
- Received Date
- Sent to Customer
- PSW returned from Customer Signed
- PPAP from Shipments / Origin from Report
- Comments
- Inspection Report Number
- Products (*only in “PPAP’s” view*)

You must click the "Search" button after you fill any of the fields of the "Search Form" to make the search.

This is an example of how the table would look like after a search (to know the meaning of the colors of the registers you can check in the Index the instruction *4.1.7 Meaning of the Colors of the Registers*).

And with the “Clear All” button, you can clean the querying and see all the registers of the PPAPs.

Days to Submit:	PPAP Number:	PPAP Req'd by Customer:	
0 - 18	PP00012-0001	11/01/2025 - 11/20/2025

4.1.7 Meaning of the Colors of the Registers.

1.- In the “Days to Submit” column there will be:

- Registers with **green** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is less than 19 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country
Edit	Delete	Copy	10		16/Sep/2025			Coroplast Tape Corporation (Coroplast)	172412	Ford	SEWS (Sumitomo Electric Wiring Systems)	Europe

- Registers with **yellow** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is between 19 and 29 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country
Edit	Delete	Copy	23	P00077-001	01/Nov/2025			Coroplast Tape Corporation (Coroplast)	99264		Cooper Standard	Europe

- Registers with **red** field indicate that the difference between the “PPAP Req’d by Customer” date and the “Sent to Customer” date is greater than 29 days (if there is no “Sent to Customer” date yet, it is compared with the current date).

			Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country
Edit	Delete	Copy	42	P00093-001	13/Oct/2025			Coroplast Tape Corporation (Coroplast)	138831		Kongsberg	Mexico

2.- In the rest of the columns of the registers will be:

- Registers with white background indicate that the PPAP has been requested by the customer, the request has not been sent to the vendor, and 30 days have not passed without the documentation being sent to the customer.

4.1.8 How to Export the Information of the Matrix to an Excel Document.

To export the table to an Excel document, you must click the “Export table to Excel” button.

Once you click the “Export table to Excel” button, it will start to download the Excel document:

- If you did it in the “PPAP’s” view, the document will have the name “PPAPs_Matrix.xls”.
- If you did it in the “BluSeal” view, the document will have the name “PPAPs_BluSeal_Matrix.xls”.
- If you did it in the “Cables” view, the document will have the name “PPAPs_Cables_Matrix.xls”.
- If you did it in the “Tapes” view, the document will have the name “PPAPs_Tapes_Matrix.xls”.
- If you did it in the “Tubes” view, the document will have the name “PPAPs_Tubes_Matrix.xls”.

This is an example of how the download of the document would look like:

The screenshot shows a web browser window with a report titled "PPAP's". A yellow box highlights a download notification in the top right corner. The notification says "Downloads" and shows a file named "PPAPs_Matrix.xls" with a "Open file" button. Below it, there is a link "See more".

Days to Submit	PPAP Number	PPAP Req'd by Customer	PPAP Requested to Vendor	Current Status	Vendor	Supplier PN	OEM	Customer	Country	Customer PN	ET Model	ET Dwg	Rev	ET PN	Description	Tape	Width (MM)	Length (M)
-55	PP00026-0001	23/Oct/2025	24/Aug/2025		Coroplast Tape Corporation (Coroplast)	174104	Stellantis	SEWS (Sumitomo Electric Wiring Systems)	Mexico	40193540				505-19-25-BLK	Coroplast 505 Modified PP-film tape BLACK 19MM x 25M	505	19	25
-203	PP00026-0001	29/Jun/2026			Coroplast Tape Corporation (Coroplast)	174104	Stellantis	SEWS (Sumitomo Electric Wiring Systems)	Mexico	40193540				505-19-25-BLK	Coroplast 505 Modified PP-film tape BLACK 19MM x 25M	505	19	25
-230	PP00064-0003	26/Jul/2026			Coroplast Tape Corporation (Coroplast)	156030	GM	Voltaira	Mexico	10035139				8310SE-19-25-BLK	Coroplast 8310 SE PET-Cloth Woven Tape BLACK 19MM x 25M	8310SE	19	25
-28	PP00064-0003	24/Oct/2025	25/Aug/2025		Coroplast Tape	156030	GM	Voltaira	Mexico	10035139				8310SE-19-25-	Coroplast 8310 SE PET-	8310SE	19	25

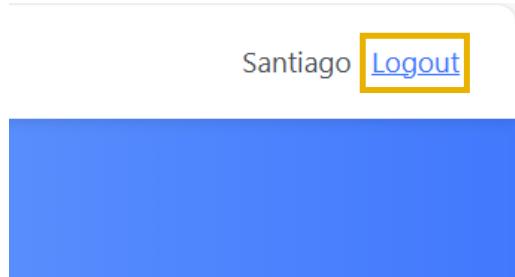

Once the download is finished, you can go to the folder it was downloaded and open the Excel document.

The screenshot shows the Windows File Explorer in the "Downloads" folder. A yellow box highlights the file "PPAPs_Matrix.xls". The file is a Microsoft Excel 97-2003 Workbook (XLS) located in the "Downloads" folder, with a size of 144 KB and a modified date of 12/8/2025 2:19 PM.

This is an example of how the document would look like:

5. Log out.

If you want to log out from the page, you must click the “Logout” button that is at the top right corner of the page, next to the user’s name.

Once you click the “Logout” button, it will close the session of your user, and it will show you the “Login” page.
